### **LAW ENFORCEMENT CODE OF ETHICS**

As a Law Enforcement Officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

In the event of a disaster or emergency which requires evacuation of the public safety services building, all employees shall follow implemented evacuation plans and posted exit strategies. The posted exit strategies shall include any special directions for physically impaired employees.

## **202.5 UPDATING OF MANUALS**

The Chief of Police or designee shall review and update, if necessary, the Emergency Operations Plan and Disaster Response Manual at least once every two years to ensure that the manual conforms to any revisions made by the National Incident Management System (NIMS).

# Training

## **203.1 PURPOSE AND SCOPE**

It is the policy of this department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community.

## **203.2 PHILOSOPHY**

The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. The Department prefers courses that promote professional growth and continued development for department personnel. Appropriate courses may include:

- Courses certified by ILETSB.
- Courses offered by ILETSB-designated Mobile Team Units (MTUs).
- Courses offered by outside vendors and agencies.

## **203.3 OBJECTIVES**

The objectives of the training program are to:

- (a) Enhance the level of law enforcement service to the public.
- (b) Increase the technical expertise and overall effectiveness of our personnel.
- (c) Provide for continued professional development of department personnel.

## **203.4 TRAINING PLAN**

It is the responsibility of the Training Manager to develop, review, update and maintain a training plan and to ensure that mandated basic, in-service and department-required training is completed by all members as needed or required. The training plan should include the anticipated costs associated with each type of training, including attendee salaries and backfill costs. The plan should include a systematic and detailed method for recording and logging of all training for all members.

While updates and revisions may be made to any portion of the training plan at any time it is deemed necessary, the Training Manager shall review the entire training plan on an annual basis.

The plan will include information on curriculum, training material, training facilities and scheduling. The plan will address federal, state and department-required, minimum-mandated training of officers and other members.

---

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Training Committee should review include but are not limited to:

- (a) Any incident involving the death or serious injury of an employee.
- (b) Incidents involving a high risk of death, serious injury, or civil liability.
- (c) Incidents identified by a supervisor as appropriate to review to identify possible training needs.

The Training Committee should convene on a regular basis as determined by the Training Manager to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Manager. The recommendation should not identify specific facts of any incidents, such as identities of employees involved or the date, time, and location of the incident, but should focus on the type of training being recommended.

The Training Manager will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and available resources.

#### **203.7 TRAINING PROCEDURES**

#### **203.8 DAILY TRAINING BULLETINS**

The Lexipol Daily Training Bulletins (DTBs) are contained in a web-accessed system that provides training on the Zion Police Department policy manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Manager.

Personnel assigned to participate in DTBs should only use login credentials assigned to them by the Training Manager. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.

## Electronic Mail

### 204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (email) system provided by the Department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., Illinois Freedom of Information Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

### 204.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message, including any attachment, that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system and therefore is not appropriate for confidential communications. If a communication must be confidential, an alternative method to communicate the message should be used. Employees using the department email system shall have no expectation of privacy concerning communications transmitted over the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

### 204.3 PROHIBITED USE OF EMAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the email system is prohibited, will not be tolerated and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by a supervisor. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure should minimize the misuse of an individual's email, name and/or password by others.

### 204.4 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the Illinois Freedom of Information Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

# Administrative Communications

## **205.1 PURPOSE AND SCOPE**

Administrative communications of this department are governed by the following policies.

## **205.2 DEPARTMENT E-MAIL**

Department E-mail may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, personnel and group commendations, or other changes in status.

## **205.3 CORRESPONDENCE**

In order to ensure that the name of the Department is not misused, all external correspondence shall be on Department letterhead. Personnel should use Department letterhead only for official business.

## **205.4 SURVEYS**

All surveys made in the name of the Department shall be authorized by the Chief of Police or a Commander.

## **Supervisory Staffing Levels**

### **206.1 PURPOSE AND SCOPE**

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

### **206.2 MINIMUM STAFFING LEVELS**

Minimum staffing levels should result in the scheduling of one Shift Commander on duty. The Patrol Commander will ensure that at least one Shift Commander is deployed during each shift.

#### **206.2.1 SUPERVISION DEPLOYMENTS**

In the event a Shift Commander becomes incapacitated or is otherwise unable to perform his/her duties, a senior officer may be used as an officer-in-charge until replaced by a supervisor.

## Retiree Concealed Firearms

### 207.1 PURPOSE AND SCOPE

### 207.3 LEOSA

The Chief of Police may issue an identification card for LEOSA purposes to any qualified former officer of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as an officer for an aggregate of 10 years or more or, if employed as an officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.

- (d) Has not entered into an agreement with this department where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

#### 207.3.1 LEOSA IDENTIFICATION CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify him/her as having been employed as an officer.

#### 207.3.2 AUTHORIZATION

Any qualified former peace officer, including a former officer of this department, may carry a concealed firearm under 18 USC § 926C when he/she is:

- (a) In possession of photographic identification that identifies him/her as having been employed as a law enforcement officer, and one of the following:
  - 1. A valid permit to carry a concealed firearm issued by the Illinois Law Enforcement Training and Standards Board (ILETSB) (20 Ill. Adm. Code 1720.260).
  - 2. An indication from the person's former law enforcement agency that he/she has, within the past year, been tested or otherwise found by the law enforcement agency to meet agency-established active duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

##### **207.5.1 RESPONSIBILITIES UNDER LEOSA**

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.

## **Chapter 3 - General Operations**

# Use of Force

## 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Imminent** - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

**Totality of the circumstances** - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

## 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

# Zion Police Department

### Policy Manual

#### *Use of Force*

---

##### **300.2.1 DUTY TO INTERCEDE AND REPORT**

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force.

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor as soon as feasible.

Officers shall submit a written report within five days of the incident (720 ILCS 5/7-16).

##### **300.2.2 PERSPECTIVE**

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

#### **300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

##### **300.3.1 USE OF FORCE TO EFFECT AN ARREST**

An officer may use any force which he/she reasonably believes to be necessary, under the totality of the circumstances, to effect an arrest, or to be necessary to defend him/herself or another from bodily harm while making an arrest (720 ILCS 5/7-5).

##### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit.

These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

##### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Use of Force*

---

- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

#### **300.3.4 USE OF FORCE TO SEIZE EVIDENCE**

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Zion Police Department for this specific purpose.

#### **300.3.5 ALTERNATIVE TACTICS - DE-ESCALATION**

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

#### **300.3.6 RESPIRATORY RESTRAINTS**

A member shall not apply direct pressure to the throat, windpipe, or airway of a person with the intent to reduce or prevent the intake of air (chokehold) unless deadly force is justified (720 ILCS 5/7-5.5). A member shall not use a chokehold or any lesser contact with the throat or neck area of another in order to prevent the destruction of evidence by ingestion (720 ILCS 5/7-5.5). If a respiratory restraint is applied, it is subject to the same guidelines and requirements as a carotid control hold.

### **300.4 DEADLY FORCE APPLICATIONS**

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify him/herself as a peace officer and to warn that deadly force may be used.

Use of deadly force is justified in the following circumstances involving imminent threat or imminent risk:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and (720 ILCS 5/7-5):
  - 1. The officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person (except to the subject him/herself) if the individual is not immediately apprehended.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Use of Force*

---

2. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to immediately use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to immediately do so (720 ILCS 5/7-5).

#### **300.4.1 MOVING VEHICLES**

Shots fired at or from a moving vehicle involve additional considerations and risks, and are rarely effective.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

#### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

#### **300.5.1 NOTIFICATIONS TO SUPERVISORS**

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the CEW or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.

---

- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

#### **300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe (720 ILCS 5/7-15).

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

#### **300.7 SUPERVISOR RESPONSIBILITIES**

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

- (c) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (d) Identify any witnesses not already included in related reports.
- (e) Review and approve all related reports.
- (f) Determine if there is any indication that the individual may pursue civil litigation.
  - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (g) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

#### **300.7.1 SHIFT COMMANDER RESPONSIBILITY**

The Shift Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

#### **300.8 TRAINING**

Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on:

- (a) Guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.
- (b) De-escalation tactics, including alternatives to force.

#### **300.9 USE OF FORCE ANALYSIS**

At least annually, the Deputy Chief should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

## Use of Force Review Boards

### 301.1 PURPOSE AND SCOPE

This policy establishes a process for the Zion Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

### 301.2 POLICY

The Zion Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

### 301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

### 301.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administration Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Commander or supervisor of the involved employee to notify the Administration Commander of any incidents requiring board review. The involved employee's Commander or supervisor will also ensure that all relevant reports, documents, and materials are available for consideration and review by the board.

#### 301.4.1 COMPOSITION OF THE BOARD

The Chief of Police or his designee should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command
- Training Manager

### Policy Manual

#### *Use of Force Review Boards*

---

- Nonadministrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

#### 301.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be

forwarded to the involved employee's Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

# Handcuffing and Restraints

## 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

## 302.2 POLICY

The Zion Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

## 302.3 USE OF RESTRAINTS

Only members who have successfully completed Zion Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

### 302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

### 302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety, to include handcuffing in front. In no event shall these persons be restrained by the use of leg irons or waist chains.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others..

##### **302.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

##### **302.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

##### **302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Handcuffing is required for most arrest situations. However, officers should exercise good judgment in deciding whether to handcuff the elderly, handicapped, injured, or infirmed.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

##### **302.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid commingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be

obtained. If the person vomits while wearing a spit hood the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **302.7 REQUIRED DOCUMENTATION**

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

#### **302.8 TRAINING**

Subject to available resources, the Training Manager should ensure that officers receive periodic training on the proper use of handcuffs and other restraints biennially (every two years), including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.

# Zion Police Department

- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Manager.

## Control Devices and Techniques

### 303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### 303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Zion Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

### 303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### 303.4 RESPONSIBILITIES

#### 303.4.1 SHIFT COMMANDER RESPONSIBILITIES

The Shift Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

#### 303.4.2 TRAINING MANAGER RESPONSIBILITIES

The Training Manager or the designated instructor for a particular control device shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the designated instructor for a particular control device. The inspection shall be documented.

#### 303.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Control Devices and Techniques*

---

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the designated instructor for a particular control device for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

#### **303.5 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

#### **303.6 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray, hand tossed OC or smoke devices, or pepper projectile systems may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Neither OC spray, hand tossed OC or smoke devices nor pepper projectile systems should, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

##### **303.6.1 OC SPRAY**

Uniformed personnel assigned to patrol duties or uniformed special duties shall carry OC spray in a holster on the equipment belt or vest. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

##### **303.6.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

A pepper projectile system is not equivalent to OC Spray and shall not be used in place of OC Spray. The use of a pepper projectile system shall be for the purpose of controlling or dispersing a riotous crowd or group upon the declaration of an unlawful or illegal assembly made by the Chief of Police or his/her designee. A Shift Supervisor may authorize the use of a pepper projectile system in exigent circumstances to prevent imminent bodily injury or death to a person or imminent acts of looting or arson. The Shift Supervisor shall seek a declaration of an unlawful or illegal assembly from the Chief of Police or his/her designee as soon as practicable.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Control Devices and Techniques*

---

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

#### **303.6.3 HAND TOSSED OC OR SMOKE DEVICES**

Hand tossed OC or smoke devices are deployed by hand, emit either OC or smoke through pyrotechnics and are for outdoor use only. Hand tossed OC or smoke devices shall not be used indoors due to the risk of fire. The use of hand tossed OC or smoke devices shall be for the purpose of controlling or dispersing a riotous crowd or group upon the declaration of an unlawful or illegal assembly made by the Chief of Police or his/her designee. Hand tossed OC or smoke devices should not be intentionally thrown directly at or in very close proximity to people or vehicles to avoid injury.

Before deploying these devices, the officer should consider such factors as:

- (a) Ambient wind direction
- (b) The surface onto which the device is deployed which should be relatively free of loose debris or materials which could catch fire
- (c) The proximity to flammable sources
- (d) The proximity of law abiding citizens, young children, elderly persons or other officers

Additionally, smoke devices may be used to hide the movements of officers engaged in the performance of a law enforcement duty for which such measures would be tactically advantageous. i.e. officer down rescue, open air approach, tactical retreat. .

#### **303.6.4 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

#### **303.7 POST-APPLICATION NOTICE**

Whenever OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

### **303.8 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

#### **303.8.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

#### **303.8.2 DEPLOYMENT CONSIDERATIONS**

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should obtain Shift Commander authorization prior to deployment of kinetic energy projectiles, unless it would otherwise endanger the safety of officers or others or when it is not practicable due to exigent circumstances.

# Zion Police Department

### Policy Manual

#### *Control Devices and Techniques*

---

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

#### **303.8.3 SAFETY PROCEDURES**

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such. Kinetic energy projectiles shall only be fired from specifically designated shotguns.

Officers will inspect the shotgun at the beginning of each shift to ensure that the shotgun is in proper working order. The officers shall load the shotgun, visually inspecting the kinetic energy projectiles to ensure they are of the approved type, appear to be free from defects, and that conventional ammunition is not being loaded into the shotgun. The shotgun will be carried with the chamber empty.

#### **303.9 TRAINING FOR CONTROL DEVICES**

The Training Manager shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.
- (d) Proficiency training for kinetic energy projectiles should occur annually.
- (e) Proficiency training for batons should occur biennially (every two years).
- (f) Proficiency training for OC spray should occur biennially (every two years).
- (g) Proficiency training for hand tossed OC and smoke devices should occur biennially (every two years)

#### **303.10 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

# Conducted Energy Device

## 304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of CEWs.

## 304.2 POLICY

The Conducted Electrical Weapon is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

## 304.3 ISSUANCE AND CARRYING CEWS

Only members who have successfully completed department-approved training may be issued and carry the CEW. Members who have successfully completed department training shall carry the CEW when assigned to patrol duties or uniformed special duty assignments.

CEWs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the CEW and cartridges that have been issued by the Department. Uniformed officers who have been issued the CEW shall wear the device in an approved holster on their person. Non-uniformed officers may secure the CEW in the driver's compartment of their vehicle.

Members carrying the CEW should perform a spark test on the unit prior to every shift.

When carried while in uniform, officers shall:

- (a) All CEWs shall be worn to be drawn with the support-side (non-dominant) hand from either a holster on the side opposite the duty weapon or attached to an outer vest carrier.
- (b) All CEWs shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (c) Whenever practicable, officers should carry two or more cartridges on their person when carrying the CEW.
- (d) Officers shall be responsible for ensuring that their issued CEW is properly maintained and in good working order.
- (e) Officers should not hold both a firearm and the CEW at the same time.

## 304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CEW should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CEW may be deployed.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Conducted Energy Device*

---

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the CEW. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CEW in the related report.

#### **304.5 USE OF THE CEW**

The CEW has limitations and restrictions requiring consideration before its use. The CEW should only be used when its operator can safely approach the subject within the operational range of the device. Although the CEW is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

##### **304.5.1 APPLICATION OF THE CEW**

The CEW may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the CEW to apprehend an individual.

##### **304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS**

The use of the CEW on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Conducted Energy Device*

---

Because the application of the CEW in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The CEW shall not be used to psychologically torment, elicit statements or to punish any individual.

#### 304.5.3 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the CEW probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

#### 304.5.4 MULTIPLE APPLICATIONS OF THE CEW

Officers should apply the CEW for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the CEW against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the CEW appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the CEW, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one CEW at a time against a single subject.

#### 304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers shall notify a supervisor of all CEW discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

#### 304.5.6 DANGEROUS ANIMALS

The CEW may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

##### 304.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEWs while off-duty.

##### 304.6 DOCUMENTATION

Officers shall document all CEW discharges in the related arrest report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented in the report.

The Training Manager should analyze reports to identify trends, including deterrence and effectiveness. The designated CEW Instructor should also conduct audits of data downloads and reconcile arrest reports with recorded activations. CEW information and statistics, with identifying information removed, should periodically be made available to the public.

##### 304.6.1 REPORTS

The officer should include the following in the arrest report:

- (a) Identification of all personnel firing CEWs.
- (b) Identification of all witnesses.
- (c) Medical care provided to the subject.
- (d) Observations of the subject's physical and physiological actions.
- (e) Any known or suspected drug use, intoxication or other medical problems.
- (f) The type and brand of CEW and cartridge and serial number.
- (g) Date, time and location of the incident.
- (h) Whether any display, laser or arc deterred a subject and gained compliance.
- (i) The number of CEW activations, the duration of each cycle, the duration between activations, and (as best can be determined) the duration that the subject received applications.
- (j) The range at which the CEW was used.
- (k) The type of mode used (probe or drive-stun).
- (l) Location of any probe impact.
- (m) Location of contact in drive-stun mode.
- (n) Description of where missed probes went.
- (o) Whether the subject sustained any injuries.
- (p) Whether any officers sustained any injuries.

##### 304.7 MEDICAL TREATMENT

Only personnel authorized to carry CEWs should remove CEW probes from a person's body. Used CEW probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

---

All persons who have been struck by CEW probes or who have been subjected to the electric discharge of the device shall be observed for signs or complaints of medical distress prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CEW probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress, making complaint of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CEW.

#### **304.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CEW may be used. A supervisor should respond to all incidents where the CEW was used upon a person.

A supervisor should review each incident where a person has been exposed to an activation of the CEW. The device's onboard memory should be downloaded through the data port by a CEW Instructor and saved with the related arrest report. Photographs of probe sites should be taken and witnesses interviewed.

#### **304.9 TRAINING**

Personnel who are authorized to carry the CEW shall be permitted to do so only after successfully completing the initial department-approved training.

Proficiency training for personnel authorized to carry CEWs should occur every year. A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Manager. All training and proficiency for CEWs will be documented in the officer's training file.

Command staff, supervisors and investigators should receive CEW training as appropriate for the investigations they conduct and review.

Officers who do not carry CEWs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Manager is responsible for ensuring that all members who carry CEWs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEWs during training could result in injury to personnel and should not be mandatory for certification.

The Training Manager should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing support side (non-dominant) hand draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
- (e) Handcuffing a subject during the application of the CEW and transitioning to other force options.
- (f) De-escalation techniques.
- (g) Restraint techniques that do not impair respiration following the application of the CEW.
- (h) Transitioning between the CEW and firearms and vice versa to reduce the likelihood of weapon confusion and to avoid having both in an officer's hand simultaneously.

# Officer-Involved Shootings and Deaths

## 305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer (50 ILCS 727/1-10; 50 ILCS 727/1-30; 730 ILCS 210/3-1).

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

### 305.1.1 DEFINITIONS

Definitions related to this policy include:

**Officer-involved death** - Any death of an individual that results directly from an action or directly from an intentional omission, including unreasonable delay involving a person in custody or intentional failure to seek medical attention when the need for treatment is apparent, of a law enforcement officer while the officer is on-duty, or otherwise acting within the scope of his/her employment, or while the officer is off-duty, but performing activities that are within the scope of his/her law enforcement duties. It also includes any death resulting from a motor vehicle crash, if the law enforcement officer was engaged in law enforcement activity involving the individual or the individual's vehicle in the process of apprehension or an attempt to apprehend (50 ILCS 727/1-5).

## 305.2 POLICY

The policy of the Zion Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

## 305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

## 305.4 CONTROL OF INVESTIGATIONS

The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

### 305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Zion Police Department would control the investigation if the suspect's crime occurred in Zion.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Officer-Involved Shootings and Deaths*

---

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

##### **305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS**

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

##### **305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION**

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

An officer-involved death of an individual in custody that may have been caused by the officer's use of force shall be investigated pursuant to the Reporting of Deaths in Custody Act (730 ILCS 210/3-5).

#### **305.5 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

##### **305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES**

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved ZPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

##### **305.5.2 SUPERVISOR RESPONSIBILITIES**

Upon arrival at the scene, the first uninvolved ZPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Officer-Involved Shootings and Deaths*

1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any ZPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Commander and Village of Gurnee Communications Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional ZPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
  1. Each involved ZPD officer should be given an administrative order not to discuss the incident with other involved officers or ZPD members pending further direction from a supervisor.
  2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

#### 305.5.3 SHIFT COMMANDER RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Commander shall be responsible for coordinating all aspects of the incident until relieved by the Chief of Police or a higher ranking officer.

All outside inquiries about the incident shall be directed to the Shift Commander.

#### 305.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Deputy Chief

  - 1. Interviews with a licensed psychotherapist will be considered privileged.

Each involved ZPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Commander to make schedule adjustments to accommodate such leave.

#### 305.5.6 COMMUNICATION WITH FAMILY AND NEXT-OF-KIN

When a death has resulted from an officer's use of force or while in the custody of the Department or a department officer, notification to next-of-kin, family, or another emergency contact shall be made as soon as practicable. The information provided should include the facts surrounding the incident that are reasonably known to the member at that time and that are appropriate to provide under the circumstances given any pending investigations and in accordance with state and federal law (730 ILCS 210/3-5).

The Chief of Police shall designate an officer as the Family Liaison Officer to handle ongoing communication with the decedent's family or next-of-kin. Responsibilities of this position include but are not limited to communicating investigation developments, practical support, and, if requested, arranging for a chaplain or suitable staff member to address matters related to faith (730 ILCS 210/3-5).

##### **305.6 CRIMINAL INVESTIGATION**

The State Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting that does not result in death. Officer-involved deaths shall be investigated by outside agency investigators as provided in the applicable intergovernmental agreements.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the State Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

- (a) ZPD supervisors and Deputy Chief personnel should not participate directly in any voluntary interview of ZPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

##### **305.6.1 OFFICER-INVOLVED DEATH INVESTIGATIONS**

The Chief of Police should ensure that the Zion Police Department enters into appropriate intergovernmental agreements to investigate officer-involved deaths involving members of the ZPD by appropriately trained outside investigators as required by the Police and Community Relations Improvement Act (50 ILCS 727/1-1 et seq.). The agreement should establish any compensation arrangement for participation in investigations and establish responsibilities for expeditiously providing a complete report to the State's Attorney and a public report if no charge or indictment is brought against the officer.

##### **305.6.2 REPORTS BY INVOLVED ZPD OFFICERS**

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved ZPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

#### *Officer-Involved Shootings and Deaths*

---

While the involved ZPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved ZPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

#### 305.6.3 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

#### 305.6.4 INVESTIGATIVE PERSONNEL

No ZPD officers or investigative personnel shall be involved in the investigation of any officer-involved shooting or officer-involved death involving ZPD personnel or the investigation of any

related crimes not being investigated by independent investigatory agencies without the express direction of the Chief of Police.

#### **305.7 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved ZPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Deputy Chief and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy) (50 ILCS 725/1 et seq.).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
  - 1. A sample shall be compelled in the case of a shooting that caused injury or death of a person as soon as practicable but no later than the end of the officer's shift or tour of duty (50 ILCS 727/1-25).
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas, with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  - 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
  - 2. The interview shall take place at the facility to which the administrative investigator is assigned or the police facility that has jurisdiction over the place where the incident occurred. The interview shall also be conducted at a reasonable time of day and during the time when the officer is on-duty as operational requirements and the nature of the incident permit. The interview shall be of reasonable duration and allow for reasonable periods of rest and personal necessities of the officer (50 ILCS 725/3.1; 50 ILCS 725/3.3; 50 ILCS 725/3.5).
  - 3. The officer shall not be subject to professional or personal abuse, including offensive language (50 ILCS 725/3.6).

4. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview and shall inform the ZPD of any person who will be present on his/her behalf (50 ILCS 725/3.4; 50 ILCS 725/3.9). The officer shall have the right to be represented by counsel and may request counsel at any time before or during the interview and shall have a reasonable time and opportunity to obtain counsel (50 ILCS 725/3.9). However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
  5. A complete record of the administrative interview shall be made and a complete transcript or copy shall be made available to the officer without charge and without undue delay. Such record may be electronically recorded (50 ILCS 725/3.7). The officer may also record the interview.
  6. The officer shall be informed in writing of the nature of the investigation, the interviewers, and all persons who will be present on behalf of the ZPD (50 ILCS 725/3.2; 50 ILCS 725/3.4). If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights in writing and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally (50 ILCS 725/3.8).
  7. The Deputy Chief shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
  8. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
  9. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.
- (d) Investigators should take reasonable steps to avoid interfering with the outside criminal investigation conducted under the requirements of 50 ILCS 727/1-10 (50 ILCS 727/1-15).

#### **305.8 CIVIL LIABILITY RESPONSE**

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

#### **305.9 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV) or other video or audio recordings, but not body-worn camera footage, prior to

providing a recorded statement or completing reports (see the Portable Audio/Video Recorders Policy) (50 ILCS 706/10-20).

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn, and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office as appropriate.

### **305.10 DEBRIEFING**

Following an officer-involved shooting or death, the Zion Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings

#### **305.10.1 TACTICAL DEBRIEFING**

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police or the authorized designee should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

### **305.11 MEDIA RELATIONS**

Any media release shall be prepared by the Chief of Police with input and consultation of the approved participants such as independent investigatory agencies and the State's Attorney's Office. Releases will be available to the Shift Commander, Administrative Assistant to the Chief of Police and the Village of Gurnee Communications Center in the event of inquiries from the media.

