

Private Apartments Promote Comfort, Safety and Security

The Rush-Barton Senior Living Residence offers 139 private studio and two-bedroom apartments. Residents may choose a fully furnished apartment or may furnish their apartment with personal belongings to make them feel right at home. Each secure apartment offers:

- Kitchenette
- Full-sized accessible bathroom
- Emergency response system
- Sunlit window view
- Wall-to-wall carpeting
- Individually controlled heating and air conditioning.

The residence offers 24-hour security personnel to ensure residents — and their families — peace of mind.

Help for Those Who Need It

While seniors enjoy the comforts of their own apartments, they may also receive the individualized onsite support and personal attention they need to maintain independent, fulfilling lives.

Our attentive, experienced and dependable staff can help with:

- Bathing, grooming and dressing
- Meal menu selection
- Medication reminders
- Social service needs.

In addition, the residence offers housekeeping and laundry services. Scheduled transportation to local shopping areas or other locations is also available.

Focus on Keeping Seniors Active and Healthy

The residence has many community areas for seniors who desire recreational and social activities. These areas include:

- Library
- Activities room
- Private dining room
- TV room
- Beauty shop
- Chapel
- Solarium
- Enclosed courtyard.

In the dining room, residents — even those with special diets — can enjoy three nutritious meals each day while socializing with their family, friends and neighbors.

In addition to these many amenities, Rush-Barton offers a Wellness Center so residents can schedule onsite appointments with Rush specialists in geriatric medicine or with personal physicians. Seniors have access to the wellness programs designed by experts at the Rush Institute for Healthy Aging, including comprehensive health screenings and assessments. The residence also has an exercise area, with fitness equipment, to assist in maintaining a healthy lifestyle.

Safe, Affordable Housing

The apartments at Rush-Barton are a secure, affordable option for seniors, including those eligible for Medicaid. Those meeting income and assessment guidelines may participate in the Illinois Department of Public Aid's new supportive living program.