No involved ZPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

### **305.12 REPORTING**

The Patrol Commander will ensure that the Records Clerk is provided with enough information to meet the reporting requirements for any officer-involved shooting or death that qualifies to be reported to the Department of State Police (50 ILCS 709/5-12).

The Records Clerk shall submit a written report to the Illinois Criminal Justice Information Authority whenever there is an officer-involved death of an individual in custody or that may have been caused by an officer's use of force as required by the Reporting of Deaths in Custody Act (730 ILCS 210/3-5). There shall be a good faith effort to include all known relevant facts and circumstances

in the report, and the report shall be submitted within 30 days on the required standardized form (730 ILCS 210/3-5).

# Firearms

## 306.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

## 306.2 POLICY

The Zion Police Department will authorize and approve firearms so that its members are equipped to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

## 306.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by a firearms instructor. Firearms shall not be carried by civilian members while on-duty or while in any City-owned vehicle. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

### 306.3.1 HANDGUNS

The Zion Police Department does not issue handguns for duty use. Duty handguns are purchased and owned by the individual officer. All duty handguns shall meet the following requirements:

3. Be a factory specified firearm. Custom handguns are prohibited for duty use.

Authorized handguns for uniformed patrol officers:

1. Semi-automatic.
2. Chambered in 9mm parabellum, .40 S&W or 45 ACP.

2. Manufactured by Beretta, Glock, Heckler & Koch, Kahr, SIG Sauer or Springfield Armory. Other makes may be approved by the Chief of Police or his designee.

This authorization is limited to the duration of a specific task and not for carry on a regular basis. Plainclothes and special assignment personnel shall have qualified with the handgun as a back-up firearm.

Administrative personnel not routinely involved in patrol activities are authorized, subject to approval by the Chief of Police, to carry any back-up firearm they have qualified with when the nature of their assignment makes carrying their duty weapon impractical. Upon completion of shift all firearms shall be removed from assigned squad and properly secured.

#### 306.3.2 SHOTGUNS

The authorized department-issued shotgun is the N/A.

The Remington 870 shotgun is issued for the following uses only:

### **306.6 FIREARMS TRAINING AND QUALIFICATIONS**

All members who carry a firearm while on-duty are required to successfully complete scheduled training with their duty firearms. In addition to this training, all members will qualify at least annually with their duty firearms (50 ILCS 710/0.01 et seq.).

Members will also qualify with off-duty and secondary firearms annually. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

#### **306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION**

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be afforded two additional chances. These shall be within a 2-week period after receiving written notice from the Lead Firearms Instructor. Any officer still failing to qualify will be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
  - 1. Unauthorized range make-up
  - 2. Failure to meet minimum standards or qualify after remedial training

Members who fail to meet minimum standards within 30-days will be removed from field assignment and may be subject to disciplinary action.

### **306.7 FIREARM DISCHARGE**

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her supervisor or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.

- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### **306.7.1 DESTRUCTION OF ANIMALS**

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, Conducted Electrical Weapon, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

#### **306.7.2 INJURED ANIMALS**

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

#### **306.7.3 WARNING AND OTHER SHOTS**

1. Warning shots are prohibited.
2. Members shall not fire into buildings or through doors, windows or other openings unless the person lawfully fired upon is clearly visible, or a clearly definable threat exists.
3. Members shall not discharge a firearm from or at a moving vehicle unless the officer reasonably believes that an occupant of the vehicle is using or is about to use deadly physical force against the officer or another person, and the officer has no reasonable alternative.

#### **306.8 LEAD FIREARMS INSTRUCTOR DUTIES**

The range will be under the exclusive control of Firearms Instructors. All members attending will follow the directions of the Firearms Instructors. Firearms Instructors will maintain a roster of all members attending the range and will submit the roster to the Training Manager after each range date. Failure of any member to sign in and out with the Firearms Instructors may result in non-participation or non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Lead Firearms Instructor has the responsibility of making or overseeing periodic inspection, at least once a year, of all duty weapons carried by members of this department to verify proper operation. The Lead Firearms Instructor has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/

her personally owned firearm; it will not be returned to service until inspected and approved by the Lead Firearms Instructor.

The Lead Firearms Instructor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Lead Firearms Instructor shall complete and submit to the Training Manager documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Lead Firearms Instructor should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Manager.

#### **306.9 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Zion Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Zion Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Zion Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.

- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

#### **306.10 CARRYING FIREARMS OUT OF STATE**

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Zion Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

## Vehicle Pursuits

### 307.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where Department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuit situations are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officers' conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

#### 307.1.1 VEHICLE PURSUIT DEFINED

An active attempt by a peace officer in an authorized emergency vehicle to apprehend an actual or suspected law violator, who is attempting to avoid apprehension through evasive tactics.

### 307.2 OFFICER RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with emergency lights and siren. The driver of an authorized emergency vehicle may proceed past a red or stop signal or stop sign, exceed the maximum speed limits, and disregard regulations governing direction of movement or turning in specified directions provided the driver slows as may be required and necessary for safe operation and does not endanger life or property (625 ILCS 5/11-205).

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

To reduce the likelihood of a pursuit occurring, an officer intending to stop a vehicle for any violation of the law, except a traffic law, should, whenever possible and without creating a threat to public

safety or officers, close the distance between the two vehicles. In situations where appropriate and prudent, awaiting the arrival of assisting officers, prior to activating emergency lights, an audible device, or otherwise signaling the suspect to stop may be warranted.

Upon approaching an intersection controlled by traffic signals or signs, or any other location at which there is an increased likelihood of a collision, the driver of any pursuit vehicle shall reduce the vehicle's speed so as to avoid a collision with another vehicle or pedestrian.

Officers should make every reasonable effort to ensure that the way is clear before proceeding through an intersection or otherwise increasing speed. Pursuing officers are expected to maintain complete control of their vehicles at all times. Throughout the course of a pursuit, pursuing officers should not attempt to overtake, pull alongside, or pass the suspect's moving vehicle without the specific authorization of a supervisor, if feasible. Officers are discouraged from passing other units involved in a pursuit unless the passing officer receives specific permission from the Primary Unit.

#### 307.2.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

- (a) The alleged violation must be a felony or misdemeanor that would normally require a full custodial arrest.
- (b) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (c) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
- (d) Apparent nature of the fleeing suspect(s) (e.g., whether the suspect(s) represent a serious threat to public safety).
- (e) The identity of the suspect(s) has been verified and there is comparatively minimal risk in allowing the suspect(s) to be apprehended at a later time.
- (f) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
- (g) Pursuing officer(s) familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the telecommunicator/supervisor and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (h) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
- (i) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.

- (j) Vehicle speeds.
- (k) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).
- (l) Availability of other resources such as helicopter assistance.
- (m) The police unit is carrying passengers other than police officers. Pursuits shall not be undertaken with a prisoner(s) or citizen(s) in the police vehicle.

#### 307.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect(s)' escape.

The factors listed in the previous subsection are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In the context of this policy, the term "terminate" shall be construed to mean discontinue or to stop chasing the fleeing vehicle(s) and to stop following the vehicle(s).

In addition to the factors listed in the previous subsection the following factors should also be considered in deciding whether to terminate a pursuit:

- (a) Distance between the pursuing officers and the fleeing vehicle(s) is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) Pursued vehicle's location is no longer definitely known.
- (c) Officer's pursuit vehicle sustains any type of damage that renders it unsafe to drive.
- (d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
- (g) Directed by a supervisor.

#### 307.2.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Vehicle Pursuits*

---

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

### **307.3 PURSUIT UNITS**

Pursuit units should be limited to two vehicles; however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspect(s). All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

#### **307.3.1 UNMARKED VEHICLES**

Unmarked units may initiate a pursuit providing the proper justification exists, but must have supervisor authorization to continue a pursuit. Unmarked units will relinquish Primary Unit status immediately upon the participation of a marked police car. Upon relinquishing Primary Unit status, unmarked units shall terminate active involvement in a pursuit unless they are needed to fulfill Secondary Unit responsibilities or are otherwise directed by a supervisor. An unmarked police vehicle is not identifiably marked by a distinctive color scheme; is equipped with red and/or blue lights mounted within the vehicle, and is equipped with a siren.

No other departmental vehicles, except for marked and unmarked units, may initiate a pursuit.

#### **307.3.2 PRIMARY UNIT RESPONSIBILITIES**

The decision to initiate and/or continue a pursuit requires weighing the public safety need to immediately apprehend the suspect against the degree of risk to which peace officers and others are exposed as the result of a pursuit. Officers are reminded that they are under no legal obligation to initiate a pursuit, and that in many circumstances the safety of the public will dictate that no pursuit be initiated, and/or it be discontinued.

Upon the initiation of a pursuit, the pursuing officer shall immediately activate the vehicle's emergency warning lights, audible device, and headlights if not already activated.

The Primary Unit will notify Village of Gurnee Communications Center that a vehicle pursuit has been initiated and as soon as practical provide information including, but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.

- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of known occupants.
- (f) The identity or description of the known occupants.
- (g) Information concerning the use of firearms, threat of force, injuries, hostages or other unusual hazards.

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for the broadcasting of the progress of the pursuit. Unless practical circumstances indicate otherwise, and in order to concentrate on pursuit driving, the primary officer should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit.

#### **307.3.3 SECONDARY UNIT(S) RESPONSIBILITIES**

The second officer in the pursuit is responsible for the following:

- (a) The officer in the secondary unit should immediately notify the telecommunicator and supervisor, if feasible, of entry into the pursuit. Until such time that a supervisor assumes responsibility, only one Secondary Unit shall become involved in an ongoing pursuit.
- (b) Remain a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit.
- (c) The secondary officer should be responsible for broadcasting the progress of the pursuit unless the situation indicates otherwise.
- (d) Upon joining the pursuit or being assigned Secondary Unit responsibilities, the vehicle's emergency warning lights, audible device, and headlights shall be activated.
- (e) If so requested by the Primary Unit or if directed by a supervisor to do so, the Secondary Unit may assume Primary Unit responsibilities. Otherwise, the Secondary Unit may not attempt to overtake or pull alongside the Primary Unit.
- (f) Secondary Unit personnel are responsible for serving as a backup to the Primary Unit. As such, they will respond to directions from the Primary Unit personnel unless otherwise directed by a supervisor or circumstances do not allow.

#### **307.3.4 PURSUIT DRIVING TACTICS**

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles so they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Vehicle Pursuits*

---

1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  2. Pursuing units should exercise due caution when proceeding through controlled intersections.
- (c) Police officers involved in a pursuit shall not proceed in a direction opposite to the flow of traffic on a divided highway without the specific authorization of a supervisor, if feasible. In the event the pursued vehicle does so, the following tactics should be considered:
1. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
  2. Requesting other units to observe exits available to the suspect(s).
- (d) Notifying the Illinois State Police and/or other agency if it appears that the pursuit may enter their jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

#### **307.3.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT**

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

#### **307.3.6 PURSUIT TRAILING**

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspect(s).

The term trail means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

#### **307.4 SUPERVISORY CONTROL AND RESPONSIBILITY**

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The Shift Commander of the officer initiating the pursuit, or if unavailable, the nearest supervisor will be responsible for the following:

- (a) Upon notification that a pursuit is in progress, the supervisor shall assume responsibility for the monitoring and control of the pursuit as it progresses.
- (b) The supervisor shall immediately determine whether the pursuit was initiated in accordance with the provisions of this guideline and shall permit the pursuit to be continued only if said guideline has been fully complied with to the best of the supervisor's knowledge.
- (c) Upon being notified of a pursuit, the supervisor shall verify the following:
  - 1. That no more than the required or necessary number of units are involved in the pursuit.
  - 2. That the proper radio frequency is being used.
  - 3. That other agencies are notified as necessary and appropriate.
- (d) The supervisor shall continuously review the incoming information to determine whether the pursuit should be continued or terminated.
- (e) The supervisor shall order a pursuit terminated after concluding danger to the pursuing peace officers or the public outweighs the need for the immediate apprehension of the suspect.
- (f) The supervisor may order a pursuit terminated if the suspect's identity is established to the point where later apprehension is likely and there is no immediate threat to public safety.
- (g) The supervisor should order a pursuit terminated whenever the weather, road, or traffic conditions substantially increase the danger to the public posed by the pursuit beyond the need for immediate apprehension.
- (h) The supervisor should order a pursuit terminated whenever the distance between the pursuing and fleeing vehicles is so great that further pursuit is futile.
- (i) In controlling the pursuit, the supervisor shall be responsible for the coordination of the pursuit as follows:
  - 1. Directing pursuit or support units into or out of the pursuit.
  - 2. The assignment of a Secondary Unit to the pursuit.
  - 3. The re-designation of Primary, Secondary, or other support units as necessary.
  - 4. The approval, disapproval, and coordination of pursuit tactics.
  - 5. The approval or disapproval to cross jurisdictional boundaries in the continuation of the pursuit.
  - 6. Ensure compliance with inter-jurisdictional pursuit agreements.
- (j) The supervisor may approve and assign additional backup or support units to assist the Primary and Secondary Units based upon their analysis of:
  - 1. The nature of the offense for which the pursuit was initiated.

2. The number of suspects and any known propensity for violence.
  3. The number of peace officers in the pursuit vehicles.
  4. Any damage or injuries to the assigned Primary or Secondary Units or peace officers.
  5. The number of peace officers necessary to safely make an arrest at the conclusion of the pursuit.
  6. Any other clear and articulable facts that would justify the increased hazards caused by adding more than the Primary and Secondary Units to a pursuit.
- (k) When the pursuit is terminated, the supervisor shall require that all participating agencies are notified, and respond to the scene to monitor the arrest and transportation procedures.
- (l) The supervisor shall require throughout the duration of the pursuit that this guideline is followed by all peace officers.

#### **307.4.1 SHIFT COMMANDER RESPONSIBILITY**

Upon becoming aware that a pursuit has been initiated, the Shift Commander should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Commander has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Shift Commander shall review all pertinent reports for content and and compliance with this policy. The Shift Commander shall forward a memorandum to the Commander summarizing this review.

#### **307.5 COMMUNICATIONS**

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or telecommunicator. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

#### **307.5.1 VILLAGE OF GURNEE COMMUNICATIONS CENTER RESPONSIBILITIES**

- (a) Upon notification that a pursuit has been initiated, Village of Gurnee Communications Center will:
1. Give priority to the Primary Unit.
  2. Notify other units of pursuit, including location, direction of travel, and vehicle description.
  3. Keep the channel clear.
  4. Notify the Shift Commander and/or patrol supervisor if feasible.
  5. Receive and record all incoming information on pursuit.

6. Keep Shift Commander and/or the patrol supervisor apprised of progress of pursuit.
  7. Request status when the pursuing peace officer fails to make frequent contact.
  8. Notify neighboring jurisdictions of the pursuit approaching their boundaries.
  9. Perform relevant records and motor vehicle checks.
  10. Coordinate and dispatch backup assistance under the direction of the supervisor.
- (b) Radio frequency management:
1. Pursuit communication will be handled on the frequency designated by the pursuing agency unless one or more of the following conditions exist:
    - (a) The pursuit has or may extend into other jurisdictions.
    - (b) The supervisor directs a switch to ISPERN.
  2. Upon using the ISPERN frequency, the Primary Unit shall conform to ISPERN guidelines.

#### **307.5.2 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspect(s). The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

#### **307.6 INTER-JURISDICTIONAL PURSUITS**

Officers involved in inter-jurisdictional pursuits are required to comply with their department's guidelines and inter-jurisdictional agreements. Only pursuit tactics permitted by this policy may be utilized by Zion Police Department officers, irrespective of what is requested by the other agency.

When a pursuit enters another agency's jurisdiction:

- (a) The primary unit will advise Village of Gurnee Communications Center that the pursuit is leaving this jurisdiction.
- (b) The controlling supervisor will decide whether to continue the pursuit based upon the totality of circumstances known.
- (c) As soon as practicable Village of Gurnee Communications Center will notify the involved jurisdiction.
- (d) If two units from the other agency are actively involved in the pursuit, Zion Police officers will not engage in the pursuit unless directed to do so by a supervisor.

#### **307.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Units originally involved will discontinue the pursuit when advised that another agency has assumed the pursuit and assistance of the Zion Police Department is no longer needed. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

### Policy Manual

#### *Vehicle Pursuits*

---

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies and ISP units, a request for ISP assistance will mean that they will assume responsibilities for the pursuit. For the same reasons, a request for assistance from the ISP should include confirmation that the ISP will relinquish control.

#### **307.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit.
- (b) Circumstances serious enough to continue the pursuit.
- (c) Adequate staffing to continue the pursuit.
- (d) The public's safety within this jurisdiction.
- (e) Safety of the pursuing peace officers.

As soon as practical, a supervisor or the Shift Commander should review a request for assistance from another agency. The Shift Commander or supervisor, after consideration of the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by officers of this department will terminate at the City limits provided that the pursuing peace officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to peace officers from the allied agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

#### **307.7 PURSUIT INTERVENTION**

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Police Immobilization Technique), ramming, heading off, or roadblock procedures.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Vehicle Pursuits*

---

##### 307.7.1 WHEN USE AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that officers act within the bounds of legality, good judgment and accepted practices.

##### 307.7.2 DEFINITIONS

**Boxing-in/Rolling Roadblock** - The surrounding of a suspect's moving vehicle with moving pursuit vehicles which are then slowed to a stop along with the suspect's vehicle. Boxing in/rolling roadblocks are mobile stop techniques.

**Heading Off** - An attempt to terminate a pursuit by pulling ahead of, behind or toward a suspect's moving vehicle to force it to the side of the road or to otherwise come to a stop. Heading off is a forcible stop technique.

**Roadblocks** - A restriction or obstruction used or intended for the purpose of preventing free passage of motor vehicles on a roadway in order to effect the apprehension of a suspect. This includes placement of vehicles as well as use of devices to disable a vehicle. A roadblock is a stationary stop technique.

**Spikes or Tack Strips** - A device that extends across the roadway designed to puncture the tires of the pursued vehicle.

**Vehicle Contact Action (Ramming, Police Immobilization Technique (PIT))** - Any action undertaken by the pursuing officer intended to result in contact between the moving police vehicle and the pursued vehicle. Vehicle contact actions are forcible stop techniques.

##### 307.7.3 USE OF FIREARMS/VEHICLE CONTACT ACTION

Officers involved in a pursuit shall not discharge any firearm from or at a moving vehicle, nor engage in any vehicle contact action except as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before discharging a weapon from or at a moving vehicle.

##### 307.7.4 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to peace officers, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers who have not received certified departmental training in the application and use of any intervention tactic or equipment shall

consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

Those tactics which reasonably may be construed to be a use of deadly force should be employed only as a last resort in which it reasonably appears necessary to prevent imminent death or serious bodily injury to a peace officer or another person where deadly force would otherwise be legally justified. Where feasible, an officer should obtain authorization from a supervisor before applying any tactic which may be reasonably foreseen to be a use of deadly force.

Intervention tactic application circumstances include:

- (a) Officers may use spikes or tack strips, a stationary stop technique, to terminate any pursuit so long as the technique is employed in a fashion that is not reasonably calculated to cause death or great bodily harm to persons in the pursued vehicle or others in the vicinity (e.g. the pursued vehicle has sufficient time and distance to stop before reaching the roadblock or the technology employed is designed to disable the vehicle without the loss of control). Where feasible, an officer should obtain authorization from a supervisor before implementing stationary stop techniques. Absent exigent circumstances, such techniques should not be employed by officers that have not been trained in application of the selected technique. Officers shall not use any other stationary stop technique to terminate any pursuit.
- (b) Officers shall not use mobile stop techniques (i.e. boxing-in, rolling roadblocks) to terminate any pursuit.
- (c) Officers shall not use forcible stop techniques (i.e. heading off, vehicle contact) to terminate any pursuit.

#### **307.7.5 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force, which reasonably appears necessary under the circumstances, to properly perform their lawful duties.

Unless relieved by a supervisor the primary officer should coordinate efforts to apprehend the suspect(s) following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

#### **307.8 REPORTING REQUIREMENTS**

Officers shall complete an appropriate report of the pursuit incident and assign a case reporting number to each pursuit incident. If involved in inter-jurisdictional pursuit, obtain an Illinois State Police Emergency Radio Network (ISPERN) number in addition to their own case reporting number.

- (a) Pursuit incidents will be investigated thoroughly. The acquisition of statements, photographs, drawings, preliminary medical reports and any other evidentiary items that are or could be relevant to the conduct of the pursuit incident should be completed.

- (b) A memorandum shall be completed by the Shift Commander briefly summarizing the pursuit to the Patrol Commander. This memo should minimally contain the following information:
  - 1. Date and time of pursuit.
  - 2. Length of pursuit.
  - 3. Involved units and officers.
  - 4. Initial reason for pursuit.
  - 5. Starting and termination points.
  - 6. Disposition: arrest, citation, etc. Arrestee information should be provided if applicable.

  - 9. Name of supervisor at scene.
  - 10. A preliminary determination that the pursuit appears to be in compliance with this policy or additional review and/or follow up is warranted.
- (c) The "Pursuit Driving Report" shall be completed. The "Pursuit Driving Report" should be submitted through the chain of command for internal evaluation and review to determine:
  - 1. Guideline compliance.
  - 2. Operational needs.
  - 3. Future training needs.
- (d) The "Pursuit Driving Report" will be submitted to the Illinois Law Enforcement Training Standards Board, 600 South Second Street, Suite 300, Springfield, Illinois 62704, by each agency involved in a pursuit.

#### **307.8.1 REGULAR AND PERIODIC PURSUIT TRAINING**

All sworn members of this department will participate no less than annually in regular and periodic department training addressing this policy and the importance of vehicle safety and protecting the public at all times, including a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

#### **307.8.2 POLICY REVIEW**

All department officers shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

#### **307.9 APPLICATION OF VEHICLE PURSUIT POLICY**

This policy has been created with input from the Illinois Law Enforcement Training Standards Board; Police Pursuit Guidelines (revised March, 2004), in accordance with 50 ILCS 705/7.5.

## Officer Response to Calls

### 308.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

### 308.2 RESPONSE TO CALLS

Officers responding using emergency lights and siren shall continuously operate emergency lighting equipment, and shall sound the siren as reasonably necessary.

The driver of an authorized emergency vehicle may (625 ILCS 5/11-205):

- (a) Park or stand, irrespective of the provisions of the Illinois Vehicle Code (625 ILCS).
- (b) Proceed past a red or stop signal or stop sign, but only after slowing down as may be required and necessary for safe operation.
- (c) Exceed the maximum speed limits so long as he/she does not endanger life or property.
- (d) Disregard regulations governing direction of movement or turning in specified directions.

The driver of an authorized emergency vehicle is not relieved from the duty of driving with due regard for the safety of all persons, nor do such provisions protect the driver from the consequences of his/her reckless disregard for the safety of others (625 ILCS 5/11-205(e)).

Officers should only respond using emergency lights and siren when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond using emergency lights and siren shall observe all traffic laws and proceed without the use of emergency lights and siren.

Officers are authorized to discontinue the operation of emergency lighting equipment and/or siren when it is reasonably necessary for officer safety. Such as to not alert a potential suspect to their arrival and/or location. This authorization only applies when the officer is approaching the immediate location of the incident or suspect. This authorization does not relieve the officer from driving with due regard for the safety of all persons.

### 308.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify Village of Gurnee Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number

#### *Officer Response to Calls*

---

- The location
- The reason for the request and type of emergency
- The number of units required

#### **308.4 RESPONSIBILITIES OF RESPONDING OFFICER(S)**

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue an emergency response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify Village of Gurnee Communications Center. An officer shall also discontinue the emergency response when directed by a supervisor.

Upon receiving authorization or determining an emergency response is appropriate, an officer shall immediately give the location from which he/she is responding.

#### **308.5 COMMUNICATIONS RESPONSIBILITIES**

A telecommunicator shall assign an emergency response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. The telecommunicator shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance.
- (b) Immediately notify the Shift Commander.
- (c) Confirm the location from which the unit is responding.
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance).
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated.
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Commander or field supervisor.

#### **308.6 SUPERVISORY RESPONSIBILITIES**

Upon being notified that an emergency response has been initiated, the Shift Commander or the field supervisor shall monitor the response to ensure:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practical.

---

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize an emergency response, the Shift Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

#### **308.7 FAILURE OF EMERGENCY EQUIPMENT**

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency response and respond accordingly. In all cases, the officer shall notify the Shift Commander, field supervisor, or Village of Gurnee Communications Center of the equipment failure so that another unit may be assigned to the emergency response.

# Canines

## **309.1 PURPOSE AND SCOPE**

This policy establishes guidelines for the use of canines to augment law enforcement services to the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

## **309.2 POLICY**

It is the policy of the Zion Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

## **309.3 ASSIGNMENT**

Canine teams will be assigned to regular patrol duties. However, they may be assigned by the Shift Commander to other functions, such as assist or cover assignments, based on the current operational needs.

## **309.4 CANINE COORDINATOR**

The lead canine handler shall function as the canine coordinator for the department.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
  - 1. Ensure all department vehicles used to transport canines are equipped with a heat sensor monitoring device that meets the requirements of 510 ILCS 83/15.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

## **309.5 REQUESTS FOR CANINE TEAMS**

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Division shall be reviewed by the Shift Commander.

##### **309.5.1 OUTSIDE AGENCY REQUEST**

All requests for canine assistance from outside agencies must be approved by the Shift Commander and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

##### **309.5.2 PUBLIC DEMONSTRATION**

All public requests for a canine team shall be reviewed and, if appropriate, approved by the Deputy Chief prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the Deputy Chief.

#### **309.6 APPREHENSION GUIDELINES**

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Commander. Absent a change in circumstances that presents an imminent threat to officers, the canine, or the public, such canine use should

be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

#### 309.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

#### 309.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Canines*

---

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

#### **309.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES**

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by Emergency Medical Services (EMS) personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the Patrol Commander, Deputy Chief and Chief of Police. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements (510 ILCS 5/13(b)). The canine shall be under observation for 10 days following any bite. The observation shall consist of the canine being locked in a kennel, performing its official duties in a law enforcement vehicle or remaining under the constant supervision of its handler.

#### **309.7 NON-APPREHENSION GUIDELINES**

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an immediate threat to officers, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

#### **309.7.1 ARTICLE DETECTION**

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

#### **309.7.2 NARCOTICS DETECTION**

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

#### **309.8 HANDLER SELECTION**

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in a single-family residence.
- (c) Off street parking for the canine vehicle.
- (d) Living within 30 minutes travel time from the Zion City limits
- (e) Agreeing to be assigned to the position for a minimum of five years.

#### **309.9 HANDLER RESPONSIBILITIES**

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

#### **309.12 TRAINING**

Before assignment in the field, each narcotic detection canine team shall be trained and certified to meet current requirements established by the Illinois Law Enforcement Training and Standards Board (ILETSB) (50 ILCS 705/10.12). Cross-trained canine teams or those canine teams trained exclusively for the detection of explosives also should be trained and certified to meet current nationally recognized standards or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members to familiarize them with how to conduct themselves in the presence of department canines. The canine coordinator shall also be responsible for scheduling periodic training for all canine handlers in the recognition and treatment of a canine's exposure to dangerous substances such as opioids.

All canine training should be conducted while on-duty unless otherwise approved by the Patrol Commander or Deputy Chief.

##### **309.12.1 CONTINUED TRAINING**

Each canine team shall thereafter be recertified to a current nationally recognized standard or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Zion Police Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the Training Manager.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this department.

##### **309.12.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING**

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved.

##### **309.12.5 CONTROLLED SUBSTANCE TRAINING AIDS**

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (21 USC § 823(f); 720 ILCS 570/302).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Zion Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

##### **309.12.6 CONTROLLED SUBSTANCE PROCEDURES**

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the Patrol Commander with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The Patrol Commander shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Evidence Room or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

the Chief of Police should offer the canine to another employee of the Zion Police Department, or to a nonprofit organization or no-kill shelter that may facilitate the dog's adoption (510 ILCS 82/5).

# Domestic Violence

## 310.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

### 310.1.1 DEFINITIONS

Definitions related to this policy include:

**Court order** - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

## 310.2 POLICY

The Zion Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

## 310.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

## 310.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Detective Bureau in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence (725 ILCS 5/112A-30).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred (725 ILCS 5/112A-30). Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

#### **310.4.1 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Domestic Violence*

---

- (b) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **310.4.2 IF NO ARREST IS MADE**

If no arrest is made:

- (a) The officer should advise the parties of any options, including but not limited to:
  - 1. Voluntary separation of the parties.
  - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) The officer shall document the resolution in a report or computer aided dispatch (CAD) notes. The supervisor shall review and approve the means of documentation.

#### **310.4.3 ELECTRONIC SURVEILLANCE ALERTS**

Certain individuals released after a violation of an order of protection may be subject to electronic surveillance by GPS as a condition of release, probation, or conditional discharge (725 ILCS 5/110-5; 730 ILCS 5/5-8A-7).

Upon being dispatched in response to an electronic surveillance alert, officers should make a reasonable attempt to locate the domestic violence victim who is being protected and assist in providing for the victim's safety. A reasonable attempt to locate the offender should also be made.

If the offender is located within a prohibited location of the victim, an officer should consider whether an arrest for a violation of the conditional discharge, bail, supervision, or order of protection is appropriate.

Each response to an electronic surveillance alert shall be documented in an incident or arrest report.

#### **310.5 VICTIM ASSISTANCE**

Victims may be traumatized or confused. Officers should (725 ILCS 5/112A-30):

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters, and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.

- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

#### **310.6 DISPATCH ASSISTANCE**

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

#### **310.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### **310.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

#### **310.9 LEGAL MANDATES AND RELEVANT LAWS**

Illinois law provides for the following:

##### 310.9.1 STANDARDS FOR ARRESTS

- (a) Whenever an officer has reason to believe that a person has been the victim of domestic abuse, the officer shall immediately use all reasonable means to prevent further abuse including arresting the abusing, neglecting and exploiting party, where appropriate (725 ILCS 5/112A-30).
- (b) Officers investigating reports of domestic violence should consider the appropriate charges, including Domestic Battery, Aggravated Domestic Battery and Interfering with the Reporting of Domestic Violence (720 ILCS 5/12-3.2; 720 ILCS 5/12-3.3; 720 ILCS 5/12-3.5).
- (c) Officers investigating a domestic violence incident, who encounter an individual on bail or bond for a domestic violence arrest, should attempt to determine if there are reasonable grounds to believe that the individual is violating a condition or bond or bail by making contact or communicating with the victim, or by entering or remaining at the victim's residence within 72 hours following the defendant's release (725 ILCS 5/110-10(d)).

##### 310.9.2 REPORTS AND RECORDS

The Zion Police Department is required to record, compile and report to the Illinois State Police information regarding domestic crimes.

- (a) Officers shall include in their reports the victim's statements as to the frequency and severity of prior incidents of domestic violence by the person and the number of prior calls for law enforcement assistance to prevent domestic violence (750 ILCS 60/303; 725 ILCS 5/112A-29).
- (b) Reports must also include information regarding the victim, suspect, date and time of the incident, any injury inflicted, any weapons involved, and the relationship between the victim and the suspect so that Records is provided with enough information to meet the reporting requirements of 50 ILCS 709/5-12.

##### 310.9.3 SPECIFIC VICTIM ISSUES

Officers should:

- (a) Provide or arrange for accessible transportation for the victim (and, at the victim's request, any minors or dependents in the victim's care) to a medical facility for treatment of injuries or to a nearby place of shelter or safety (750 ILCS 60/304).
- (b) Provide the victim with one referral to an accessible service agency (750 ILCS 60/304).

##### 310.9.4 COURT ORDER RELATED TO PEACE OFFICERS

If the respondent in an order of protection is a peace officer, the investigating officer shall determine if the order prohibits the peace officer from possessing any firearms or a FOID card during the duration of the order (725 ILCS 5/112A-14(b)(14.5)).

If the respondent officer is employed by the Zion Police Department, the investigating officer shall take any necessary enforcement actions, promptly submit the appropriate report, and notify the Chief of Police of the incident through the chain of command.

---

If the respondent officer is not a member of the Zion Police Department, the investigating officer shall promptly notify the investigating officer's supervisor. The supervisor shall ensure prompt notification to the respondent officer's department.

#### **310.9.5 SERVICE OF COURT ORDERS**

A summons, along with the petition for protective order, supporting affidavits, if any, and any ex parte protective order that has been issued, shall be served at the earliest time possible and take precedence over service of other summonses, except those of a similar emergency nature (725 ILCS 5/112A-5.5; 725 ILCS 5/112A-17.5).

Before serving an order of protection, the serving officer should conduct an inquiry to determine whether the respondent has been issued a concealed carry license (CCL) or a Firearm Owner's Identification (FOID) card. If the respondent is found to be in possession of a CCL, the officer shall seize the CCL and forward the notification of the order and license to the Illinois State Police within seven days of the date the order was served (430 ILCS 66/70). If the respondent is found to be in possession of a FOID card, then the officer should instruct the respondent if the order of protection requires compliance with section 9.5 of the FOID Card Act (725 ILCS 5/112A-14; 430 ILCS 65/9.5).

If the Zion Police Department receives a copy of an ex parte protective order issued to a person who is in custody, an officer shall make reasonable efforts to serve the protective order or a short form notification on the person before the person is released from custody (725 ILCS 5/112A-22).

- (b) Members should take reasonable steps to prevent any further workplace violence, including making an arrest where appropriate.

# Search and Seizure

## 312.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Zion Police Department personnel to consider when dealing with search and seizure issues.

## 312.2 POLICY

It is the policy of the Zion Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

## 312.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be permissible. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with the subject's clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

#### **312.4 SEARCH PROTOCOL**

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  1. Another officer or a supervisor should witness the search.
  2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

#### **312.5 DOCUMENTATION**

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 313.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Zion Police Department (34 USC § 11133).

#### 313.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) or a juvenile who has violated 720 ILCS 5/24-3.1 by possessing a handgun (28 CFR 31.303; 705 ILCS 405/5-105).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other [department/office] member at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Safety checks** - Direct visual observation by a member of this [department/office] performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.

#### *Temporary Custody of Juveniles*

---

- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession or tobacco, curfew violation, or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

### **313.2 POLICY**

The Zion Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Zion Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

#### **313.2.1 ADDITIONAL CONSIDERATIONS**

It is also the policy of the [Department/Office] that all members be committed to the development and perpetuation of programs designed to prevent and control juvenile delinquency.

### **313.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit certain behaviors or conditions should not be held at the Zion Police Department. These include:

- (a) Unconsciousness or having been unconscious while being taken into custody or transported.
- (b) Serious injuries or a medical condition requiring immediate medical attention.
- (c) A suspected suicide risk or obvious signs of severe emotional or mental disturbance (see the Civil Commitments Policy).
  - 1. If the officer taking custody of a juvenile believes that the juvenile may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release, or transfer to an appropriate facility is completed.
- (d) Significant intoxication or showing signs of having ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (e) Extremely violent or continuously violent behavior
- (f) Afflicted with, or displaying symptoms of, a communicable disease that poses an unreasonable exposure risk.

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and should notify a supervisor of the situation.

#### *Temporary Custody of Juveniles*

---

These juveniles should not be held at the [Department/Office] unless they have been evaluated by a qualified medical or mental health professional, as appropriate for the circumstances.

#### **313.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the [Department/Office] when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

No juvenile should be held in temporary custody at the Zion Police Department without authorization of the arresting officer's supervisor or the Shift Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent, legal guardian, or other responsible adult, or transferred to a juvenile custody facility, or to other authority as soon as practicable, and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the Zion Police Department (34 USC § 11133; 20 Ill. Adm. Code 720.30).

##### **313.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Zion Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133; 705 ILCS 405/5-410; 705 ILCS 405/2-6).

A juvenile taken into protective custody for prostitution should be reported to the Illinois Department of Children and Family Services (720 ILCS 5/11-14).

##### **313.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS**

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

##### **313.4.3 CUSTODY OF JUVENILE OFFENDERS**

Juvenile offenders should be held in non-secure custody while at the Zion Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when (705 ILCS 405/5-401):

- (a) Probable cause exists to believe he/she has violated, or attempted to violate, a law or ordinance.
- (b) The juvenile has been adjudged a ward of the court and has escaped from any commitment ordered by the court.

- (c) An officer reasonably believes the juvenile has violated court-ordered conditions of probation or supervision.

The officer shall promptly take the juvenile to the nearest juvenile police officer (705 ILCS 405/2-6; 705 ILCS 405/3-8).

The officer shall submit a completed report to the Shift Commander.

#### **313.4.4 ALTERNATIVES TO TEMPORARY CUSTODY**

Officers handling juvenile offenders should use reasonable alternatives to arrest, when applicable, including:

- (a) Release with no further action. Officers should use discretion to determine if release with a warning is appropriate for minor petty offenses.
- (b) Referral to juvenile court.

#### **313.5 ADVISEMENTS**

An officer who takes a juvenile into custody without a warrant shall immediately make a reasonable attempt to notify the parent, guardian or the person with whom the juvenile resides that the juvenile has been taken into custody and where the juvenile is being held (705 ILCS 405/2-6).

#### **313.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including (705 ILCS 405/5-410):

- (a) Identifying information about the juvenile being held.
- (b) Date and time of arrival and release from the Zion Police Department.
- (c) Agency incident number.
- (d) Reporting officer.
- (e) Shift Commander notification and approval to temporarily hold the juvenile.

- (g) Any changes in status. (e.g., emergency situations, unusual incidents).
- (h) Time of all welfare checks.
- (i) Any medical and other screening requested and completed.
- (j) Circumstances that justify any secure custody.
- (k) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.
- (l) Disposition (i.e. citation, referral, transfer).
- (m) Individual or agency juvenile was released to.

#### *Temporary Custody of Juveniles*

---

The Shift Commander shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

#### **313.7 NO-CONTACT REQUIREMENTS**

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Zion Police Department (34 USC § 11133; 705 ILCS 405/5-410). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the [Department/Office] shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

#### **313.8 TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the Zion Police Department shall ensure:

- (a) The Shift Commander is notified if it is anticipated that a juvenile may need to remain at the [Department/Office] more than four hours. This will enable the Shift Commander to ensure no juvenile is held at the [Department/Office] more than six hours.
- (b) Safety checks and significant incidents/activities are noted on the log.
- (c) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.
  - 1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.
  - 2. This does not apply to surreptitious and legally obtained recorded interrogations.
- (d) A member of the same sex will supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (e) There is reasonable access to toilets and wash basins.
- (f) There is reasonable access to a drinking fountain or water.
- (g) Food is provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (h) There are reasonable opportunities to stand and stretch, particularly if handcuffed or otherwise restrained.
- (i) There is privacy during family, guardian, and/or attorney visits.
- (j) Juveniles are generally permitted to remain in their personal clothing unless it is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Clean blankets are provided as reasonably necessary to ensure the comfort of the individual.

1. The supervisor should ensure that there is an adequate supply of clean blankets.
- (l) Adequate shelter, heat, light, and ventilation are provided without compromising security or enabling escape.
- (m) Adequate furnishings are available, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in temporary custody (see the Temporary Custody of Adults Policy).
- (o) Discipline is not administered to any juvenile, nor will juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

#### **313.9 USE OF RESTRAINT DEVICES**

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Zion Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

##### **313.9.1 PREGNANT JUVENILES**

Juveniles who are known to be pregnant should be restrained in accordance with the Handcuffing and Restraints Policy.

#### **313.10 PERSONAL PROPERTY**

The personal property of a juvenile shall be processed in the same manner as an adult in temporary custody (see the Temporary Custody of Adults Policy).

#### **313.11 SECURE CUSTODY**

Only juvenile offenders 10 years of age or older may be placed in secure custody (705 ILCS 405/5-410). Shift Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody, rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Temporary Custody of Juveniles*

---

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

##### **313.11.1 LOCKED ENCLOSURES**

A thorough inspection of the area shall be conducted before placing a juvenile into the locked enclosure to ensure there are no weapons or contraband and that the area is clean and sanitary. An inspection should be conducted when the juvenile is released. Any damage noted to the area should be photographed and documented.

The following requirements shall apply:

- (a) Anything that could create a security or suicide risk, such as contraband, hazardous items, belts, shoes or shoelaces, and jackets, shall be removed.
- (b) The juvenile shall constantly be monitored by an audio/video system during the entire temporary custody.
- (c) The juveniles shall have constant auditory access to [department/office] members.
- (d) The juvenile's initial placement into and removal from a locked enclosure shall be logged.
- (e) Unscheduled safety checks by [department/office] members shall occur no less than every 15 minutes.
  - 1. All safety checks shall be logged.
  - 2. The safety check should involve questioning the juvenile as to the juvenile's well-being.
  - 3. Juveniles who are sleeping or apparently sleeping should be awakened.
  - 4. Requests or concerns of the juvenile should be logged.
- (f) Males and females shall not be placed in the same locked room.
- (g) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).
- (h) Restrained juveniles shall not be placed in a cell or room with unrestrained juveniles.

##### **313.12 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY**

The Patrol Commander will ensure procedures are in place to address the suicide attempt, death, or serious injury of any juvenile held at the Zion Police Department. The procedures should include the following:

- (a) Immediate request for emergency medical assistance if appropriate
- (b) Immediate notification of the Shift Commander, the Chief of Police, and the Criminal Investigations Commander
- (c) Notification of the parent, guardian, or person standing in loco parentis of the juvenile
- (d) Notification of the appropriate prosecutor

- (i) Reporting to the Office of Jail and Detention Standards (20 Ill. Adm. Code 720.130)

#### **313.13 INTERVIEWING OR INTERROGATING**

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

A juvenile under 15 years of age at the time of the commission of any of the offenses listed in 705 ILCS 405/5-170 (e.g., homicide, criminal sexual assault, criminal sexual abuse) must be represented by legal counsel during the entire custodial interrogation of the juvenile.

Oral, written, or sign-language statements of a juvenile under the age of 18 who is subject to custodial interrogation while in custody at a police station or other custodial location are governed by the Investigation and Prosecution Policy (705 ILCS 405/5-401.5).

A juvenile who was under the age of 18 at the time of the commission of the offense should be read the simplified *Miranda* warning and asked the following questions as set forth in 705 ILCS 405/5-401.5 and 725 ILCS 5/103-2.1:

- (a) Do you want to have a lawyer?
- (b) Do you want to talk to me?

##### **313.13.1 INVESTIGATIONS ON SCHOOL PROPERTY**

Before detaining and questioning a juvenile student during regular hours on school grounds, an officer should make a reasonable effort to notify and have the juvenile's parent or guardian present during questioning unless the officer reasonably believes that urgent and immediate action is necessary to do any of the following (105 ILCS 5/22-88):

- (a) Prevent bodily harm or injury to a person
- (b) Apprehend an armed or fleeing suspect
- (c) Prevent the destruction of evidence
- (d) Address an emergency or other dangerous situation

In the event exigent questioning of a juvenile is deemed necessary and no parent, guardian or legal counsel is present, an officer should still attempt to have a guidance counselor, nurse, social worker, and/or mental health professional of the school present as an advocate for the juvenile.

The officer should document the time and manner by which the attempted notification or notification of the juvenile's parent or guardian was made.

If the juvenile's parent or guardian is not in attendance during questioning, the officer should have a guidance counselor, nurse, social worker, and/or mental health professional of the school present.

If practicable, an officer trained or certified in juvenile investigations should be present or conduct the questioning of the juvenile (105 ILCS 5/22-88).

#### **313.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING**

Juveniles over the age of 10 will be fingerprinted and photographed on all offenses that would be a felony if committed by an adult and serious traffic-related offenses as described in 20 ILCS 2630/5. Fingerprints and photographs may be obtained from juveniles for all other offenses (705 ILCS 405/1-7(B)).

Fingerprints, photographs, and other required information of juveniles will be transmitted to the Department of State Police as described in 705 ILCS 405/1-7(B) and 20 ILCS 2630/5.

No student booking station shall be established or maintained on the grounds of any school (105 ILCS 5/10–20.64; 105 ILCS 5/34–18.57).

#### **313.15 RELIGIOUS ACCOMMODATION**

Juveniles have the right to the same religious accommodation as adults in temporary custody (see the Temporary Custody of Adults Policy).

#### **313.16 TRAINING**

[Department/Office] members should be trained on and familiar with this policy and any supplemental procedures.

## Adult Abuse

### 314.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Zion Police Department members as required by law.

#### 314.1.1 DEFINITIONS

Definitions related to this policy include:

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency.

### 314.2 POLICY

The Zion Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

### 314.3 MANDATORY NOTIFICATION

- (a) Within 24 hours members of the Zion Police Department shall notify the Illinois Department on Aging or other designated social services agency when:
  - 1. There is reason to believe that an eligible adult, who because of a disability or other condition or impairment, is unable to seek assistance for him/herself, and;
  - 2. Has, within the previous 12 months, been subjected to abuse, neglect or financial exploitation (320 ILCS 20/4).
- (b) For purpose of this notification, an eligible adult means either:
  - 1. An adult whose disability impairs his/her ability to seek or to obtain protection from abuse, neglect or exploitation, and is 18 through 59 years old.
  - 2. A person 60 years of age or older who resides in a domestic living situation.
- (c) Incidents of alleged abuse shall continue to be reported pursuant to the Illinois Domestic Violence Act (320 ILCS 20/4).
- (d) The Zion Police Department shall also notify the Department on Aging whenever it determines a death of an eligible adult was caused by abuse or neglect by a caregiver (320 ILCS 20/3).

### 314.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Adult Abuse*

---

- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (320 ILCS 20/3).

#### **314.5 INVESTIGATIONS AND REPORTING**

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (j) Whether a protective order petition should be filed on behalf of the victim when there is a reasonable belief that the victim is incapable of filing a petition for him/herself (750 ILCS 60/201).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

#### *Adult Abuse*

---

### **314.6 PROTECTIVE CUSTODY**

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact the Illinois Department on Aging or other designated social services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to the Illinois Department on Aging or other designated social services agency.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

### **314.7 INTERVIEWS**

#### **314.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

#### **314.7.2 DETAINING VICTIMS FOR INTERVIEWS**

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
  - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.

# Zion Police Department

#### *Adult Abuse*

---

- (b) A court order or warrant has been issued.

#### **314.8 MEDICAL EXAMINATIONS**

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

#### **314.9 DRUG-ENDANGERED VICTIMS**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

##### **314.9.1 SUPERVISOR RESPONSIBILITIES**

The Detective Bureau Commanders should:

- (a) Work with professionals from the appropriate agencies, including Illinois Department on Aging or other social services agency designated to investigate adult abuse, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Detective Bureau supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

##### **314.9.2 OFFICER RESPONSIBILITIES**

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives there should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Detective Bureau Commander so an interagency response can begin.

- (b) Retaining the original adult abuse report with the initial case file.

##### **314.10.2 RELEASE OF REPORTS**

Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Management and Release Policy (320 ILCS 20/8).

##### **314.10.3 SUMMARY REPORTS OF DEATH INVESTIGATIONS**

#### **314.11 TRAINING**

This department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.
- (f) Availability of victim advocates or other support.

# Discriminatory Harassment

## 315.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

## 315.2 POLICY

The Zion Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against members in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

## 315.3 DISCRIMINATION PROHIBITED

### 315.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law (775 ILCS 5/1-103; 775 ILCS 5/2-102; 820 ILCS 180/30).

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

### 315.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination,

participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated (820 ILCS 180/20; 820 ILCS 180/30).

#### **315.3.3 SEXUAL HARASSMENT**

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment (775 ILCS 5/2–102). It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

#### **315.3.4 ADDITIONAL CONSIDERATIONS**

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission and Illinois Department of Human Rights guidelines.

Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher ranking supervisor or manager. Complaints may also be filed with the Chief of Police or the City Administrator. If the City Administrator is the source of the alleged harassment, members may file a complaint with the Commissioner of Public Safety or the Mayor.

Any member who believes, in good faith, that he/she has been discriminated against, harassed, subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Supervisors and managers receiving information regarding alleged violation of this policy shall forward a written report to the Deputy Chief.

#### 315.4.1 SUPERVISOR RESPONSIBILITIES

- (a) Continually monitoring the work environment and striving to ensure that it is free from all types of unlawful discrimination, including sexual harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment, or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.

### **315.5 INVESTIGATION OF COMPLAINTS**

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination or harassment shall be fully documented, and promptly and thoroughly investigated.

#### **315.5.1 MEMBER RESOLUTION**

Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable, threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

#### **315.5.2 FORMAL INVESTIGATION**

A formal investigation of all workplace harassment complaints will be conducted by the Deputy Chief.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but not be limited to, details of the specific incident, frequency and dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, City Clerk or the Mayor.

#### **315.5.3 ALTERNATIVE COMPLAINT PROCESS**

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

### **315.6 NOTIFICATION OF DISPOSITION**

The complainant and/or victim will be notified in writing of the disposition of the investigation and the action taken to remedy or address the circumstances giving rise to the complaint.

Members with questions regarding what constitutes discrimination, sexual harassment or retaliation are encouraged to contact a supervisor, manager, the Chief of Police, Human Resources Director, City Clerk or the City Administrator for further information, direction or clarification.

Members will be provided with a Workplace Harassment Questionnaire as a part of their annual performance review. The questionnaire will ask members if they:

# Child Abuse

## 316.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Zion Police Department members are required to notify the Illinois Department of Children and Family Services (DCFS) of suspected child abuse.

### 316.1.1 DEFINITIONS

Definitions related to this policy include:

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency (325 ILCS 5/3).

## 316.2 POLICY

The Zion Police Department will investigate all reported incidents of alleged criminal child abuse and ensure DCFS is notified as required by law.

## 316.3 MANDATORY NOTIFICATION

Members of the Zion Police Department shall notify DCFS when they have reasonable cause to believe a child known to them in their official capacity was abused by a parent, immediate family member, any person responsible for the child's welfare, any individual residing in the same home as the child or a paramour of the child's parent. Members must also report any case of a neglected child (325 ILCS 5/4; 325 ILCS 5/3).

For purposes of notification, abuse includes physical injuries, risk of physical injuries, sex offenses, torture, excessive corporal punishment, female genital mutilation, etc. Neglect includes failure to provide necessary nourishment or medical care or blatant disregard of parent or caretaker responsibilities. Full definitions of abuse and neglect are provided in 325 ILCS 5/3.

### 316.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (325 ILCS 5/7):

- (a) All notifications of suspected child abuse or neglect shall be made immediately, either to DCFS on the statewide, toll-free telephone number, in person or by telephone through the nearest DCFS office (325 ILCS 5/7.6; 89 Ill. Adm. Code 300.30).
- (b) Notification, when possible, shall include:
  - 1. The name and address of the child and his/her parents or other persons having custody.
  - 2. The child's age, the nature of the child's condition, including any evidence of previous injuries or disabilities.

3. Any other information that the person filing the report believes might be helpful in establishing the cause of abuse or neglect and the identity of the person believed to have caused such abuse or neglect.
- (c) A member who suspects that a child has died as a result of child abuse or neglect shall also immediately report his/her suspicion to the appropriate Coroner (325 ILCS 5/4.1).

#### **316.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

#### **316.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.

### Policy Manual

#### *Child Abuse*

---

- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (k) Other investigative steps taken in compliance with any applicable county Child Advocacy Advisory Board protocol the Zion Police Department follows (55 ILCS 80/3).

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

#### **316.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact DCFS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to DCFS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (325 ILCS 5/5):

- (a) A court has ordered the removal of the child.
- (b) A court has not ordered the removal of the child but there is reason to believe the child cannot be cared for at home or in the custody of the person responsible for the child's welfare without endangering the child's health or safety, and there is no time to apply for a court order for temporary custody of the child.

##### **316.6.1 PROCEDURE**

A department member taking a child into temporary protective custody shall immediately (325 ILCS 5/5):

- (a) Make every reasonable effort to notify the person responsible for the child's welfare.
- (b) Notify DCFS.

See the Abandoned Newborn Infant Protection Policy for guidance regarding the Abandoned Newborn Infant Protection Act (325 ILCS 2/10 et seq.).

### **316.7 INTERVIEWS**

#### **316.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### **316.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

### **316.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

### **316.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

##### **316.9.2 OFFICER RESPONSIBILITIES**

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.

##### **316.10.2 CHILD ADVOCACY ADVISORY BOARD PROTOCOL**

This department has adopted the Illinois Child Advocacy Advisory Board's protocol governing the investigation of child maltreatment including sexual abuse, physical abuse, exploitation and neglect of a child.

All investigations and interviews conducted by this department shall comply with this protocol, with the procedures to be used in investigating and prosecuting cases arising from alleged child maltreatment and in coordinating treatment referrals for the child and his/her family (55 ILCS 80/3).

##### **316.10.3 ACKNOWLEDGEMENT OF REPORTING RESPONSIBILITY**

The Deputy Chief shall ensure that members of this department who are directly involved in the enforcement of the law sign statements acknowledging that they are mandated to notify DCFS of suspected child abuse and neglect. The statement shall be on a form prescribed by DCFS. It shall be signed before beginning employment and shall be retained by this agency as a permanent part of the personnel record (325 ILCS 5/4).

#### **317.2 POLICY**

The Zion Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. #### **317.3 ACCEPTANCE OF REPORTS**

This can be accomplished by accepting the report via telephone or in person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

This includes records of all keystrokes or Web-browsing history made at any department computer or over any department network. The fact that access to a database, service or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices or networks.

The Department shall not request, require or coerce a member to provide a username, password or other related account information, or require or coerce a member to invite other members to join

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. When a member appears in court on his/her off-duty time, he/she will be compensated in accordance with any current collective bargaining agreement or City personnel rules.

##### **325.8 BRANCH COURT ATTENDANCE**

Members shall attend Branch Court when scheduled regardless of whether the scheduled Branch Court falls on a work day or a regularly scheduled day off.

Supervisors may order on-duty members to not attend Branch Court due to staffing levels and/or call volume. The supervisor shall notify the Patrol Commander.

## Outside Agency Assistance

### 326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

### 326.2 POLICY

It is the policy of the Zion Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

### 326.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Commander's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Commander may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

#### 326.3.1 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the Zion Police Department shall notify his/her supervisor or the Shift Commander and Village of Gurnee Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

### 326.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

#### **326.5 REPORTING REQUIREMENTS**

Incidents of outside assistance or law enforcement activities that are not documented in a crime report shall be documented in either a calls for service or a general case report or as directed by the Shift Commander.

## Registered Offender Information

### 327.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Zion Police Department will address issues associated with certain offenders residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered offenders.

### 327.2 POLICY

It is the policy of the Zion Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

### 327.3 REGISTRATION

The Detective Bureau Supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Illinois State Police (ISP) and to the Illinois Attorney General (730 ILCS 150/3(a-10); 730 ILCS 150/8; 730 ILCS 154/45).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

### 327.4 CONTENTS OF REGISTRATION

The Shift Commander shall assign an officer to reasonably accommodate registration. The assigned officer will (730 ILCS 150/3; 730 ILCS 150/8; 730 ILCS 154/45):

- (a) Obtain proof of identity and residency.
- (b) Conduct a criminal history check.
- (c) Utilize the appropriate ISP Offender Registration Form to process registration and obtain the offender's signature on the completed form.
- (d) Photograph and fingerprint the individual.
- (e) Collect the appropriate fee and provide the offender with a registration receipt.
- (f) Ensure registration information is entered into Law Enforcement Agencies Database System (LEADS) by Zion Police Department or Village of Gurnee Communications personnel.

#### *Registered Offender Information*

---

##### **327.5 MONITORING OF REGISTERED OFFENDERS**

The Detective Bureau Supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
- (b) Review of information on the ISP website.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the assigned Detective Bureau detective.

The Detective Bureau Supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Zion Police Department personnel, including timely updates regarding new or relocated registrants.

##### **327.6 DISSEMINATION OF OFFENDER INFORMATION**

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on registrants should be directed to the [Illinois Sex Offender Information website](#) or the Zion Police Department's website.

Records personnel may release local registered offender information to residents in accordance with applicable state law and in compliance with a Freedom of Information Act request (730 ILCS 152/120; 730 ILCS 154/95).

##### **327.6.1 RELEASE NOTIFICATIONS**

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.

##### 327.6.2 MANDATORY OFFENDER INFORMATION DISSEMINATION

Information on registered offenders shall be posted at department headquarters (730 ILCS 152/120; 730 ILCS 154/95) and must be made available for public inspection to any person, no later than 72 hours or three business days from the date of a request (730 ILCS 152/120; 730 ILCS 154/95).

Upon registration of a juvenile sex offender who is also enrolled in school, the department shall provide a copy of the sex offender registration form only to the principal or chief administrative officer of the school and any counselor designated by the chief administrative officer (730 ILCS 152/121).

##### 327.6.3 OFFENDER INFORMATION AVAILABLE VIA THE INTERNET

Information that may be posted on the department's website regarding registered offenders includes (730 ILCS 152/120; 730 ILCS 154/95):

- (e) For sex offenders, the following additional information may be posted on the department's website: adjudication as a sexually dangerous person, email addresses, instant messaging identities, chat room identities, and other internet communications identities, all Uniform Resource Locators (URLs) registered or used by the sex offender, and all blogs and other internet sites maintained by the sex offender or to which the sex offender has uploaded any content or posted any messages or information.

# Major Incident Notification

## 328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

## 328.2 POLICY

The Zion Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

## 328.3 INCIDENTS REQUIRING PROMPT NOTIFICATION

The Chief of Police and the affected Commander shall be promptly notified of the following incident types:

- Homicides or suspicious deaths
- Fatal traffic accidents
- Officer-involved shooting - on or off duty (see the Officer-Involved Shootings and Deaths Policy for special notifications)
- Significant injury or death to employee - on or off duty
- Death of a prominent Zion official
- Arrest of City employee or prominent Zion official
- Disaster situations
- Hostage situations
- Significant injury or death to a person as a result of an employee's act or use of force or in the custody of the department

## 328.4 DEPUTY CHIEF NOTIFICATION

The Deputy Chief shall be notified by the Commander of any other unit (i.e. Criminal Investigations, Patrol, Accident Investigation, TRT) summoned by the Shift Commander to assist with any incident requiring the Chief of Police to be notified. The Shift Commander's duty to report the situation does not relieve any other unit commander from their obligation to report the situation to the Deputy Chief.

#### *Major Incident Notification*

##### 328.4.1 SHIFT COMMANDER RESPONSIBILITY

The Shift Commander is responsible for making the appropriate notifications. The Shift Commander shall make reasonable attempts to obtain as much information on the incident as possible before notification. The Shift Commander shall attempt to make the notifications as soon as practical. Notification should be made by phone.

Notification to the Chief of Police may be coordinated with the Commander of any other unit (i.e. Criminal Investigations, Patrol, Accident Investigation) summoned by the Shift Commander to assist with any incident requiring the Chief of Police to be notified. The other unit commander's duty to report the situation does not relieve the Shift Commander from their obligation to report the situation to the Chief.

##### 328.4.2 INCIDENTS REQUIRING EMAIL NOTIFICATION

The Chief of Police and the Deputy Chief shall be notified and informed by the Shift Commander using electronic mail any time the following occurs:

- Traffic accidents with serious injuries
- Questionable death investigation
- Any confirmed discharge of a firearm. Confirmation may be through injuries to victim(s) and/or the collection of fired evidence.
- Any situation that may impact police operations and require the immediate attention of the Deputy Chief
- Any incident of importance to other departments within the City

##### 328.4.3 SPECIALIZED RESPONSE NOTIFICATION

In the event of a traffic fatality or major injury, the Shift Commander shall notify Gurnee Communications to contact the on-call accident investigator. The Shift Commander, or Gurnee Communications, will also notify the Accident Investigations Unit Supervisor.

# Death Investigation

## 329.1 PURPOSE AND SCOPE

The investigation of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

## 329.2 INVESTIGATION CONSIDERATIONS

Death investigations require certain actions be taken. Paramedics shall be called in all suspected death cases unless the cause of death is obvious (e.g., when the subject has been decapitated or the body is decomposed). Officers are not authorized to pronounce death. A supervisor shall be notified in all death investigations. The Coroner should be notified in all deaths and shall be notified under those conditions listed below in this policy.

The responsible supervisor should determine whether follow-up investigation is required and ensure that a lead investigator is assigned when appropriate.

Only officers who have successfully completed the Illinois Law Enforcement Training and Standards Board (ILETSB) program in death and homicide investigations, or who have been granted a waiver by the board, shall be assigned as lead investigator on any death or homicide investigation (50 ILCS 705/10.11).

### 329.2.1 CORONER REQUEST

Every Coroner has the responsibility to investigate the following as soon as he knows or is informed that the dead body of any person is found, or lying within his/her county, whose death is suspected of being (55 ILCS 5/3-3013):

- (a) A sudden or violent death, whether apparently suicidal, homicidal or accidental.
- (b) A maternal or fetal death due to abortion, or any death due to a sex crime or a crime against nature.
- (c) A death where the circumstances are suspicious, obscure, mysterious or otherwise unexplained or where, in the written opinion of the attending physician, the cause of death is not determined.
- (d) A death where addiction to alcohol or to any drug may have been a contributory cause.
- (e) A death where the decedent was not attended by a licensed physician.

The body shall not be disturbed or moved from the position or place of death without permission of the Coroner.

### 329.2.2 SEARCHING DEAD BODIES

The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in 55 ILCS 5/3-3013. The only exception is

that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card. If such a donor card is located, the Coroner or Deputy Coroner shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Coroner or Deputy Coroner; the investigating officer shall first obtain verbal consent from the Coroner or Deputy Coroner (55 ILCS 5/3-3019).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Coroner. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Deputy Coroner, a receipt shall be obtained. This receipt shall be attached to the death report.

#### **329.2.3 DEATH NOTIFICATION**

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. A duly appointed Zion Police Chaplain may accompany the officer for the death notification. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner or Medical Examiner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

#### **329.2.4 UNIDENTIFIED DEAD BODIES**

If the identity of a dead body cannot be established after the Coroner arrives, the Coroner's office will issue a "John Doe" or "Jane Doe" number for the report.

#### **329.2.5 DEATH INVESTIGATION REPORTING**

All incidents involving a death shall be documented on the appropriate form.

#### **329.2.6 SUSPECTED HOMICIDE**

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

#### **329.3 SPECIMEN SUBMISSION**

As soon as possible, but no later than 30 days after receipt of any blood, buccal or tissue specimen from the Coroner, the Criminal Investigations Commander shall ensure the specimen and department case number is submitted to an approved National DNA Index System (NDIS) participating laboratory within this state for analysis and categorizing into genetic marker groupings and that the results are submitted to the Illinois State Police (55 ILCS 5/3-3013).

#### **329.4 UNUSED MEDICATIONS**

If an officer collects any unused prescription medication at the scene of a death investigation, the officer shall (210 ILCS 150/18(g)):

- (a) Document the number or amount of medication to be disposed of.
- (b) If the medication is collected as evidence, photograph the unused medication and its container or packaging, if available, and include the photograph and documentation with the report.

# Identity Theft

## 330.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

## 330.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft shall initiate a report for victims residing within the jurisdiction of this department (720 ILCS 5/16-35). For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
  - 1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he/she resides.
- (b) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (c) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus and U.S. Postal Service with all known report numbers).
- (d) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

## 330.3 VICTIM ASSISTANCE

- (a) Officers should provide all victims of identity theft with the Attorney General's Identity Theft Resource Guide.
- (b) In a case where another person has been arrested, cited or charged in the victim's name, where a criminal complaint was filed against a perpetrator in the victim's name or where the victim's name has been mistakenly associated with a criminal conviction, the reporting officer should inform the victim of identity theft of his/her right to obtain an expedited judicial determination of factual innocence (720 ILCS 5/16-35(b)).

## Limited English Proficiency Services

### 331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 331.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Zion Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 331.2 POLICY

It is the policy of the Zion Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 331.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Training Manager or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Limited English Proficiency Services*

---

- (a) Coordinating and implementing all aspects of the Zion Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Commander and the Village of Gurnee Communications. The list should include information regarding the following:
  - 1. Languages spoken
  - 2. Contact information
  - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **331.4 FOUR-FACTOR ANALYSIS**

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Limited English Proficiency Services*

---

- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

#### **331.5 TYPES OF LEP ASSISTANCE AVAILABLE**

Zion Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

#### **331.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

#### **331.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

#### **331.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

### **331.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

#### **331.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

#### **331.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Limited English Proficiency Services*

---

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

#### **331.10 CONTACT AND REPORTING**

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

#### **331.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The Zion Police Department will take reasonable steps and will work with the Administration to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

#### **331.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

# Zion Police Department

##### **331.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

##### **331.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

##### **331.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

##### **331.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified bilingual member

or an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the Deputy Chief.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

### **331.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

### **331.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Manager shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

#### **331.18.1 TRAINING FOR AUTHORIZED INTERPRETERS**

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Manager shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

# Communications with Persons with Disabilities

## 332.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 332.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters shall have a valid Illinois license to practice interpreting for the deaf (225 ILCS 443/15), unless they are exempt under 225 ILCS 443/25.

## 332.2 POLICY

It is the policy of the Zion Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 332.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Deputy Chief or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the City Human Resources Director regarding the Zion Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

#### *Communications with Persons with Disabilities*

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Commander and Communications Supervisor. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **332.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **332.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Communications with Persons with Disabilities*

---

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Zion Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **332.6 TYPES OF ASSISTANCE AVAILABLE**

Zion Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

##### **332.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

##### **332.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speech reading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

##### **332.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

##### **332.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

##### **332.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

##### **332.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

##### **332.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Communications with Persons with Disabilities*

---

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **332.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **332.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

---

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **332.15 ARRESTS AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **332.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

#### **332.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **332.18 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.

- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

All applicants shall be required to meet and pass the same pre-employment procedures as department personnel before appointment.

### 333.4.1 RECRUITMENT

#### **333.5 IDENTIFICATION AND UNIFORMS**

As representatives of the Department, chaplains are responsible for presenting a professional image to the community. Chaplains shall dress appropriately for the conditions and performance of their duties. Uniforms and necessary safety equipment will be provided for each chaplain. Identification symbols worn by chaplains shall be different and distinct from those worn by officers through the inclusion of "Chaplain" on the uniform and not reflect any religious affiliation.

Chaplains will be issued Zion Police Department identification cards, which must be carried at all times while on-duty. The identification cards will be the standard Zion Police Department identification cards, with the exception that "Chaplain" will be indicated on the cards. Chaplains shall be required to return any issued uniforms or department property at the termination of service.

#### **333.6 CHAPLAIN COORDINATOR**

The Chief of Police shall delegate certain responsibilities to a chaplain coordinator. The coordinator shall be appointed by and directly responsible to the Deputy Chief.

The chaplain coordinator shall serve as the liaison between the chaplains and the Chief of Police. The function of the coordinator is to provide a central coordinating point for effective chaplain management within the Department, and to direct and assist efforts to jointly provide more productive chaplain services. Under the general direction of the Chief of Police or the authorized designee, chaplains shall report to the chaplain coordinator and/or Shift Commander.

Chaplains may be assigned to other areas within the Department as needed. Chaplains should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

All chaplains will be assigned to duties by the chaplain coordinator or the authorized designee.

Chaplains may not proselytize or attempt to recruit members of the Department or the public into a religious affiliation while representing themselves as chaplains with this department. If there is any question as to the receiving person's intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or any subsequent actions or follow-up contacts that were provided while functioning as a chaplain for the Zion Police Department.

# Public Safety Video Surveillance System

## 334.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image-capturing devices used by the Department.

## 334.2 POLICY

The Zion Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

## 334.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

### 334.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation or other obstructions, should also be evaluated when determining placement.

Cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public safety video surveillance system may be useful for the following purposes:

- (a) To prevent, deter and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.
- (d) To assist in identifying, apprehending and prosecuting offenders.

- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in Department and Village of Gurnee Communications Center. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. Trained Village of Gurnee Communications Center personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination or retention is prohibited.

#### **334.3.2 INTEGRATION WITH OTHER TECHNOLOGY**

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

#### **334.4 VIDEO SUPERVISION**

Supervisors should monitor video surveillance access and usage to ensure members are within department policy and applicable laws.

##### **334.4.1 VIDEO LOG**

The video system should maintain an electronic log to document all persons copying or downloading video recordings. The logs should, at a minimum, record the:

- (a) Date and time copying or downloading took place.
- (b) Name and agency of the person copying or downloading the images.
- (c) Identifiable portion of images viewed.

##### **334.4.2 PROHIBITED ACTIVITY**

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target protected individual characteristics including, but not limited to race, ethnicity, national origin, religion, disability, gender or sexual orientation.

Video surveillance equipment shall not be used to harass, intimidate or discriminate against any individual or group.

##### **334.5 STORAGE AND RETENTION OF MEDIA**

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule.

##### **334.5.1 EVIDENTIARY INTEGRITY**

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

##### **334.6 RELEASE OF VIDEO IMAGES**

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the Zion Police Department.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records.

Requests for recorded images from other law enforcement agencies shall be referred to the Deputy Chief for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

##### **334.7 TRAINING**

All department members authorized to operate or access public video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures,

including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

## Child and Dependent Adult Safety

### 335.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

### 335.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Zion Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 335.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, the officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

The officer shall assist the arrestee in the placement of the children or dependent adult with a relative or other responsible person designated by the arrestee. If the officer has reasonable cause to believe that a child may be a neglected child as defined in the Abused and Neglected Child Reporting Act, he/she shall report it immediately to the Department of Children and Family Services (725 ILCS 5/107-2(2)).

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent

or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

##### 335.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Illinois Department of Children and Family Services, if appropriate.
- (e) Notify the field supervisor or Shift Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

##### 335.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any

child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

#### **335.3.3 REPORTING**

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Special needs (e.g., medical, mental health)
  - 5. How, where and with whom or which agency the child was placed
  - 6. Identities and contact information for other potential caregivers
  - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Whether he/she reasonably appears able to care for him/herself
  - 5. Disposition or placement information if he/she is unable to care for him/herself

#### **335.3.4 SUPPORT AND COUNSELING REFERRAL**

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

#### **335.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

## Service Animals

### 336.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

#### 336.1.1 DEFINITIONS

Definitions related to this policy include:

**Service animal** - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, the horse is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i); 720 ILCS 5/48-8).

Service animal also includes any animal that is trained in obedience and task skills to meet the needs of a person with a disability or that is trained or being trained as a hearing animal, a guide animal, an assistance animal, a seizure alert animal, a mobility animal, a psychiatric service animal, an autism service animal, or an animal trained for any other physical, mental or intellectual disability (510 ILCS 70/2.01c; 720 ILCS 5/48-8).

### 336.2 POLICY

It is the policy of the Zion Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

### 336.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or to follow daily routines.

#### **336.4 MEMBER RESPONSIBILITIES**

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed (720 ILCS 5/48-8; 775 ILCS 30/3). Department members are expected to treat individuals with service animals with the same courtesy and respect that the Zion Police Department affords to all members of the public (28 CFR 35.136).

##### **336.4.1 INQUIRY**

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

##### **336.4.2 CONTACT**

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

##### **336.4.3 REMOVAL**

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services that are reasonably available to an individual with a disability, with or without a service animal.

##### 336.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

# Abandoned Newborn Infant Protection

## 337.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the proper managing of incidents of newborn infant abandonment according to the Abandoned Newborn Infant Protection Act (325 ILCS 2/10).

## 337.2 ACCEPTANCE

Officers must accept a newborn infant relinquished at the Department (325 ILCS 2/20 (c)). The State of Illinois defines a newborn infant as a child who a licensed physician reasonably believes is 30 days old or less at the time the child is initially relinquished (325 ILCS 2/10). Although a person relinquishing a newborn infant retains the right to limited immunity and anonymity, officers should request the person's personal information. Absent any other information, officers should attempt to obtain any known medical information about the newborn infant. Any information obtained should be documented in the report and, if appropriate, transmitted to the hospital or medical facility to which the newborn infant is taken.

If there is no evidence of abuse or neglect of the newborn infant, the relinquishing person has the right to remain anonymous and leave the premises at any time without being pursued or followed. The act of relinquishing a newborn infant does not, in and of itself, constitute a basis for a finding of abuse, neglect or abandonment. If there is suspected abuse or neglect that is not based solely on the newborn infant's relinquishment, the relinquishing person no longer has the right to remain anonymous (325 ILCS 2/30).

## 337.3 MEDICAL CONSIDERATIONS

After accepting a relinquished newborn infant the officer will request paramedics for a medical evaluation and transportation to the nearest hospital (325 ILCS 2/20 (c)). If the infant is not being transported by the paramedics, the officer will see that transportation of the infant to the nearest hospital is accomplished as soon as transportation can be arranged. Newborn infants will not be transported in a department vehicle equipped with a prisoner screen or in any department vehicle without the appropriate child safety restraint and/or which does not allow for the proper placement of such child safety restraint.

## 337.4 NOTICE TO RELINQUISHING PERSON

When accepting a newborn infant, officers will offer the relinquishing person an information packet prepared and maintained by the Department for this purpose (325 ILCS 2/35). If possible, the employee will also inform the relinquishing person of the following:

- His/her acceptance of the information is completely voluntary.
- Registration with the Illinois Adoption Registry and Medical Information Exchange is voluntary.
- He/she will remain anonymous if they complete a Denial of Information Exchange.
- He/she has the option to provide medical information only and still remain anonymous.

#### *Abandoned Newborn Infant Protection*

- By relinquishing the child anonymously, he/she will have to petition the court of jurisdiction if he/she desires to prevent the termination of parental rights and regain custody of the child.

##### **337.4.1 SUPERVISOR NOTIFICATION**

When accepting a newborn infant, officers will notify their immediate supervisor as soon as practical.

##### **337.4.2 DOCUMENTATION**

When accepting a newborn infant, officers will generate a report and document all pertinent information.

##### **337.5 RIGHT OF PARENT TO RETURN**

If the parent of a relinquished newborn infant returns to reclaim the infant within 72 hours after relinquishing the infant at the Department, an officer must inform the parent of the name and location of the hospital where the infant was transported (325 ILCS 2/20 (c)).

##### **337.6 INFORMATION DISCLOSURE**

Employees will not publicly disclose any information concerning the relinquishment of a newborn infant and the individuals involved, except as otherwise provided by law (325 ILCS 2/37).

##### **337.7 INVESTIGATIVE RESPONSIBILITIES**

Neither a child protective investigation nor a criminal investigation should be initiated solely because a newborn infant is relinquished (325 ILCS 2/25 (c)).

After accepting a newborn infant, or upon being contacted to assist in regards to a newborn infant relinquished elsewhere, the handling employee should take the necessary steps to ensure that the infant is not a missing child.

If there is suspected child abuse or neglect that is not based solely on the newborn infant's relinquishment, as mandated reporters under the Abused and Neglected Child Reporting Act officers shall report their observations (325 ILCS 2/25(b)). In this instance, officers shall begin their criminal investigation.

##### **337.8 REQUIRED SIGNAGE**

The Deputy Chief will ensure that an appropriate sign is posted in a conspicuous place on the exterior of the police facility informing persons that a newborn infant may be relinquished at the facility. The sign and its placement will comply with the prescribed specifications to ensure statewide uniformity (325 ILCS 2/22).

# Volunteer Program

## 338.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

### 338.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

## 338.2 VOLUNTEER MANAGEMENT

### 338.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Deputy Chief. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions.
- (b) Facilitating the implementation of new volunteer activities and assignments.
- (c) Maintaining records for each volunteer.
- (d) Tracking and evaluating the contribution of volunteers.
- (e) Outlining expectations, policies and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.
- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

##### 338.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

##### 338.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the Illinois Law Enforcement Agencies Data System (LEADS).
- (b) Employment
- (c) References
- (d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

##### 338.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

### Policy Manual

#### *Volunteer Program*

---

##### **338.2.5 TRAINING**

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

##### **338.2.6 FITNESS FOR DUTY**

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver's license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

##### **338.2.7 DRESS CODE**

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment.

Volunteers shall be required to return any issued department property at the termination of service.

#### **338.3 SUPERVISION OF VOLUNTEERS**

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

## Policy Manual

### Policy Manual

#### *Volunteer Program*

---

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

#### **338.4 CONFIDENTIALITY**

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

#### **338.5 PROPERTY AND EQUIPMENT**

Volunteers will be issued an identification card that must be worn at all times while on-duty when the volunteer is not wearing a uniform clearly associating them with the department.

Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

#### **338.6 DISCIPLINARY PROCEDURES/TERMINATION**

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

##### **338.6.1 EXIT INTERVIEWS**

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

##### **338.7 EVALUATIONS**

Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

## Off-Duty Law Enforcement Actions

### 339.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Zion Police Department with respect to taking law enforcement action while off-duty.

### 339.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

### 339.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medication or any combination thereof that would tend to adversely affect the officer's senses or judgment.

### 339.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, OC or baton.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Off-Duty Law Enforcement Actions*

---

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

#### **339.4.1 INTERVENTION PROCEDURE**

If involvement is reasonably necessary the officer should attempt to call, or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Zion Police Department officer until acknowledged. Official identification should also be displayed.

#### **339.4.2 INCIDENTS OF PERSONAL INTEREST**

## Flash/Sound Diversionary Devices

### 345.1 PURPOSE AND SCOPE

The purpose of this order is to establish guidelines for the deployment and use of flash/sound diversionary devices (FSDD). Personnel of this Department are authorized to use FSDD, sometimes referred to as "flash bangs", in situations when the use of a less-lethal diversion would facilitate entry, enable an arrest, restore order, and/or potentially reduce the risk of injury.

### 345.2 JUSTIFICATION FOR USE

Circumstances justifying the use of FSDD may include, but not be limited to:

1. Barricaded subject and/or hostage situations
2. High-risk warrant services
3. Discouraging dangerous animals from attacking
4. Riotous situations
5. Situations wherein the Incident Commander or On-scene Supervisor deems their use necessary to safely resolve the incident.

### 345.3 PERSONS AUTHORIZED TO CARRY/DEPLOY DIVERSIONARY DEVICES

Only personnel who have successfully completed departmentally approved training in the proper use and deployment of FSDD shall be authorized to carry or deploy FSDD during actual operations or training. Refresher training on their use should be provided to members of the TRT every two years.

### 345.4 AUTHORIZATION FOR USE

Except in extreme emergencies (i.e., life-threatening situations), FSDD shall not be used without prior authorization of the Incident Commander/On-scene Supervisor.

### 345.5 DEPLOYMENT CONSIDERATIONS

Prior to deploying FSDD, personnel shall consider all available information and circumstances which shall include but is not limited to:

- (a) Presence of any persons who are very young, elderly or infirm
- (b) Presence of any flammable materials or substances
- (c) Deployment area being free of debris or small loose objects
- (d) The ability to see the intended deployment area
  1. FSDD shall not be deployed blindly unless lethal force would otherwise be authorized.
  2. FSDD can bounce or roll after deployment and therefore all proximate areas must be considered (Low Roll bodies are preferred).
- (e) Benefits between exterior and interior deployment

- (f) A flashbang pole may also be utilized to facilitate deployment

Prior to pulling the pin from the FSDD, personnel must have a pre-planned area designated to safely discharge the FSDD should its use be deemed unacceptable or unwarranted. Pins will not be re-inserted into the FSDD once pulled out.

#### **345.6 SAFETY EQUIPMENT**

All personnel carrying FSDD in training or at an actual incident or situation shall wear fire-retardant gloves and eye protection.

Because flash/sound diversionary devices have the potential to ignite flammable materials, a portable fire extinguisher or the Fire Department shall be readily accessible whenever devices are carried and may be deployed.

FSDD re-usable housing (bang-bodies) shall be marked after any deployment to keep track of the number of uses and shall not exceed the manufacturer's recommended number of uses.

#### **345.7 DOCUMENTATION, REVIEW AND REPORTING**

Except in emergency deployment situations, whenever FSDD are carried by personnel in an actual situation or incident, that fact shall be noted in the pre-deployment planning as well as in the after action summary to ensure the deployment and potential use is objectively reasonable.

In the event devices are deployed, the circumstances surrounding their deployment shall be fully described in a written report. The Chief of Police or his or her designee shall be responsible for reviewing any deployment of FSDD to ensure that policy is followed.

The serial number of any FSDD deployed shall be reported to the TRT commander. The TRT commander will be responsible for compliance with state and federal laws governing the reported use of FSDD.

#### **345.8 INSPECTION AND STORAGE**

The TRT Commander or his designee is responsible for ensuring that all FSDD are inspected annually. This inspection shall ensure that the department's devices are properly maintained and in good condition. Devices used beyond their recommended lifetimes shall be designated for use in training only. FSDD should be stored in a cool, dry location within the armory, on a separate shelf away from any fixed ammunition. Devices may be temporarily issued to TRT members, or other designated personnel, provided appropriate records are maintained. Devices should be carried securely in a pouch/carrier with a retention strap or flap.

Loans of departmentally owned equipment to other agencies must be pre-approved by the Chief or his/her designee.

#### **345.9 BORE THUNDER**

AMTEC LESS-LETHAL SYSTEMS(ALS) offers a BoreThunder round designed to be fired from a Less-Lethal 12 gauge shotgun as a method for producing distraction/diversion through sound. This system may be authorized for use by a supervisor to accomplish similar tasks as the FSDD described above depending on the circumstances. The ALS BoreThunder round may be deployed

using the same justifications for use, authorizations for use and bearing the same deployment consideration as the FSDD detailed in 346.1, 346.2, 346.3, 346.4, 346.5, 346.7 & 346.8. The key differences in deployment of the ALS BoreThunder round are as follows:

1. The ALS BoreThunder is deployed using a dedicated or less-lethal 12 gauge shotgun only. The shotgun is to be treated as firearm.
2. The shotgun that deploys the ALS BoreThunder may not be pointed at any person unless deadly force would be authorized.
3. The shotgun that deploys the ALS BoreThunder should not be pointed blindly; or at windows; or any other breakable objects because of the particle discharge from the barrel.
4. The shotgun that deploys the ALS BoreThunder must be visually inspected before and after use to ensure the action and barrel are clear and free of obstructions.
5. The department member deploying the ALS BoreThunder must wear eye and ear protection.

Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI). The supervisor should ensure that all terrorism related reports and FIs are forwarded to the Detective Bureau Supervisor in a timely fashion.

### 400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intra-department cooperation and information flow between the various divisions of the Zion Police Department.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Patrol Function*

---

##### **400.2.1 CRIME REPORTS**

A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

##### **400.2.2 PATROL ROLL CALLS**

Patrol supervisors, detective sergeants, and special unit sergeants are encouraged to share information as much as possible. All supervisors and/or officers will be provided an opportunity to share information at the daily patrol Roll Calls as time permits.

The primary means to share information within the department shall be the Zion Police Department Intranet. All supervisors and officers are able to post information electronically to the department intranet. Information posted to the intranet shall be department related and intended for multiple officers. This will include, but not be limited to, officer safety information, Be On the Look Out (BOLO) information and extra watch information.

All department personnel are able to view information posted on the department intranet. Department personnel shall review information posted on the department intranet and are responsible for items pertaining to their assignment.

#### **400.3 CROWDS, EVENTS AND GATHERINGS**

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

## Bias-Based Policing

### 401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Zion Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach and partnerships).

#### 401.1.1 DEFINITIONS

Definitions related to this policy include:

**Bias-based policing** - An inappropriate reliance on characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement.

### 401.2 POLICY

The Zion Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

### 401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

### 401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any bias-based actions by another member.

#### 401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

#### **401.4.2 REPORTING STOPS**

The Chief of Police or the authorized designee shall ensure stop cards are created and available to members, and contain all of the information required by 625 ILCS 5/11-212 for traffic and pedestrian stops. Officers shall complete one of these cards when they detain, conduct a pat-down search of or arrest a pedestrian in a public place, issue a summons to a pedestrian, search a pedestrian's property or conduct a traffic stop.

- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

#### **401.6 STATE REPORTING**

Records shall compile the required data on the standardized law enforcement data compilation form and transmit the data to the Illinois Department of Transportation. This shall be done by March 1 for data collected during July through December of the previous calendar year, and by August 1 for data collected during January through June of the current calendar year (625 ILCS 5/11-212).

#### **401.7 ADMINISTRATION**

Each year, the Deputy Chief should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. Supervisors should review the required state reporting forms and the annual report and discuss the results with those they are assigned to supervise.

#### **401.8 TRAINING**

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Unit.

## Roll Call Training

### **402.1 PURPOSE AND SCOPE**

Roll Call briefing and/or training is generally conducted at the beginning of the officer's assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call; however officers may conduct Roll Call for training purposes with supervisor approval.

Roll Call should accomplish, at a minimum, the following basic tasks:

- (a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles, and major investigations.
- (b) Notifying officers of changes in schedules and assignments.
- (c) Notifying officers of new Special Orders or changes in Special Orders.
- (d) Reviewing recent incidents for training purposes.
- (e) Providing training on a variety of subjects.

### **402.2 PREPARATION OF MATERIALS**

The supervisor conducting Roll Call is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his/her absence or for training purposes.

### **402.3 RETENTION OF ROLL CALL TRAINING RECORDS**

Roll Call training materials and a curriculum or summary shall be forwarded to the Training Manager for inclusion in training records, as appropriate.

# Crime and Disaster Scene Integrity

## 403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

## 403.2 POLICY

It is the policy of the Zion Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

## 403.3 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

## 403.4 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

## 403.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured

persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

##### 403.5.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

# Tactical Response Team

## 404.1 PURPOSE AND SCOPE

The Tactical Response Team (TRT) has been established to provide specialized support in handling critical field operations where special tactical deployment methods beyond the capacity of field officers appear to be necessary.

### 404.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the Tactical Response Team are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a law enforcement response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

### 404.1.2 TACTICAL RESPONSE TEAM DEFINED

A Tactical Response Team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

## 404.2 POLICY

It shall be the policy of this department to maintain a Tactical Response Team and to provide the equipment, manpower, and training necessary to maintain the TRT. The TRT should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control.
- (b) Containment.
- (c) Entry/Apprehension/Rescue.

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

### 404.2.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of TRT missions and operations appropriate to this department. The assessment should consider the team's

capabilities and limitations and should be reviewed annually by the TRT Commander or his/her designee.

#### 404.2.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Activation of Northern Illinois Police Alarm System's (NIPAS) Emergency Services Team (EST) for missions the TRT is not trained or equipped to perform.
- (g) Command and control issues, including a clearly defined command structure.
- (h) Multi-agency response.
- (i) Out-of-jurisdiction response.
- (j) Specialized functions and supporting resources.

#### 404.2.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association Suggested SWAT Best Practices. Because such procedures are specific to TRT members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures should include, at minimum, the following:

- (a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during TRT operations (time permitting).
  - 1. All TRT members should have an understanding of operational planning.
  - 2. TRT training should consider planning for both spontaneous and planned events.
  - 3. TRT should incorporate medical emergency contingency planning as part of the TRT operational plan.
- (b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
  - 1. When possible, briefings should include the specialized units and supporting resources.
- (c) Protocols for a sustained operation should be developed which may include relief, rotation of personnel and augmentation of resources.

## Policy Manual

### Policy Manual

#### *Tactical Response Team*

---

- (d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of TRT.
- (e) A standard method of determining whether or not a warrant should be regarded as high-risk.
- (f) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
- (g) Post incident scene management including:
  - 1. Documentation of the incident.
  - 2. Transition to investigations and/or other units.
  - 3. Debriefing after every deployment of the TRT.
    - (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments, helps to identify training needs, and reinforces sound risk management practices.
    - (b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.
    - (c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.
    - (d) When appropriate, debriefing should include specialized units and resources.
- (h) Sound risk management analysis.
- (i) Standardization of equipment deployed.

#### **404.3 TRAINING NEEDS ASSESSMENT**

The TRT Commander shall conduct an annual TRT Training needs assessment to ensure that training is conducted within team capabilities and department policy.

##### **404.3.1 INITIAL TRAINING**

TRT operators and TRT supervisors/team leaders should not be deployed until successful completion of ILETSB-certified Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or ILETSB standardized training recommendations.

##### **404.3.2 UPDATED TRAINING**

Appropriate team training for the specialized TRT functions and other supporting resources should be completed prior to full deployment of the team.

#### 404.3.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the TRT function at the organizational level to ensure personnel who provide active oversight at the scene of TRT operations understand the purpose and capabilities of the teams.

#### 404.3.4 TACTICAL RESPONSE TEAM ONGOING TRAINING

Training shall be coordinated by the TRT Commander. The TRT Commander may conduct monthly training exercises that include a review and critique of personnel and their performance in the exercise in addition to specialized training. Training should consist of the following:

- (a) Each TRT member shall perform a physical fitness test once a year. A minimum qualifying score must be attained by each team member.
- (b) Any TRT team member failing to attain the minimum physical fitness qualification score will be notified of the requirement to retest and attain a qualifying score. Within 30 days of the previous physical fitness test date, the member required to qualify shall report to a team supervisor and complete the entire physical fitness test. Failure to qualify after a second attempt may result in dismissal from the team.
- (c) Those members who are on vacation, ill, or are on light duty status with a doctor's note of approval on the test date, shall be responsible for reporting to a team supervisor and taking the test within 30 days of their return to regular duty. Any member, who fails to arrange for and perform the physical fitness test within the 30-day period, shall be considered as having failed to attain a qualifying score for that test period.
- (d) Annually, each TRT member shall perform the mandatory TRT handgun and rifle qualification course. Failure to qualify will require that officer to seek remedial training from a firearms instructor. Team members who fail to qualify must retest within 30 days. Failure to qualify within 30 days with or without remedial training may result in dismissal from the team.
- (e) Each TRT member shall complete the required qualification course for any specialty weapon issued to, or used by, the team member during TRT operations. Failure to qualify will require the team member to seek remedial training from a department instructor. Team members who fail to qualify on their specialty weapon may not utilize the specialty weapon on TRT operations until qualified. Team members who fail to qualify must retest within 30 days. Failure to qualify with specialty weapons within 30 days may result in the team member being removed from the team or permanently disqualified from use of that particular specialty weapon.

#### **404.4 UNIFORMS, EQUIPMENT, AND FIREARMS**

The criminal history check may include a local records check and an Automated check through LEADS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the Zion Police Department).

#### **405.3 OFFICER'S RESPONSIBILITY**

The officer shall advise the telecommunicator that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The telecommunicator will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time. The Shift Commander shall be immediately notified of any injury or noteworthy incident involving the ride-along.

The Deputy Chief is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the signed ride-along waiver shall be returned to the Deputy Chief with any comments which may be offered by the officer. Any injury or noteworthy incident involving the ride-along shall be documented or reported appropriately.

#### **405.4 CONTROL OF RIDE-ALONG**

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

- (a) The ride-along will follow the directions of the officer.
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment.

#### *Ride-Alongs*

---

- (c) The ride-along may terminate the ride at any time and the officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer's duties.
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.
- (e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen.
- (f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.

# Hazardous Material Response

## 406.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure.

### 406.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure. Hazardous materials are characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 406.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify type of hazardous substance. Identification can be determined by placard, driver's manifest or statements from the person transporting the material.
- (b) Notify the Fire Department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas dependent on substance. Voluntary evacuation should be considered; however depending on the substance, mandatory evacuation may be necessary.

## 406.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report.

### 406.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

## Hostage and Barricade Incidents

### 407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

#### 407.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

### 407.2 POLICY

It is the policy of the Zion Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

### 407.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

#### 407.3.1 EMERGENCY COMMUNICATIONS

Should circumstances at the scene permit, Department supervisors or detectives may promptly contact the Office of the State Attorney for assistance in obtaining an ex parte order to intercept audio communications at the scene (725 ILCS 5/108B-3).

Additionally, Department personnel or individuals summoned by officers to provide assistance, may use an eavesdropping device, including a camera or audio device, during an ongoing hostage and barricade incident when such use is necessary to protect the safety of officers or members of the general public (720 ILCS 5/14-3(o)).

##### **407.4 FIRST RESPONDER CONSIDERATIONS**

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

##### **407.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, NIPAS EST).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police.
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

- (k) Establish a command post.

#### **407.4.2 HOSTAGE SITUATION**

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, NIPAS EST).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

#### **407.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command

and assume the role of Incident Commander until properly relieved. This includes requesting a Tactical Response Team (TRT) response if appropriate and apprising the TRT Commander/Supervisor of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Village of Gurnee Communications Center.
- (i) Identify a media staging area outside the outer perimeter and have the department Chief of Police or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

#### **407.6 TACTICAL RESPONSE TEAM RESPONSIBILITIES**

It will be the Incident Commander's decision, with input from the TRT Commander/Supervisor, whether to deploy the TRT during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the TRT Commander/Supervisor will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the TRT. The Incident Commander and the TRT Commander/Supervisor shall maintain communications at all times.

#### **407.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

## Response to Bomb Calls

### **408.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to assist members of the Zion Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

### **408.2 POLICY**

It is the policy of the Zion Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### **408.3 RECEIPT OF BOMB THREAT**

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Commander is immediately advised and informed of the details. This will enable the Shift Commander to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

### **408.4 GOVERNMENT FACILITY OR PROPERTY**

A bomb threat targeting a government facility may require a different response based on the government agency.

#### **408.4.1 ZION POLICE DEPARTMENT FACILITY**

If the bomb threat is against the Zion Police Department facility, the Shift Commander will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

#### **408.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY**

If the bomb threat is against a county or municipal facility within the jurisdiction of the Zion Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Commander deems appropriate.

##### **408.5 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the City of Zion, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - 1. No evacuation of personnel and no search for a device.
  - 2. Search for a device without evacuation of personnel.
  - 3. Evacuation of personnel without a search for a device.
  - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

##### **408.5.1 ASSISTANCE**

The Shift Commander should be notified when police assistance is requested. The Shift Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Commander determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:

1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

#### **408.6 FOUND DEVICE**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should turn off any equipment that is capable of producing radio frequency energy within 50 feet of the suspected device. This includes the following:
  - (a) Two-way radios
  - (b) Cell phones
  - (c) Other personal communication devices
  - (d) Body worn cameras
  - (e) Squad car audio/video recording systems
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Commander including:
  1. The time of discovery.
  2. The exact location of the device.
  3. A full description of the device (e.g., size, shape, markings, construction).
  4. The anticipated danger zone and perimeter.
  5. The areas to be evacuated or cleared.

#### **408.7 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

##### **408.7.1 CONSIDERATIONS**

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Assess the area for possible secondary devices.
- (c) Request additional personnel and resources, as appropriate.
- (d) Assist with first aid.
- (e) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (f) Assist with the safe evacuation of victims, if possible.
- (g) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (h) Preserve evidence.
- (i) Establish an outer perimeter and evacuate if necessary.
- (j) Identify witnesses.

##### **408.7.2 NOTIFICATIONS**

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Commander
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

##### **408.7.3 CROWD CONTROL**

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

##### 408.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

## Crisis Intervention Incidents

### 409.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 409.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 409.2 POLICY

The Zion Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 409.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Crisis Intervention Incidents*

---

##### **409.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

##### **409.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources, such as Crisis Intervention Trained (CIT) officers, as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

##### **409.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Crisis Intervention Incidents*

---

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

#### **409.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the communications operator provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

#### **409.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Commander.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

#### **409.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

##### **409.9.1 DIVERSION**

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

#### **409.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS**

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

#### **409.11 EVALUATION**

The Commander designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

#### **409.12 TRAINING**

Subject to available resources, the Department will provide training to department members to enable them to effectively interact with persons in crisis.

Training may include the ILETSB's training on crisis response (50 ILCS 705/10.17).

## Civil Commitments

### 410.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under a civil commitment (405 ILCS 5/1-100 et seq.).

### 410.2 POLICY

It is the policy of the Zion Police Department to protect the public and individuals through legal and appropriate use of the civil commitment process.

### 410.3 AUTHORITY

An officer responding to or handling a call involving a suspected civil commitment may take that person into custody for transport to an approved mental health facility when the officer has reasonable grounds to believe the person is in need of immediate hospitalization to protect him/herself or others from physical harm (405 ILCS 5/3-606).

Upon arrival at the facility, the officer should complete the written petition for involuntary admission, which includes (405 ILCS 5/3-601):

- A detailed statement of the reason for the commitment, including observed signs and symptoms, a description of any acts, threats, other behavior or pattern of behavior, and the time and place of occurrence.
- The name and address of the spouse, parent, guardian, substitute decision-maker, if any, and close relative, or if none, the name and address of a known friend. If this information is unavailable, the officer shall state that diligent inquiry was made.

If the petition is not completed by an officer accompanying the person, the accompanying officer's name, badge number and department shall be included in the petition (405 ILCS 5/3-606).

#### 410.3.1 MINORS

An officer may take a minor into custody for transport to a mental health facility when there is reasonable grounds to believe that the minor has a mental illness or emotional disturbance of such severity that hospitalization is necessary to protect him/herself or others from physical harm, and that the minor is likely to benefit from inpatient treatment (405 ILCS 5/3-503; 405 ILCS 5/3-504(b)).

Upon arrival at the facility, the officer should complete the written petition for involuntary admission and shall further include (405 ILCS 5/3-503; 405 ILCS 5/3-504(b)):

- A detailed statement of the reason for the commitment, including a description of any acts or significant threats, and the time and place of occurrence.
- The name, address and telephone number of any witness.

### Policy Manual

#### *Civil Commitments*

---

- (a) Arrange for transportation to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a civil commitment.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the civil commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

#### **410.4 CONSIDERATIONS AND RESPONSIBILITIES**

Any officer handling a call involving an individual who may qualify for a civil commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Civil commitments should be preferred over arrest for individuals who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

#### **410.5 TRANSPORTATION**

The Zion Fire and Rescue Department shall transport civil commitments to an approved mental health facility. The reporting officer should have the Village of Gurnee Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may secure individuals when necessary and shall do so in accordance with the Handcuffing and Restraints Policy. Should the safety of any person, including the detainee, require the presence of an officer during the transport, Shift Commander approval is required before transport commences.

#### **410.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the Zion Fire and Rescue Department will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written petition for involuntary admission and remain present to provide clarification of the grounds for detention, upon request (405 ILCS 5/3-606).

Absent exigent circumstances, the reporting/accompanying officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to

facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

#### **410.7 DOCUMENTATION**

The officer should complete a petition for involuntary admission, provide it to the facility staff member assigned to the individual and retain a copy of the petition for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

##### **410.7.1 NOTIFICATION TO ILLINOIS STATE POLICE**

A member who reasonably determines that a person poses a clear and present danger because he/she has engaged in verbally or physically threatening behavior (e.g., violent, suicidal or assaultive threats or actions), shall ensure this information is reported to the Illinois State Police (ISP) within 24 hours (430 ILCS 65/8.1). The fact that the ISP has been notified and the manner of notification should be documented.

#### **410.8 CRIMINAL OFFENSES**

When an individual who may qualify for a civil commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the civil commitment.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a civil commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

#### **410.9 FIREARMS AND OTHER WEAPONS**

Whenever an individual is taken into custody for a civil commitment, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officers should further advise the individual of the procedure for the return of any confiscated firearm or other weapon that has been taken into custody.

#### **410.9.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS**

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer should detail those facts and circumstances in a report. The report should be forwarded to the Detective Bureau, which shall be responsible for contacting the Illinois State Police Firearms Services Bureau.

#### **410.10 TRAINING**

This department will endeavor to provide training approved by the Illinois Law Enforcement Training and Standards Board on interaction with mentally disabled persons, civil commitments and crisis intervention.

## Notice to Appear or Summons Releases

### 411.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Zion Police Department with guidance on when to release adults who are suspected offenders on a summons, notice to appear in court, or citation for a criminal offense, rather than having the person held in custody for a court appearance or on condition of pretrial release.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Violence Policy.

### 411.2 POLICY

The Zion Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a summons, notice to appear, or citation when authorized to do so.

### 411.3 RELEASE

An officer shall issue a citation to appear within 21 days in court for an individual accused of traffic and Class B and C criminal misdemeanor offenses or petty and business offenses when the individual (725 ILCS 5/109-1; IL Sup. Ct. R. 504):

- (a) Presents valid identification.
- (b) Poses no obvious threat to members of the community or any person.
- (c) Does not reasonably appear to have any obvious medical or mental health issues that pose a risk to the individual's safety

An officer may issue a summons to appear within 21 days when arresting an individual for an offense for which pretrial release may not be denied (725 ILCS 5/109-1; IL Sup. Ct. R. 504). A notice to appear may also be issued for certain individuals arrested without a warrant (725 ILCS 5/107-12).

### 411.4 CONSIDERATIONS

In determining whether to cite and release a person when discretion is permitted, officers should consider:

- (a) The type of offense committed.
- (b) The known criminal history of the suspected offender.
- (c) The ability to identify the suspected offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense.
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

# Foreign Diplomatic and Consular Representatives

## 412.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Zion Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

## 412.2 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

## 412.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089 , or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

## 412.4 ENFORCEMENT ACTION

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.

# Rapid Response and Deployment

## 413.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers in situations that call for rapid response and deployment.

## 413.2 POLICY

The Zion Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

## 413.3 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

## 413.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Rapid Response and Deployment*

---

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

#### **413.5 PLANNING**

The Patrol Commander should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Department first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

##### **413.5.1 SCHOOL SAFETY DRILLS**

The Training Manager should work with the administration of public and private elementary and secondary schools that offer education to persons under 21 to schedule annual on-site drills within 90 days after the first day of the school year to respond to school shooting incidents (105 ILCS 128/15; 105 ILCS 128/20).

##### **413.6 TRAINING**

The Training Manager should include rapid response to critical incidents in the department training plan.

This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

# Immigration Violations

## **414.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to members of the Zion Police Department relating to immigration and interacting with federal immigration officials.

## **414.2 POLICY**

It is the policy of the Zion Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## **414.3 VICTIMS AND WITNESSES**

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, ethnicity, or national origin in any way that would violate the United States or Illinois constitutions.

## **414.4 DETENTIONS**

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

##### **414.4.1 SUPERVISOR RESPONSIBILITIES**

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

##### **414.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT**

Generally, an officer should not notify federal immigration officials when booking arrestees at a jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

##### **414.6 FEDERAL REQUESTS FOR ASSISTANCE**

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

##### **414.7 INFORMATION SHARING**

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

##### **414.7.1 IMMIGRATION DETAINERS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 or any other hold request unless the person has been charged with a federal crime or the detainer is accompanied by a judicial warrant. Notification to the federal authority issuing the detainer should be made prior to the release (5 ILCS 805/15).

##### **414.8 U VISA AND T VISA NONIMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)). The Investigations Commander is designated to complete the law enforcement certification for a U visa.

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)). The Investigations Commander is designated to complete a law enforcement declaration for a T visa (5 ILCS 825/10).

- (f) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

#### **414.8.1 NON-DISCLOSURE OF IMMIGRATION STATUS**

No member shall disclose the immigration status of the victim or the person requesting the certification form unless authorized in writing by the individual or as required by law (5 ILCS 825/10).

#### **414.8.2 PUBLICATION OF DECLARATION AND CERTIFICATION FORM PROCESS**

The Chief of Police should make the department's procedures for certification requests publicly available for victims and their representatives (5 ILCS 825/10).

At the completion of the Field Training Program, the trainee shall submit a confidential performance evaluation on each of their FTOs and on the Field Training Program.

#### **416.7 DOCUMENTATION**

All documentation of the Field Training Program will be retained in the officer's training files and will consist of the following:

- (a) Daily Trainee Performance Evaluations.
- (b) End of phase evaluations.
- (c) A Certificate of Completion certifying that the trainee has successfully completed the required number of hours of field training.

## Aircraft Accidents

### 417.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

#### 417.1.1 DEFINITIONS

Definitions related to this policy include:

**Aircraft** - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

### 417.2 POLICY

It is the policy of the Zion Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

### 417.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

### 417.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

##### **417.5 NOTIFICATIONS**

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

##### **417.6 CONTROLLING ACCESS AND SCENE AUTHORITY**

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

##### **417.7 DANGEROUS MATERIALS**

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.

- (d) Evacuation chutes, ballistic parachute systems and composite materials.

#### **417.8 DOCUMENTATION**

All aircraft accidents occurring within the City of Zion shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of ZPD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

##### **417.8.1 WRECKAGE**

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
  - 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

##### **417.8.2 WITNESSES**

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

#### **417.9 MEDIA RELATIONS**

The Chief of Police should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

## Contacts and Temporary Detentions

### 418.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

#### 418.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview (FI)** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio/Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporarydetention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

### 418.2 POLICY

The Zion Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Contacts and Temporary Detentions*

---

#### **418.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Zion Police Department to strengthen community involvement, community awareness, and problem identification.

##### **418.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

#### **418.4 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

#### *Contacts and Temporary Detentions*

---

- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

#### **418.5 FIELD PHOTOGRAPHS**

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

##### **418.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

##### **418.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

##### **418.5.3 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Shift Commander with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Commander should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Commander will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to Records.

---

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

#### **418.5.4 SUPERVISOR RESPONSIBILITIES**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

#### **418.6 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

#### **418.7 STOP RECEIPTS**

Whenever an officer stops a person in a public place and pat-down searches the person or the person's property, the officer should issue a stop receipt providing the reason for the stop and containing the member's name and badge number (725 ILCS 5/107-14).

# Criminal Organizations

## 419.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Zion Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

### 419.1.1 DEFINITIONS

Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

## 419.2 POLICY

The Zion Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

## 419.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

### 419.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by Records. Any supporting documentation for an

entry shall be retained by Records in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by Records are appropriately marked as intelligence information. A Records Clerk may not purge such documents without the approval of the designated supervisor.

#### **419.3.2 SWORD SYSTEM ENTRIES**

It is the designated supervisor's responsibility to approve the entry of any information into the Statewide Organized Criminal Gang Database (SWORD) criminal intelligence system (20 ILCS 2605/2605-305). Entries into such a database should be based upon on reasonable suspicion of criminal activity or actual criminal activity, and should be supported by documentation, where documentation is available.

The designated supervisor may approve creation or submission of information into the SWORD criminal intelligence system when the individual has been arrested and there is a reasonable belief that the individual is a member or affiliate of an organized gang. The designated supervisor may notify the appropriate prosecutor of the individual's alleged gang membership or gang affiliate status (20 ILCS 2640/15).

#### **419.4 TEMPORARY INFORMATION FILE**

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

##### **419.4.1 FILE CONTENTS**

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by Records or in Evidence, but should be copies of, or references to, retained documents such as copies of reports, field interviews (FI) forms, Village of Gurnee Communications Center records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

##### **419.4.2 FILE REVIEW AND PURGING**

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

##### **419.5 INFORMATION RECOGNITION**

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Training Manager to train members to identify information that may be particularly relevant for inclusion.

##### **419.6 RELEASE OF INFORMATION**

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

##### **419.7 CRIMINAL STREET GANGS**

The Criminal Investigations Commander/Supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.

# Zion Police Department

#### *Criminal Organizations*

---

- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

#### **419.8 TRAINING**

The Training Manager should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

## Shift Commanders

### **420.1 PURPOSE AND SCOPE**

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

### **420.2 DESIGNATION AS ACTING SHIFT COMMANDER**

When a Sergeant is unavailable for duty as Shift Commander, in most instances another Sergeant should fill that vacancy. This policy does not preclude an officer the rank of Lieutenant or above filling the vacancy when operational needs require.

When a Sergeant is unable to continue to perform his/her duties as Shift Commander, in most instances the senior qualified officer shall be designated as acting Shift Commander until replaced by an officer the rank of Sergeant or above. This policy does not preclude designating a less senior officer as acting Shift Commander when operational needs require.

## Mobile Audio/Video

### 421.1 PURPOSE AND SCOPE

The Zion Police Department has equipped marked patrol cars with Mobile Audio and Video (MAV) recording systems to provide records of events and assist uniformed officers in the performance of their duties by providing a visual and/or audio record of patrol-related activities when permitted by law (720 ILCS 5/14-3(h)). This policy provides guidance on the use of these systems.

#### 421.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car video and Mobile Audio Video (MAV) system** -Synonymous terms which refer to any department approved system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

**MAV technician** - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio-video signals recorded or digitally stored on a storage device or portable media.

### 421.2 POLICY

It is the policy of the Zion Police Department to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

### 421.3 OFFICER RESPONSIBILITIES

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

### 421.4 ACTIVATION OF THE MAV

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system can also be activated manually. The system remains on until it is turned off manually.

#### 421.4.1 REQUIRED ACTIVATION OF MAV

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

  - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
  - 2. Priority responses
  - 3. Vehicle pursuits
  - 4. Suspicious vehicles
  - 5. Arrests
  - 6. Vehicle searches
  - 7. Physical or verbal confrontations or use of force
  - 8. Pedestrian stops
  - 9. DUI investigations including field sobriety tests
  - 10. Crimes in progress
  - 11. Responding to an in-progress call

- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
  - 1. Domestic violence calls
  - 2. Disturbance of peace calls
  - 3. Offenses involving violence or weapons
- (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
- (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

#### 421.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed.

#### 421.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MAV system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

#### **421.5 SUPERVISOR RESPONSIBILITIES**

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of Village of Gurnee Communications Center.

At reasonable intervals, supervisors should review MAV recordings for:

- (a) Proper activation in accordance with policy and procedures.
- (b) Compliance with other departmental policies and procedures.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall ensure that the squad is returned to the department as soon as practicable for retrieval of the MAV recording. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

#### **421.6 REVIEW OF MAV RECORDINGS**

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems
- (e) By a department investigator who is participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

#### **421.7 DOCUMENTING MAV USE**

If any incident is recorded with either the MAV system, the existence of that recording shall be documented in the officer's report.

#### **421.8 RECORDING MEDIA STORAGE AND INTEGRITY**

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of 90 days and disposed of in compliance with the established records retention schedules (720 ILCS 5/14-3(h-15)).

##### **421.8.1 RECORDING RETENTION REQUIREMENTS**

Notwithstanding the 90 day retention period in 720 ILCS 5/14-3(h-15), if the Department receives funds under the Illinois Law Enforcement Camera Grant Act, MAV video records must be stored for no less than two years (50 ILCS 707/15).

##### **421.8.2 MAV RECORDINGS AS EVIDENCE**

Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Zion Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

#### **421.9 SYSTEM OPERATIONAL STANDARDS**

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.

- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician ensures it is stored or uploaded in a secure location with authorized controlled access.
- (c) Erasing of media:
  - 1. Pursuant to a court order.
  - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) 1.
- (e)
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

##### **421.10.1 ADDITIONAL MAV TECHNICIAN RESPONSIBILITIES FOR GRANT FUNDING**

If the Department receives any grants under the Illinois Law Enforcement Camera Grant Act, the MAV technician is also responsible for (50 ILCS 707/15):

- (a) Remaining familiar with the applicable requirements of the Illinois Law Enforcement Camera Grant Act including any model rules developed by the Illinois Law Enforcement Training and Standards Board (ILETSB).
- (b) Ensuring the MAV system includes audio of the officer when the officer is outside of the vehicle.
- (c) Limiting access to the camera to the officer's supervisor.
- (d) Working with the Records Clerk to develop procedures to process requests from other law enforcement agencies and local State's Attorneys for video recordings, including procedures for protecting identities of individuals not related to the recorded incident.
- (e) Completing the annual MAV report required by 50 ILCS 707/15.

#### **421.11 TRAINING**

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

# Mobile Digital Computer Use

## 422.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Village of Gurnee Communications Center.

## 422.2 POLICY

Zion Police Department members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

## 422.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

## 422.4 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Commanders.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

### 422.4.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Mobile Digital Computer Use*

---

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

#### **422.5 DOCUMENTATION OF ACTIVITY**

Except as otherwise directed by the Shift Commander or other department-established protocol, all calls for service assigned by a communications operator should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a communications operator.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

##### **422.5.1 STATUS CHANGES**

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

##### **422.5.2 EMERGENCY ACTIVATION**

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Commander are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

#### **422.6 EQUIPMENT CONSIDERATIONS**

##### **422.6.1 MALFUNCTIONING**

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Village of Gurnee Communications Center. It shall be the responsibility of the communications operator to document all information that will then be transmitted verbally over the police radio.

##### 422.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

## Portable Audio/Video Recorders

### 423.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties (50 ILCS 706/10-20). Portable audio/video recording devices include all recording systems whether body-worn, hand-held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Zion Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

#### 423.1.1 DEFINITIONS

Definitions related to this policy include (50 ILCS 706/10-10):

**Body-worn camera or camera** - An electronic camera system for creating, generating, sending, receiving, storing, displaying and processing audiovisual recordings that may be worn about the person of a law enforcement officer.

**Law enforcement-related activities** - Activities in which the member is enforcing the law, including traffic or pedestrian stops, arrests, searches, interrogations, investigations, pursuits, crowd and traffic control. It does not include tasks unrelated to the investigation of a crime such as participating in town halls or other community outreach; helping a child find his/her parents; providing death notifications; performing in-home or hospital well-being checks on the sick, elderly or persons presumed missing; or completing paperwork while alone or only in the presence of another law enforcement officer.

**Portable recorder or recorder** - Either an audio-only recording device or a body-worn camera.

### 423.2 POLICY

The Zion Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public (50 ILCS 706/10-15).

### 423.3 BODY-WORN CAMERA COORDINATOR

The Chief of Police or the authorized designee should designate a coordinator responsible for (50 ILCS 706/10-20):

- (a) Identifying members who are assigned body-worn cameras.
- (b) Identifying members permitted to access recordings in order to redact, label or duplicate recordings.
- (c) Ensuring body-worn cameras acquired on or after July 1, 2015, are equipped with pre-event recording of least the 30 seconds prior to camera activation and are capable of recording for a period of at least 10 hours.

- (d) Establishing procedures for:
  - 1. The care and maintenance of body-worn cameras, including reasonable efforts to be made by supervisors to correct or repair body-worn camera equipment upon notice from a member experiencing technical difficulties, failures or problems with the equipment.
  - 2. Compliance with the Law Enforcement Officer-Worn Body Camera Act and guidelines established by the Illinois Law Enforcement Training and Standards Board (ILETSB) for the use of body-worn cameras.
  - 3. Security of recordings including access controls.
  - 4. Redacting, labeling and duplicating recordings.
  - 5. Supervisor and member review of recordings.
- (e) Providing an annual report to the ILETSB pursuant to 50 ILCS 706/10-25.
- (f) Ensuring the Department uses authorized body-worn camera recording media (50 ILCS 706/10-10).
- (g) Designating members permitted to redact, label, or duplicate recordings (50 ILCS 706/10-20).

See attachment: [Portable\\_Audio\\_Video\\_Recorder\\_Procedures \(3\).pdf](#)

#### **423.4 MEMBER PRIVACY EXPECTATION**

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of this department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

#### **423.5 MEMBER RESPONSIBILITIES**

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable (50 ILCS 706/10-20). Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, ZPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required

when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member stopped the recording or turned off the recorder. Members should include the reason for these actions.

#### **423.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER**

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder (start a recording) any time the member believes it would be appropriate or valuable to record an incident.

Members wearing body-worn cameras and any clothing or any indication they are law enforcement shall have the body-worn camera turned on at all times while they are on-duty and are responding to calls for service or engaged in law enforcement-related activities (50 ILCS 706/10-20).

Body-worn cameras should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which an officer would normally notify police dispatchers
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

If exigent circumstances prevent an officer from activating a body-worn camera when required, the camera shall be activated as soon as practicable (50 ILCS 706/10-20).

Members shall not record interactions with confidential informants unless exigent circumstances exist or the informant has or is committing a crime (50 ILCS 706/10-20).

Members should remain sensitive to the dignity of all individuals being recorded and unless recording with a body-worn camera is required, exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

##### **423.6.1 CESSATION OF RECORDING**

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits

the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Officers should not mute body worn cameras, however the department recognizes there could be unique instances where muting may be warranted. In such instances, officers shall obtain supervisor approval to mute the body worn camera and such approval should be captured on the recording. Recordings shall be unmuted as soon as the specific need for muting is over. Any supervisor authorizing the muting of a body worn camera must make a written notification to the appropriate division commander for review providing the date, time, case number and reasoning for authorizing the muting of a body worn camera.

Emergency muting of a body worn camera without prior supervisor approval may only be done under exigent or unprecedented circumstances and will be highly scrutinized. Such muting must be accompanied with a notification to a supervisor as soon as reasonably practical. A written explanation detailing the specific need for any emergency muting will be required and is to be forwarded to the appropriate division commander through the chain of command.

Unauthorized cessation or muting of a body worn camera recording will result in disciplinary action.

Body-worn cameras shall be turned off when a victim, or a witness or a community member reporting a crime requests that the camera be turned off. The request should be captured on the recording. However, an officer may continue to record or resume recording a victim or witness if exigent circumstances exist or the officer has a reasonable articulable suspicion that the victim or witness has committed or is in the process of committing a crime. Under these circumstances, the officer should indicate on the recording the reason for continuing to record despite the request of the victim or witness (50 ILCS 706/10-20).

Officers are permitted to turn off body-worn cameras while inside a patrol car equipped with Mobile Audio/Video (MAV). Cameras may also be turned off when the officer is not engaged in law enforcement-related activities, when completing paperwork alone or while only in the presence of another member, or when inside a correctional facility or courthouse with a camera system (50 ILCS 706/10-20).

#### **423.6.2 SURREPTITIOUS USE OF THE PORTABLE RECORDER**

Illinois law prohibits any individual from surreptitiously recording any conversation in which any party to the conversation has a reasonable belief that the conversation is private or confidential (720 ILCS 5/14-2).

However, officers using body-worn cameras are not prohibited from recording a private conversation if the person is provided notice of the recording and proof of that notice is captured on the recording. If exigent circumstances exist that prevent the officer from providing notice, notice must be provided as soon as practicable (50 ILCS 706/10-20).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

##### **423.6.3 EXPLOSIVE DEVICE**

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should be turned off where an explosive device may be present.

##### **423.7 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, intimidation or ridicule.

##### **423.8 IDENTIFICATION AND PRESERVATION OF RECORDINGS**

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an undercover officer or confidential informant.
- (g) The recording or portions of the recording may be protected under the Freedom of Information Act or the Law Enforcement Officer-Worn Body Camera Act (5 ILCS 140/7.5; 50 ILCS 706/10-20).

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

#### **423.8.1 BODY-WORN CAMERAS**

With respect to body-worn camera recordings, the recording member and supervisor are prohibited from redacting, labelling, duplicating, or altering the recording (50 ILCS 706/10-20).

#### **423.9 RETENTION OF RECORDINGS**

All recordings other than those made with body-worn cameras shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 90 days unless the recordings are made a part of an arrest or the recordings are deemed evidence in any criminal, civil, or administrative proceeding and then the recordings must only be destroyed upon a final disposition and an order from the court (720 ILCS 5/14-3(h-15)).

#### **423.9.1 RETENTION REQUIREMENTS FOR BODY-WORN CAMERA RECORDINGS**

Recordings made on body-worn cameras shall be retained for 90 days. Recordings shall not be altered, erased, or destroyed prior to the expiration of the 90-day storage period. In the event any recording is altered, erased, or destroyed prior to the expiration of the 90-day storage period, the Chief of Police shall maintain a written record including the name of the individual who made such alteration, erasure, or destruction, and the reason for any such alteration, erasure, or destruction for one year (50 ILCS 706/10-20).

After the 90-day storage period, recordings must be destroyed unless any of the following occur (50 ILCS 706/10-20):

- (a) A formal or informal complaint has been filed.
- (b) The officer discharged a firearm or used force during the encounter.
- (c) Death or great bodily harm occurred to any person in the recording.
- (d) The encounter resulted in a detention or arrest other than a traffic stop resulting in only a minor traffic offense or a petty offense with a fine of more than \$1,000.
- (e) The officer is the subject of an internal investigation or otherwise being investigated for possible misconduct.
- (f) The supervisor of the officer, prosecutor, defendant, or court determines that the encounter has evidentiary value in a criminal prosecution.
- (g) The recording officer requests that the video be retained for official purposes related to the officer's official duties.

Under these circumstances, the recording of the encounter shall not be altered or destroyed for two years. If the recording is used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

Recordings may be retained any time a supervisor designates the recording for training purposes and may be viewed by officers, in the presence of a supervisor or training instructor, for the purposes of instruction, training, or ensuring compliance with department policies.

#### **423.9.2 RELEASE OF AUDIO/VIDEO RECORDINGS**

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

#### **423.10 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings, and use them as a resource. However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less-detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing a member's performance.

The supervisor of the recording member shall document in the report or other documentation if the supervisor or the recording member reviewed body-worn camera recordings prior to completing the report or other documentation.

No member shall have access to or review the member's own body-worn camera recordings or the body-worn camera recordings of another officer prior to completing reports or other documentation when the member:

- (a) Has been involved in or is a witness to an officer-involved shooting, use of deadly force incident, or use of force incident resulting in great bodily harm.
- (b) Is ordered to write a report in response to or during the investigation of a misconduct complaint against the member.

If the member prepares a report related to the circumstances listed above, subject to a supervisor's approval, a member may file a supplemental report after viewing body-worn camera recordings. The member shall document in the supplemental report that the member reviewed recordings (50 ILCS 706/10-20).

Recorded files may also be reviewed:

- Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation, or criminal investigation.
- Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- By media personnel with permission of the Chief of Police or the authorized designee.
- In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Chief of Police or his/her designee prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

#### 423.10.1 DOCUMENTING REVIEW OF RECORDINGS

Members who review recordings prior to completing incident reports or other documentation shall disclose that fact in the report or other documentation (50 ILCS 706/10-20).

## Public Recording of Law Enforcement Activity

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence (50 ILCS 706/10-20).

### 424.2 POLICY

The Zion Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 424.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (720 ILCS 5/14-2; 50 ILCS 706/10-20).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to (50 ILCS 706/10-20):
  - 1. Inciting others to violate the law.
  - 2. Being so close to the activity as to present a clear safety hazard to the officers.
  - 3. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
  - 4. Engaging in any other action that could interfere with an officer's ability to maintain safety and control, secure crime scenes and accident sites, protect the integrity and confidentiality of investigations or protect the public safety and order.

### 424.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **424.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

#### **424.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  - 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  - 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  - 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

evidence is to transmit a copy of the recording from a device to a department device.

Recording devices and media that are seized will be submitted within the guidelines of the Evidence Room Policy.

#### **424.7 DISCIPLINE**

Departmental discipline consistent with the Personnel Complaints Policy and criminal prosecution may result from unlawful confiscation or destruction of a public recording of law enforcement activity (50 ILCS 706/10-20).

## Medical Marijuana

### 425.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production, or use of cannabis under the Illinois Compassionate Use of Medical Cannabis Program Act (the Act) (410 ILCS 130/1 et seq.).

#### 425.1.1 DEFINITIONS

Definitions related to this policy include (410 ILCS 130/10):

**Authorized amount** - No more than 2.5 ounces of usable cannabis unless the person has a Department of Public Health-approved quantity waiver for more than 2.5 ounces. The pre-mixed weight of cannabis used in making cannabis-infused products shall apply toward the authorized amount of cannabis.

**Cardholder** - A person who has been issued a valid registry identification card or valid provisional registration by the Department of Public Health (410 ILCS 130/55).

**Dispensary** - An organization or business that is registered by the Department of Financial and Professional Regulation to acquire medical cannabis from a registered cultivation center for the purpose of dispensing cannabis, paraphernalia, or related supplies and educational materials to cardholders.

**Medical use of cannabis** - The acquisition, administration, delivery, possession, transfer, transportation, or use of cannabis to treat or alleviate a person's debilitating medical condition or symptoms associated with the debilitating medical condition.

**Qualifying patient** - A person who has been diagnosed by a physician, an advanced practice registered nurse, or a physician assistant as having a debilitating medical condition listed in 410 ILCS 130/10(h).

**Registered designated caregiver** - A person who has a valid registry identification card to assist a qualifying patient with the medical use of cannabis.

**Registry identification card** - A document issued by the Department of Public Health that identifies a person as a registered qualifying patient or registered designated caregiver.

**Usable cannabis** - The seeds, leaves, buds, and flowers of the cannabis plant. It does not include the stalks and roots of the plant or the weight of any non-cannabis ingredients combined with cannabis, such as ingredients added to prepare a topical administration, food, or drink.

### 425.2 POLICY

It is the policy of the Zion Police Department to prioritize resources to avoid making arrests related to cannabis that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Medical Marijuana*

---

Illinois medical cannabis laws are intended to provide protection from arrest and prosecution to those who comply with the registration requirements of the law and who use, possess or provide care to mitigate the symptoms of certain chronic or debilitating medical conditions, or produce or deliver cannabis. However, Illinois medical cannabis laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of cannabis. The Zion Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Illinois law and the resources of the Department.

#### **425.3 INVESTIGATION**

Investigations involving the possession, delivery, production or use of cannabis generally fall into one of two categories:

- (a) Investigations when no person makes a medicinal claim
- (b) Investigations when a medicinal claim is made by a cardholder

##### **425.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery, production, or use of cannabis or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use of marijuana (410 ILCS 705/10-5). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

##### **425.3.2 INVESTIGATIONS INVOLVING A CARDHOLDER**

No enforcement action should be taken when a person is in possession of, delivers, or uses cannabis or cannabis paraphernalia when the following amounts of cannabis are not exceeded (410 ILCS 130/25; 410 ILCS 130/10; 410 ILCS 705/10-5):

- (a) 2.5 ounces of cannabis obtained from a dispensary
- (b) More than 2.5 ounces of cannabis obtained from a dispensary if the person has a Department of Public Health-approved quantity waiver
- (c) Five plants more than 5 inches tall (unless properly licensed to possess more plants under a special license)

The total amount possessed between the patient and caregiver shall not exceed the patient's adequate supply.

Despite the existence of a valid registry identification card, if there is evidence that the conduct related to cannabis was not for the purpose of treating or alleviating the qualifying patient's medical condition or symptoms associated with the medical condition, a criminal investigation should occur (410 ILCS 130/25(a)-(d)).

Registered qualifying patients and their designated caregivers are required to possess their registry identification cards at all times when engaging in the medical use of cannabis (410 ILCS

130/70). However, officers who reasonably believe that a person who does not have a registry identification card in his/her possession has been issued a card may treat the investigation as if the person has the card in his/her possession.

#### 425.3.3 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving cannabis possession, delivery, production, or use (410 ILCS 130/25):

- (a) No person may be arrested solely for:
  - 1. Selling cannabis paraphernalia to a cardholder, if the person is employed and registered as a dispensing agent of a dispensary.
  - 2. Being in the presence or vicinity of the medical use of cannabis.
  - 3. Assisting a qualifying patient in possession of a registry identification card with the act of administering cannabis.
- (b) Cannabis, cannabis paraphernalia, illegal property, or interest in legal property that is possessed, owned, or used in connection with the medical use of cannabis may not be seized or forfeited. However, nothing in this policy prohibits cannabis exceeding the authorized amounts or unrelated to any cannabis that is possessed, manufactured, transferred, or used under the Act from being seized or forfeited
- (c) Possession of, or application for, a registry identification card or registration certificate does not itself constitute reasonable suspicion or probable cause to search, nor does it preclude the existence of other independent probable cause.
- (d) Because enforcement of medical cannabis laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
  - 1. The suspect has been identified and can be easily located at another time.
  - 2. The case would benefit from review by a person with expertise in medical cannabis investigations.
  - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
  - 4. There are any other relevant factors, such as available department resources and time constraints.
- (e) Registered cultivation centers and dispensaries, as well as their officers, agents, and employees, may not be searched or seized solely because they are a cultivation center or dispensary, or are officers, agents, or employees of such facilities.
- (f) Before proceeding with enforcement related to a cultivation center, officers should consider conferring with appropriate legal counsel or the medical department of the state police (410 ILCS 705/15-135).

- (g) Allows another person who is not allowed to use cannabis under the Act to use cannabis that a cardholder is allowed to possess.
- (h) Transfers cannabis to any person contrary to the provisions of the Act

##### **425.4 FEDERAL LAW ENFORCEMENT**

Officers should provide information regarding a cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

##### **425.5 PROPERTY/EVIDENCE MANAGER RESPONSIBILITIES**

The Property/Evidence Manager should ensure that cannabis, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. The Property/Evidence Manager is not responsible for caring for live cannabis plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property/Evidence Manager should return to the person from whom it was seized any useable cannabis, plants, drug paraphernalia or other related property.

The Property/Evidence Manager should not destroy cannabis that was alleged to be for medical purposes except upon receipt of a court order.

The Property/Evidence Manager may release cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Detective Bureau supervisor.

# Citation Dismissal, Correction, and Voiding

## 426.1 PURPOSE AND SCOPE

This policy outlines the responsibility for citations, the procedure for dismissal, correction, and voiding of citations.

## 426.2 RESPONSIBILITIES

Records Clerks, under the direction of the Deputy Chief, shall be responsible for the development and design of all Department citations in compliance with County standards, state law, or the Illinois Supreme Court.

Records shall be responsible for the supply and accounting of all citations issued to employees of this department.

## 426.3 DISMISSAL OF CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the generating member's Commander. Upon a review of the circumstances involving the issuance of the citation, it is the decision of the Commander to recommend dismissal of the citation. If approved, the citation will be forwarded to the prosecutor's office with a request for dismissal. All recipients of citations whose request for the dismissal of a citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the prosecutor to dismiss the citation. Upon dismissal of the citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Commander for review.

## 426.4 VOIDING CITATIONS

Voiding a citation may occur when a citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Records.

## 426.5 CORRECTION OF CITATIONS

When a citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a letter requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to the Records. The Records shall prepare a letter of correction to the State's Attorney's Office having jurisdiction and to the recipient of the citation.

## Foot Pursuits

### 427.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue a pursuit of suspects on foot.

### 427.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 427.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances present at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to

immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

#### **427.4 GENERAL GUIDELINES**

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the communications operator or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm, radio, or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness or other environmental conditions.

#### *Foot Pursuits*

### **427.5 RESPONSIBILITIES IN FOOT PURSUITS**

#### **427.5.1 INITIATING OFFICER RESPONSIBILITIES**

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the communications operator of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

#### **427.5.2 ASSISTING OFFICER RESPONSIBILITIES**

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

#### **427.5.3 SUPERVISOR RESPONSIBILITIES**

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

---

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

#### **427.5.4 VILLAGE OF GURNEE COMMUNICATIONS CENTER RESPONSIBILITIES**

Upon notification or becoming aware that a foot pursuit is in progress, the communications operator is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that the Shift Commander is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Assigning an incident number and logging all pursuit activities.

#### **427.6 REPORTING REQUIREMENTS**

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
  - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

# Homeless Persons

## 428.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Zion Police Department recognizes that members of the homeless community are often in need of special protection and services. It is the goal of the Zion Police Department to address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

### 428.1.1 POLICY

It is the policy of the Zion Police Department to provide law enforcement services and to protect the rights, dignity and private property of all members of the community, regardless of their socioeconomic status. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

## 428.2 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. When encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace officers may consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. However, nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

### 428.2.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Homeless Persons*

---

- (e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

#### **428.3 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public (775 ILCS 45/10(a)(7)). Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of homeless persons.

When a homeless person is arrested, or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Deputy Chief.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the Shift Commander if such property appears to involve a trespass, is a blight to the community or is the subject of a complaint. It will be the responsibility of the Shift Commander to address the matter in a timely fashion.

#### **428.4 MENTAL ILLNESS AND MENTAL IMPAIRMENT**

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Civil Commitments Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate.

#### **428.5 ECOLOGICAL ISSUES**

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to our environment

has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

# Firearm Concealed Carry

## 429.1 PURPOSE AND SCOPE

This policy provides guidance for responding to situations involving individuals who possess concealed carry handgun licenses under the provisions of the Illinois Firearm Concealed Carry Act (430 ILCS 66/1 et seq.).

## 429.2 POLICY

The Zion Police Department respects the rights of individuals to carry concealed handguns in compliance with the Illinois Firearm Concealed Carry Act.

It is the policy of the Zion Police Department to not unreasonably interfere with or discriminate against individuals who lawfully carry concealed handguns.

## 429.3 OFFICER RESPONSIBILITY

When an officer initiates an investigative stop, including a traffic stop, and determines that any persons contacted, including passengers, are in possession of concealed firearms and are license holders, the duration of the contact may only be extended by the amount of time reasonably necessary to verify the validity of the license or to verify that possession of the weapon is lawful, absent reasonable suspicion of other criminal activity.

If an officer reasonably believes a person is a clear and present danger because the person has engaged in verbally or physically threatening behavior (e.g., violent, suicidal or assaultive threats or actions), the officer shall report this information to the Illinois State Police (ISP) within 24 hours (430 ILCS 65/8.1). The fact that ISP has been notified and the manner of notification should be documented.

The officer should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent). Officers are cautioned that a search warrant may be needed before seizing weapons or entering a residence or other place to search, unless a lawful, warrantless entry has already been made (e.g., exigent circumstances, consent).

### 429.3.1 OFFICER SAFETY

If an officer reasonably believes it is necessary for the safety of anyone present, the officer may secure a firearm or direct that it be secured during any contact with a licensee lawfully carrying a firearm or non-resident lawfully transporting a firearm in a vehicle. The officer shall return the firearm to the person after it is determined he/she is not a threat to the safety of any person present unless he/she is being transported to another location for treatment, in which case the officer shall proceed as provided in the Firearms in Non-Custody Situations section of this policy (430 ILCS 66/10(h-1)).

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Firearm Concealed Carry*

---

##### **429.4 FIREARMS IN CUSTODY SITUATIONS**

No person shall be transported in a department vehicle or be brought into a department facility or other prohibited facility while armed. If no other reasonable accommodation for the firearm is available, officers should take possession of the firearm, safely secure it during transport and retain possession until the person is released. If the person is not released, the firearm will be submitted to the Evidence Room as evidence or for safekeeping.

If a licensee's vehicle is towed and his/her firearm is in the vehicle, officers should handle the vehicle inventory in a manner that is consistent with the Vehicle Towing Policy. The officer should remove any firearms and submit them to the Evidence Room for either safekeeping or evidence, whichever is appropriate for the circumstances.

If the firearm is locked in a storage container inside the vehicle and is not considered evidence, officers should ask the licensee whether he/she prefers to have the firearm secured for safekeeping in the Evidence Room or left with the vehicle. If the licensee chooses to leave the firearm with the vehicle, his/her decision should be documented in the incident report or towed vehicle report.

The handling officer should provide a receipt, along with instructions for regaining possession of the firearm. Any firearm retained and stored for safekeeping shall be returned to the lawful owner, without fees, in accordance with the Evidence Room Policy.

##### **429.5 FIREARMS IN NON-CUSTODY SITUATIONS**

If a licensee who is in lawful possession of a firearm is encountered under circumstances where he/she cannot adequately secure the firearm, (i.e., is incapacitated or being transported to the hospital for medical reasons), the firearm shall be retained and submitted to the Evidence Room for safekeeping.

The handling officer should provide a receipt documenting the make, model, caliber and serial number of the firearm, along with instructions for regaining possession of the firearm. Any firearm retained and stored for safekeeping shall be returned to the lawful owner, without fees, in accordance with the Evidence Room Policy (430 ILCS 66/10(h-1)).

##### **429.6 OBJECTIONS TO LICENSE APPLICATIONS**

State law allows law enforcement agencies to file an objection to a license applicant when there is reasonable suspicion that the applicant is a danger to him/herself or others, or poses a threat to public safety (430 ILCS 66/15(a)). Any member who becomes aware of a license applicant who the member reasonably suspects is a danger to him/herself or others, or who poses a threat to public safety should promptly forward an incident report or a memorandum, as appropriate, to the Chief of Police or the authorized designee for approval and forwarding to ISP.

##### **429.7 SURRENDER OR SEIZURE OF LICENSES**

Members receiving a concealed carry license that has been voluntarily surrendered to the department because it has been revoked, suspended or denied shall provide the individual

surrendering the license with a receipt and ensure that the license is forwarded to ISP (430 ILCS 66/70).

Officers should seize concealed carry licenses when the officer serves an order of protection and the person served is known to possess a concealed carry license. A notification of the order and the license must be forwarded to ISP within seven days of the date the order was served (430 ILCS 66/70).

It is a misdemeanor for a person to fail to surrender a concealed carry license within 48 hours of receiving notice of the revocation, denial or suspension of the license. Officers observing a license in the possession of a person whose license has been revoked, suspended or denied should consider seizing the license as evidence, if there are articulable facts that establish the person was aware of the revocation, suspension or denial. If the license is seized as evidence, ISP should be notified as soon as practicable. A copy of the report should be forwarded to ISP.

# Suspicious Activity Reporting

## 430.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

### 430.1.1 DEFINITIONS

Definitions related to this policy include:

**Involved party** - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

**Suspicious activity** - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Race, ethnicity, national origin or religious affiliation should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include, but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

**Suspicious Activity Report (SAR)** - An incident report used to document suspicious activity.

## 430.2 POLICY

The Zion Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism, and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

## 430.3 RESPONSIBILITIES

The Criminal Investigations Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Criminal Investigations Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Suspicious Activity Reporting*

---

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

#### **430.4 REPORTING AND INVESTIGATION**

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

#### **430.5 HANDLING INFORMATION**

The Shift Commander shall forward copies of SARs, in a timely manner, to the following:

- Detective Bureau supervisor
- Other authorized designees

## Medical Aid and Response

### 431.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

### 431.2 POLICY

It is the policy of the Zion Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

### 431.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so (720 ILCS 5/7-15).

Prior to initiating medical aid, the member should contact Village of Gurnee Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Village of Gurnee Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  - 1. Signs and symptoms as observed by the member.
  - 2. Changes in apparent condition.
  - 3. Number of patients, sex, and age, if known.
  - 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  - 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

##### **431.4 TRANSPORTING ILL AND INJURED PERSONS**

Members shall not transport persons who are in need of medical treatment. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

##### **431.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a civil commitment in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses and the officer believes that the lack of immediate medical attention may result in serious bodily injury or death, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

##### **431.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

##### **431.7 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Zion Fire and Rescue Department has developed guidelines for air ambulance landings or entered into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Zion Fire and Rescue Department has identified:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft unless signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

#### **431.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

A member should use an AED only after he/she has successfully completed a course of instruction in accordance with the standards of a nationally recognized organization or rules existing under the AED Act, 410 ILCS 4/20.

##### **431.8.1 AED USER RESPONSIBILITY**

Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member using an AED shall notify Village of Gurnee Communications Center as soon as possible and request response by EMS (410 ILCS 4/20).

##### **431.8.2 AED REPORTING**

Any member using an AED will complete an incident report detailing its use.

##### **431.8.3 AED TRAINING AND MAINTENANCE**

The Training Manager shall ensure that the Zion Police Department is equipped with at least one operational and functional AED and that all AED are appropriately maintained and tested (55 ILCS 5/3-6040; 65 ILCS 5/11-1-13; 410 ILCS 4/20).

Records of all maintenance and testing should be maintained in accordance with the established records retention schedule.

The Training Manager shall ensure that an adequate number of members receive training in the use of an AED (55 ILCS 5/3-6040; 65 ILCS 5/11-1-13; 410 ILCS 4/20).

##### **431.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION**

The Training Manager or authorized designee shall maintain written procedures to manage the department's acquisition, storage, transportation, training and administration of opioid overdose medication (20 ILCS 301/5-23).

Members who have received training may administer opioid overdose medication in accordance with protocol specified by the health care professional who prescribed the overdose medication for use by the member (20 ILCS 301/5-23).

##### **431.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES**

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Manager or authorized designee.

Any member who administers an opioid overdose medication should contact Village of Gurnee Communications Center as soon as possible and request response by EMS.

##### **431.9.2 OPIOID OVERDOSE MEDICATION REPORTING**

Any member administering opioid overdose medication shall detail its use in an incident report and any report required by the opioid overdose medication provider.

##### **431.9.3 OPIOID OVERDOSE MEDICATION TRAINING**

The Training Manager should ensure training is provided to members authorized to administer opioid overdose medication that includes information and training on drug overdose prevention, recognition, the administration of an overdose medication and care for the person after administration of the medication as provided in 20 ILCS 301/5-23.

##### **431.10 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. Members shall ask the arrestee if he/she would like to be evaluated by EMS. EMS shall be requested even if the officer has reason to believe the arrestee is feigning injury or illness.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval. A medical clearance for incarceration should be obtained from a physician treating the arrestee prior to transport to a jail or detention facility to limit refusals to accept custody.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

EMS shall determine if an arrestee refusing EMS care requires transport to a hospital due to the severity of the illness or injury. Members shall notify the Shift Commander.

##### **431.11 FIRST AID TRAINING**

Subject to available resources, the Training Manager should ensure officers receive periodic first aid training appropriate for their position.

## Civil Disputes

### 432.1 PURPOSE AND SCOPE

This policy provides members of the Zion Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Illinois law.

### 432.2 POLICY

The Zion Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 432.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

### 432.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

## Policy Manual

### Policy Manual

#### *Civil Disputes*

---

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

#### **432.4.1 STANDBY REQUESTS**

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

#### **432.5 VEHICLES AND PERSONAL PROPERTY**

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

#### **432.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

# First Amendment Assemblies

## 433.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

## 433.2 POLICY

The Zion Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

## 433.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, loitering and disorderly conduct. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

##### **433.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS**

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

Care should be taken to ensure that any simultaneous audio recording does not violate the Illinois Eavesdropping Act (720 ILCS 5/14-2; 720 ILCS 5/14-3).

##### **433.4 UNPLANNED EVENTS**

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Village of Gurnee Communications Center, and the presence of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

##### **433.5 PLANNED EVENT PREPARATION**

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

##### **433.5.1 INFORMATION GATHERING AND ASSESSMENT**

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *First Amendment Assemblies*

---

- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or the race, ethnicity, national origin or religion of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 433.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.

- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

#### **433.5.3 MUTUAL AID AND EXTERNAL RESOURCES**

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

#### **433.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

#### **433.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and Conducted Electrical Weapons should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

## Policy Manual

### Policy Manual

#### *First Amendment Assemblies*

---

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

#### **433.8 ARRESTS**

The Zion Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

#### **433.9 MEDIA RELATIONS**

The Chief of Police should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

#### **433.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

##### **433.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, Village of Gurnee Communications Center records/tapes
- (g) Media accounts (print and broadcast media)

##### **433.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

##### **433.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

## **Chapter 5 - Traffic Operations**

# Traffic Function and Responsibility

## 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

## 500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Zion Police Department. Traffic crash information provided by the Illinois Department of Transportation is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

## 500.3 ENFORCEMENT

Traffic enforcement will be consistent with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas. The number of citations issued by any officer shall not be used as criterion for evaluating officer overall performance, but the number of traffic stops completed, arrests, written warnings, and crime prevention measures are appropriate evaluation criterion (55 ILCS 5/5-1136; 65 ILCS 5/11-1-12).

Several methods are effective in the reduction of collisions:

#### *Traffic Function and Responsibility*

---

##### **500.3.1 WARNINGS**

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

##### **500.3.2 CITATIONS**

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

##### **500.3.3 PHYSICAL ARREST**

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Criminal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Reckless homicide.
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs.
- (c) Felony or misdemeanor hit-and-run.
- (a) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances.

##### **500.4 STOP RECEIPTS**

Whenever an officer stops a motorist under 725 ILCS 5/107-14 and pat-down searches the person or the person's property, the officer should issue a stop receipt providing the reason for the stop and containing the member's name and badge number.

##### **500.5 SEIZURE OF ITEMS**

Officers who reasonably believe that any certificate of title, registration card, permit, license, registration plate, license plate, disability license plate, parking decal or device, or registration sticker is fictitious, expired, revoked, cancelled, suspended or unlawfully issued shall seize such items for return of the items to the Secretary of State (625 ILCS 5/2-111).

##### **500.6 SUSPENDED OR REVOKED DRIVERS LICENSES**

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to 625 ILCS 5/6-303.

##### **500.7 HIGH-VISIBILITY VESTS**

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards

---

presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

##### 500.7.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

##### 500.7.2 CARE AND STORAGE OF HIGH-VISIBILITY VEST

High-visibility vests shall be maintained in each patrol and investigation unit. Care should be taken to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained for replacement of damaged or unserviceable vests. The Deputy Chief should be promptly notified whenever a member needs a high-visibility vest replaced.

## Vehicle Towing

### 502.1 PURPOSE AND SCOPE

This policy provides guidance related to vehicle towing. Nothing in this policy shall require a member of this department to tow a vehicle.

### 502.2 POLICY

The Zion Police Department will tow vehicles when appropriate and in accordance with the law.

### 502.3 REMOVAL OF VEHICLES DUE TO HAZARD

When a vehicle should be towed because it presents a hazard, the owner or operator should arrange for the towing. Department members may assist by communicating requests through Village of Gurnee Communications Center to expedite the process.

If the owner or operator is unable to arrange for towing and the vehicle presents a hazard, the vehicle may be towed at the direction of the department member (625 ILCS 5/4-203).

Vehicles that are not the property of the City should not be driven by department members unless it is necessary to move the vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or comply with posted signs.

### 502.4 ARREST SCENES

Whenever the owner or operator of a vehicle is arrested, the arresting officer should provide reasonable safekeeping by leaving the vehicle secured and lawfully parked at the scene or, when appropriate, by having the vehicle towed, such as when the vehicle presents a traffic hazard or the vehicle would be in jeopardy of theft or damage if left at the scene.

Officers are not required to investigate whether alternatives to towing a vehicle exist after an arrest. However, a vehicle should not be towed if reasonable alternatives exist. When considering whether to leave a vehicle at the scene, officers should take into consideration public safety as well as the reasonable safety of the vehicle and its contents.

The following are examples of situations where a vehicle should not be towed:

- The vehicle can be legally parked, left in a reasonably secure and safe location and is not needed as evidence.
- The vehicle is parked on private property, on which the arrestee or owner is legally residing, or the property owner does not object to the vehicle being parked at that location.
- The arrestee or owner of the vehicle requests that it be released to a person who is present, willing and able to legally take control of the vehicle.
- The vehicle is legally parked and the arrestee or owner requests that it be left at the scene. In such cases the requester should be informed that the Department will not be responsible for theft or damages.

##### **502.5 VEHICLES RELATED TO CRIMINAL INVESTIGATIONS**

Officers should tow vehicles that are needed for the furtherance of an investigation or prosecution of a case, or that are otherwise appropriate for seizure as evidence. Officers should make reasonable efforts to return a recovered stolen vehicle to its owner rather than have it towed, so long as the vehicle is not needed for evidence.

##### **502.6 RECORDS**

Records members shall ensure that pertinent data regarding a towed vehicle is promptly entered into the appropriate database.

###### **502.6.1 VEHICLE TOW REPORT**

Department members towing a vehicle shall complete a vehicle tow report. The report should be submitted to Records as soon as practicable after the vehicle is towed.

A copy of the vehicle tow report for a vehicle towed pursuant to 625 ILCS 5/4-202 or 625 ILCS 5/4-203 shall be provided to the tow service (625 ILCS 5/4-204).

###### **502.6.2 NOTICE OF TOW**

The Tow Report given to the owner, lessee, person identifying himself or herself as the owner or lessee of the vehicle, or any person who was found to be in control of said vehicle at the time of impoundment shall serve as the notice of vehicle impoundment.

Members shall complete an incident report, in addition to the Tow Report, when an abandoned vehicle is towed. Records should send a notice of tow to all registered owners, lienholders and others having a recorded interest in the abandoned vehicle within 48 hours, excluding weekends and holidays, but in no event shall the notice be sent later than 10 business days after the tow. Notice shall be sent to all such individuals by certified mail (625 ILCS 5/4-205). The notice shall include:

- (a) The name, address and telephone number of the Zion Police Department.
- (b) The location where the vehicle is stored.
- (c) A description of the vehicle, including:
  - 1. Color.
  - 2. Manufacturer year.
  - 3. Make and model.
  - 4. License plate number and/or Vehicle Identification Number (VIN).
- (d) The authority and purpose for the removal of the vehicle.
- (e) An explanation of the procedure for release of the vehicle and for obtaining an Administrative Vehicle Tow hearing, if applicable.
- (f) A request for disposition for the vehicle and any information regarding a public sale of the vehicle, if applicable.

If the registered owner, lienholder or other persons having a recorded interest in the vehicle cannot be immediately determined, the notice shall be sent no later than two days after such determination can be made (625 ILCS 5/4-205).

#### **502.7 TOWING SERVICES**

Members shall not show preference among towing services that have been authorized for use by the Department. A rotation system established by the Department for tow services should be followed (625 ILCS 5/4-203.5).

##### **502.7.1 TOW ROTATION LIST**

The Patrol Commander is responsible for ensuring that tow rotation lists to be used by department members when authorizing tows is established and maintained (625 ILCS 5/4-203.5). All complaints regarding the process for inclusion on a tow rotation list or the use of a tow rotation list shall be forwarded to the Chief of Police.

Members should only deviate from the rotation list in the following circumstances (625 ILCS 5/4-203.5):

- (a) A safety emergency justifies deviation.
- (b) The tow service next on the list is incapable of or not properly equipped for handling a specific task related to the tow that requires special skills or equipment.

Members should document the reason for any deviation.

Towing firms are prohibited from soliciting tows that have not been requested by a member or the owner or operator of a disabled vehicle. Members should tell any such tow operator who is present or arrives to leave the scene (625 ILCS 5/4-203.5).

#### **502.8 VEHICLE INVENTORY**

The contents of all vehicles towed at the request of department members shall be inventoried and listed on the Tow Report. When reasonably practicable, photographs may be taken to assist in the inventory.

- (a) An inventory of personal property and the contents of open containers will be conducted throughout the passenger and engine compartments of the vehicle including, but not limited to, any unlocked glove box, other accessible areas under or within the dashboard area, any pockets in the doors or in the back of the front seat, in any console between the seats, under any floor mats and under the seats.
- (b) In addition to the passenger and engine compartments as described above, an inventory of personal property and the contents of open containers will also be conducted in any other type of unlocked compartments that are a part of the vehicle, including unlocked vehicle trunks and unlocked car top containers.
- (c) Any locked compartments including, but not limited to, locked glove compartments, locked vehicle trunks, locked hatchbacks and locked car-top containers should be

inventoried, provided the keys are available and released with the vehicle to the third-party towing company or an unlocking mechanism for such compartment is available within the vehicle.

- (d) Closed containers located either within the vehicle or any of the vehicle's compartments will be opened for inventory purposes if the container can be opened without damaging it.

Members should ask the occupants whether the vehicle contains any valuables or hazardous materials. Responses should be noted in the inventory report.

When practicable and appropriate, cash, jewelry or other small valuables located during the inventory process should be removed from the vehicle and given to the owner, or booked into property for safekeeping in accordance with the Evidence Room Policy. A copy of the property record should be given to the person in control of the vehicle or, if that person is not present, left in the vehicle.

A copy of the vehicle tow report will be given to the tow truck operator.

These inventory procedures are for the purpose of protecting the vehicle owner's property, providing for the safety of department members and protecting the Department against fraudulent claims of lost, stolen or damaged property.

Towing a vehicle in order to perform an inventory should not be used as a pretext for an evidence search. Nothing in this policy prevents the towing of a vehicle that would occur for reasons independent of any suspicion that the vehicle may contain evidence if it is otherwise justified by law or this policy.

#### **502.9 SECURITY OF VEHICLES AND RETRIEVAL OF PROPERTY**

If the search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, the department member conducting the search shall take such steps as are reasonably necessary to secure or protect the vehicle or property from such hazards.

Unless it would cause an unreasonable delay in towing the vehicle or create an issue of officer safety, reasonable accommodations should be made to permit the owner, operator or occupant to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

Members who become aware that a vehicle may have been towed by the Department in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the owner or his/her agent to request a hearing to contest the tow.

# Administrative Vehicle Tow Fee Hearings

## 503.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide a hearing for the assessment of an administrative tow fee upon a vehicle as a result of an arrest.

## 503.2 VEHICLE TOWS OR IMPOUNDS

When a vehicle is towed as a result of an arrest by any member of the Zion Police Department an administrative tow fee may be assessed. An administrative hearing may be conducted to contest the administrative tow fee upon the request of the registered or legal owner of the vehicle or their agent. The administrative hearing shall follow hearing procedures provided within the ordinance.

Vehicles that are impounded for the purpose of statutory seizure shall have hearings in compliance with the statute.

### 503.2.1 HEARING PROCEDURES

The administrative hearing is an informal process to evaluate the validity of the tow and assessment of administrative tow fees on a vehicle. Any relevant evidence may be submitted and reviewed by the hearing officer to determine if the vehicle in question was properly towed and assessed an administrative tow fee in accordance with the law and Zion Police Department policies and procedures. The employee who caused the removal of the vehicle does not need to be present for this hearing.

The registered or legal owner of the vehicle or their agent has the right to an administrative hearing no later than 40 days after delivery of notice of the administrative tow fee. The date of the administrative hearing will be set at the time the vehicle is towed and recorded on the Tow Report. The hearing is not mandatory.

The administrative hearing officer shall consider all information provided and determine the validity of the towing of the vehicle in question and the assessment of the administrative tow fee and then render a decision.

If a decision is made that the vehicle was properly towed and an administrative tow fee was properly assessed within the law and department policy, and that mitigating circumstances are not a factor, the hearing officer shall so advise the inquiring party.

A decision that the vehicle was not properly towed and/or the administrative tow fee was not properly assessed in a lawful manner or within department policy will require that the administrative tow fee be refunded. Reimbursement shall follow procedures provided within the ordinance.

If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the assessment of fees as warranted.

# Impaired Driving

## 504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

## 504.2 POLICY

The Zion Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Illinois's impaired driving laws.

## 504.3 INVESTIGATIONS

The Patrol Commander will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Illinois or another jurisdiction.

Detectives should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

## 504.4 FIELD TESTS

The Patrol Commander should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

### 504.4.1 MEDICAL CANNABIS CARDHOLDER

A person who is a medical cannabis card holder and is reasonably suspected of driving or in actual physical control of a motor vehicle while impaired by the use of cannabis is deemed to have consented to standardized field sobriety tests (625 ILCS 5/11-501.9(a)).

##### **504.5 CHEMICAL TESTS**

A person implies consent under Illinois law to a chemical test or tests, and to providing the associated sample, under any of the following:

- (a) The arresting officer has probable cause to believe that the person was driving or in actual physical control of a vehicle while under the influence of alcohol, drugs, intoxicating compounds or any combination thereof (625 ILCS 5/11-501.1).
- (b) The person is arrested, as evidenced by a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, with the exception of equipment violations contained in Chapter 12 of this Code, or similar provisions of local ordinances, for driving a vehicle involved in a motor vehicle accident resulting in personal injury or death of any person (625 ILCS 5/11-401).
- (c) The person was driving or in actual physical control of a vehicle and involved in a personal injury or fatality accident and is arrested as evidenced by a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, with the exception of equipment violations contained in Chapter 12 of this Code, or similar provisions of local ordinances (625 ILCS 5/11-501.6).
- (d) The person is under the age of 21, was driving or in actual physical control of a vehicle and the officer has probable cause to believe that the person has consumed any amount of an alcoholic beverage (625 ILCS 5/11-501.8).

Chemical tests shall be taken pursuant to the standards promulgated by the Department of State Police (625 ILCS 5/11-501.2(a)).

Any person unable to withdraw consent (e.g., unconscious or otherwise in a condition rendering the person incapable of refusal) is deemed not to have withdrawn consent and the test(s) may be administered (625 ILCS 5/11-501.1(b)).

If a person withdraws this implied consent the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

##### **504.5.1 STATUTORY NOTIFICATIONS**

An officer requesting that a person submit to a chemical test, or to a field sobriety test during an investigation of a medical marijuana cardholder driving while impaired by the use of cannabis, shall provide the person with the mandatory statutory warning.

If the person refuses to acknowledge in writing receipt of the warning regarding failure to submit to a chemical test, the officer shall document on the warning that the person refused to sign (See generally, 625 ILCS 5/11-501.1; 625 ILCS 5/11-501.6; 625 ILCS 5/11-501.8; 625 ILCS 5/11-501.9).

##### **504.5.2 BREATH SAMPLES**

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Commander.

#### 504.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (625 ILCS 5/11-501.2(a)(2)). The blood draw should be witnessed by the assigned officer.

Any person unable to withdraw consent (e.g., unconscious or otherwise in a condition rendering the person incapable of refusal) is deemed not to have withdrawn consent and the test(s) may be administered (625 ILCS 5/11-501.1(b)). Blood draws on persons unable to withdraw consent shall only be performed by qualified hospital personnel, in a hospital and after necessary medical care has been provided.

Officers should inform the individual that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The department has established the Forensic Phlebotomy Program to aid officers in the investigation of DUIs and/or accidents involving personal injury and/or death to another. The purpose of the program is to collect blood from an individual before the amount of a substance causing impairment is lost or reduced by the passage of time. A Phlebotomy Officer is a sworn officer specifically trained, and currently qualified, to collect blood from another individual through venipuncture. The following restrictions apply:

- (a) Phlebotomy Officers are the only departmental personnel authorized to collect a blood sample from an individual.
- (b) Phlebotomy Officers shall only perform a blood draw on subjects under investigation for DUI and/or accidents involving serious bodily injury and/or death.
- (c) Phlebotomy Officers shall obtain supervisory approval before performing a blood draw.
- (d) Phlebotomy Officers shall only perform a blood draw at the Zion Police Department, 2101 Salem Boulevard, Zion, IL 60099; in the room approved for blood draws.

- (f) Phlebotomy Officers shall not perform or attempt a blood draw on an uncooperative individual who is resisting or indicates they will resist the blood draw.
- (g) Phlebotomy Officers shall not exceed two draw attempts on a subject.
- (h) Phlebotomy Officers shall perform a blood draw within two hours from the time of first law enforcement contact with an individual. No blood draws shall be completed after the two hour time limit.

If the individual cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test shall not be treated as a refusal. However, that individual may be required to complete another available and viable test.

#### 504.5.4 URINE SAMPLES

The following procedures shall be used to obtain a urine sample from a subject to determine the presence of alcohol, other drugs or intoxicating compounds:

- (a) A sample of urine shall be collected in a manner to preserve the dignity of the individual and to ensure the integrity of the sample.

(IL Administrative Code Title 20;Part 1286;Section 1286.330, effective May 1, 2007)

When a urine sample is collected at the Zion Police department, the collection should be done in a temporary holding cell away from the view of the booking room camera to preserve the dignity of the person providing the sample.

#### **504.5.5 DESIGNATION OF CHEMICAL TESTS**

The Patrol Commander shall designate which type of chemical tests may be administered by officers.

Officers may generally administer up to two additional tests of urine or other bodily substance even if a blood or breath test, or both, has been administered (625 ILCS 5/11-501.1(a); 625 ILCS 5/11-501.6(a); 625 ILCS 5/11-501.8(a)).

- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

#### **504.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL**

Upon refusal to submit to a chemical test, or to submit to a field sobriety test during an investigation of a medical marijuana cardholder driving while impaired by the use of cannabis as required by law, officers shall personally serve the notice of statutory summary suspension or revocation upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person and issue the person a temporary driving permit (625 ILCS 5/11-501.1(f); 625 ILCS 5/11-501.9).

#### **504.6.2 BLOOD SAMPLE WITHOUT CONSENT**

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency

##### **504.6.3 FORCED BLOOD SAMPLE**

No member shall compel an arrestee to provide a blood sample under threat of or actual use of force. If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance.
  - 1. This dialogue should be recorded on audio and/or video when practicable.
- (b) Ensure that the blood sample is taken in a medically approved manner.
- (c) Ensure the blood draw is recorded on audio and/or video when practicable.
- (d) Monitor and ensure that the blood draw is completed without resistance.
- (e) If the arrestee indicates by word or action that he/she will continue to resist a blood draw:
  - (a) In misdemeanor cases, discontinue efforts to obtain a blood draw and note the refusal in the report.
  - (b) In felony cases, determine if circumstances warrant obtaining a search warrant ordering a blood draw.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

#### **504.7 ARREST AND INVESTIGATION**

##### **504.7.1 PRELIMINARY BREATH SCREENING TEST**

An officer having reasonable suspicion to believe that a person is DUI may, prior to arrest, request that the person provide a sample of his/her breath for a preliminary breath screening (PBS) test using a portable device approved by the Department of State Police. The person may refuse the test, however, if a test is administered, the results may be used by the officer for the purpose of determining whether probable cause exists to require a chemical test as authorized by 625 ILCS 5/11-501.1 and 625 ILCS 5/11-501.2 (625 ILCS 5/11-501.5).

## Disabled Vehicles

### 506.1 PURPOSE AND SCOPE

All law enforcement agencies having responsibility for traffic enforcement should develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

### 506.2 POLICY

It is the policy of the Zion Police Department to assist motorists with disabled vehicles until those vehicles are safely removed from the roadway. Members should take appropriate action to mitigate potential problems when a vehicle constitutes a traffic hazard or the safety of the motorist is a concern.

### 506.3 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the telecommunicator should be advised of the location of the disabled vehicle and the need for assistance. The telecommunicator should then assign another available officer to respond for assistance as soon as practical.

### 506.4 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

#### 506.4.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle.

#### 506.4.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by manually pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle. Members shall not use department vehicles to push or pull a disabled vehicle

#### 506.4.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

#### **600.4 CUSTODIAL INTERROGATION REQUIREMENTS**

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies.

##### **600.4.1 AUDIO/VIDEO RECORDINGS**

All custodial interrogations at the Zion Police Department of suspects in investigations of offenses as provided in 725 ILCS 5/103-2.1 shall be electronically recorded in their entirety (motion picture, audiotape or videotape, or digital recording) (725 ILCS 5/103-2.1; 705 ILCS 405/5-401.5). Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of an interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Detective Bureau supervisor. Copies of recorded interrogations or interviews may be made in the same or different format provided they are true, accurate and complete copies and are made only for authorized and legitimate law enforcement purposes. Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

#### **600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.

#### **600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

#### **600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

##### **600.7.1 ACCESS RESTRICTIONS**

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. **Seizure** - The act of law enforcement officials taking property, cash, or assets that have been used in connection with or acquired by specified illegal activities.

#### **601.2 POLICY**

The Zion Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Zion Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

#### **601.3 ASSET SEIZURE**

Property may be seized for forfeiture as provided in this policy.

##### **601.3.1 PROPERTY SUBJECT TO SEIZURE**

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer:

- (a) Property that is subject to forfeiture because it constitutes evidence of a crime and may be legally seized as part of a criminal investigation, search warrant, or by other court order.
- (b) Property seized without a court order when there is probable cause to believe that the property is subject to forfeiture, the property is seized under circumstances in which a warrantless seizure or arrest would be reasonable (i.e., property would be lost without immediate seizure), and the seizure is authorized by statute, as in:
  - 1. Seizure of vessels, vehicles, and aircraft under the Criminal Code of 2012 (720 ILCS 5/36-1.1).
  - 2. Money laundering (720 ILCS 5/29B-6).
  - 3. The Illinois Controlled Substances Act (725 ILCS 150/3.1).
  - 4. The Cannabis Control Act (725 ILCS 150/3.1).
  - 5. The Illinois Food, Drug and Cosmetic Act (410 ILCS 620/3.23; 725 ILCS 150/3.1).
  - 6. The Methamphetamine Control and Community Protection Act (725 ILCS 150/3.1).

Officers may request the Attorney General or any State's Attorney seek a court order to seize property when there is probable cause to believe that it may be subject to forfeiture upon a successful criminal prosecution (725 ILCS 5/124B-805; 725 ILCS 5/124B-150).

Whenever practicable, a court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

- (c) Property that the officer reasonably believes would be excessive as it relates to the offense in question (720 ILCS 5/36-3.1; 725 ILCS 150/9.5)

The officer will book seized property as evidence with a notation that the property is being seized subject to forfeiture proceedings.

Photographs should be taken of items seized, particularly cash, jewelry, and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

Distribution and use of forfeited assets related to child pornography should be conducted pursuant to the procedures set forth in 725 ILCS 5/124B-505.

Distribution and use of forfeited assets related to computer and financial crimes should be conducted pursuant to the procedures set forth in 725 ILCS 5/124B-605.

No member of this department may use property that has been seized for forfeiture until the forfeiture action has been completed and the Chief of Police has given written authorization to retain the property for official use. No department member involved in the decision to seize property should be involved in any decision regarding the disposition of the property.

# Informants

## 602.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

### 602.1.1 DEFINITIONS

Definitions related to this policy include:

**Informant** - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Zion Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Zion Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

## 602.2 POLICY

The Zion Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

## 602.3 USE OF INFORMANTS

### 602.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

### 602.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

### 602.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Informants*

---

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

#### **602.4 INFORMANT INTEGRITY**

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Commander, Drug/Gang Unit supervisor or their authorized designees.
  - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Zion Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
  - 1. Members shall not become intimately involved with an informant.
  - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Drug/Gang Unit supervisor.
  - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Drug/Gang Unit supervisor.
  - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

#### **602.4.1 UNSUITABLE INFORMANTS**

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Informants*

---

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

#### **602.5 INFORMANT FILES**

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Drug/Gang Unit. The Drug/Gang Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Investigations Commander, Drug/Gang Unit supervisor or their authorized designees.

The Investigations Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Drug/Gang Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

##### **602.5.1 FILE SYSTEM PROCEDURE**

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

- (a) Name and aliases
- (b) Date of birth

- (g) Vehicles owned and registration information
- (h) Places frequented

  - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

#### **602.6 INFORMANT PAYMENTS**

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Drug/Gang Unit supervisor will discuss the above factors with the Investigations Commander and recommend the type and level of payment subject to approval by the Chief of Police.

##### **602.6.1 PAYMENT PROCESS**

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$250 and under may be paid in cash from a Drug/Gang Unit buy/expense fund.
  - (a) The Drug/Gang Unit supervisor shall authorize the payment.
  - (b) Drug/Gang Unit member shall sign the voucher for cash payouts from the buy/expense fund.

  - 1. The Chief of Police shall provide written authorization for payment.
  - 2. The Drug/Gang Unit supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (d) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
  - 1. The cash transfer form shall include the following:
    - (a) Date
    - (b) Payment amount
    - (c) Zion Police Department case number
    - (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
  - 2. The cash transfer form shall be signed by the informant.
  - 3. The cash transfer form will be kept in the informant's file.

#### 602.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as other income and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

#### 602.6.3 AUDIT OF PAYMENTS

The Drug/Gang Unit supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every six months, the Deputy Chief or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

## Felony Investigation Discovery

### **603.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines for proper management of discovery issues in homicide and “non-homicide felony” investigations as mandated by 725 ILCS 5/114-13.

### **603.2 INVESTIGATIVE MATERIALS**

In every homicide investigation and “non-homicide felony” investigation conducted by the department, or when the Department participates in an investigation of a homicide or “non-homicide felony,” the Department shall exercise due diligence to provide to the State’s Attorney’s Office all investigative materials that have been generated or come into the possession of the department concerning the homicide or “non-homicide felony.”

Investigative materials include, but are not limited to, reports and memoranda. In homicide investigations, investigative materials also include field notes.

### **603.3 COMPLIANCE**

The Investigations Commander shall implement appropriate procedures, including the periodic review of all homicide and “non-homicide felony” case files to ensure that all investigative materials and exculpatory evidence has been provided to the State’s Attorney’s Office.

All department personnel shall document in writing the tendering of investigative materials to the State’s Attorney’s Office and include the date, description of materials transmitted and to whom the materials were tendered.

The Department shall cooperate with all requests for investigative materials made by the State’s Attorney in a timely and efficient manner.

### **603.4 CONTINUING OBLIGATIONS**

The duty to disclose exculpatory information under this policy continues throughout the course of the prosecution of the case, remains after a defendant’s conviction and until the fact finding proceedings, or the possibility of further proceedings, have ended.

# Eyewitness Identification

## 604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (725 ILCS 5/107A-2).

### 604.1.1 DEFINITIONS

Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

## 604.2 POLICY

The Zion Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

## 604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

## 604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigations Commander shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (725 ILCS 5/107A-2):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) Notice that if an audio/video recording of the lineup is made it will be of the persons in the lineup and the witness.
- (j) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed periodically and modified when necessary to ensure compliance with 725 ILCS 5/107A-2 and applicable judicial decisions.

#### **604.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses shall view suspects or a lineup individually and outside the presence of other witnesses (725 ILCS 5/107A-2). Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses. Witnesses should be separated or monitored and the lineup administrator shall ensure that all eyewitnesses are monitored to prevent them from conferring with one another while waiting to view the lineup and during the lineup (725 ILCS 5/107A-2).

Whenever feasible, the eyewitness identification procedure shall be audio and/or video recorded and the recording should be retained according to current evidence procedures. If the witness refuses to allow a recording of the process, the refusal shall be recorded and the member shall document in the report that no recording was made and the reason (725 ILCS 5/107A-2).

#### **604.6 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the member presenting the lineup shall not be involved in the investigation of the case or know the identity of the suspect (725 ILCS 5/107A-2).

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Eyewitness Identification*

---

In no case should the member presenting a lineup to a witness know which photograph or person in the live lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

#### **604.6.1 ADDITIONAL CONSIDERATIONS**

Members presenting a lineup shall also ensure that (725 ILCS 5/107A-2):

- (a) Only one suspect is presented in a photo lineup and a minimum of five filler photos is utilized.
- (b) When practicable there should be five filler subjects used in a live lineup. In no case will fewer than three filler subjects be used.
- (c) No writings or information related to the persons presented is visible or made known to the witness.
- (d) If the witness requests to view a photograph or person again, he/she may do so, but only after first viewing each person or photograph.
- (e) If the witness identifies a person as the perpetrator, he/she shall not be provided with any information concerning the person until after the lineup is completed.
- (f) An automated computer program or other device may be used to display a photo lineup to an eyewitness provided the member administering the lineup cannot view the photos until completion of the lineup process.

#### **604.7 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Eyewitness Identification*

---

2. The distance between the witness and the suspect.
  3. Whether the witness could view the suspect's face.
  4. The quality of the lighting when the suspect was observed by the witness.
  5. Whether there were distracting noises or activity during the observation.
  6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of a show-up as the perpetrator, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

#### **604.8 DOCUMENTATION**

A thorough description of the eyewitness process and the results of any eyewitness identification shall be documented in the case report (725 ILCS 5/107A-2). If practicable, an audio or video recording of the witness statements shall be made.

If a photographic lineup is utilized, the actual photographic lineup presented to the witness shall be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report. If a live lineup is utilized, a photograph or other visual recording shall be included in the case report (725 ILCS 5/107A-2).

If an automated computer process or other similar device is used to conduct a photographic lineup, the results of that lineup, including the photographs displayed, will be saved in a manner that permits the process to be repeated and shall be made part of the case report.

## Brady Material Disclosure

### 605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called *Brady* information) to a prosecuting attorney.

#### 605.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** -Information known or possessed by the Zion Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 605.2 POLICY

The Zion Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Zion Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

### 605.4 BRADY PROCESS

The Chief of Police shall select a member of the Department to coordinate requests for Brady information.

# Zion Police Department

## Policy Manual

### Policy Manual

#### *Brady Material Disclosure*

---

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes Brady information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have Brady information in their files or backgrounds.
  - 1. Updating this list whenever potential Brady information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

#### **605.5 DISCLOSURE OF REQUESTED INFORMATION**

If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in-camera review by the court.
  - 1. If no motion is filed, the supervisor should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The appropriate Division Commander shall accompany all relevant personnel files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.
  - 1. Prior to the release of any materials pursuant to this process, the appropriate Division Commander should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

#### **605.6 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

##### **605.7 SUBPOENA PROCESSING**

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have Brady information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

##### **605.8 TRAINING**

Department personnel should receive periodic training on the requirements of this policy.

# Unmanned Aerial System

## 606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval, and dissemination of images and data captured by the UAS.

### 606.1.1 DEFINITIONS

Definitions related to this policy include:

**Unmanned aerial system (UAS)** - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording, or any other means.

## 606.2 POLICY

A UAS may be utilized to enhance the Zion Police Department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

## 606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

## 606.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations, and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current, and/or coordinating compliance with FAA Part 107 Remote Pilot Certificate, as appropriate for the Zion Police Department's operations.
- Ensuring that all authorized operators and required observers have completed all required FAA and Zion Police Department-approved training in the operation, applicable laws, policies, and procedures regarding use of the UAS.
- Developing uniform protocols for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents.

Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

- Coordinating the completion of the FAA Emergency Operation Request Form in emergency situations, as applicable (e.g., natural disasters, search and rescue, emergency situations to safeguard human life).
- Developing protocols for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing operational protocols governing the deployment and operation of a UAS including but not limited to safety oversight, use of visual observers, establishment of lost link procedures, and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance, and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored, and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates, and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, especially regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.
- Maintaining familiarity with FAA regulatory standards, state laws and regulations, and local ordinances regarding the operations of a UAS.
- Developing procedures for the use of facial recognition software to evaluate information gathered by a UAS, as permitted by 725 ILCS 167/17.
- Ensuring that the Zion Police Department's current UAS policy is posted on the City of Zion's website (725 ILCS 167/35).

#### **606.5 USE OF UAS**

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy

interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted consistent with FAA regulations.

The Zion Police Department may not use the UAS to gather information except (725 ILCS 167/15):

- (a) To counter a high risk of a terrorist attack by a specific individual or organization if the United States Secretary of Homeland Security determines that credible intelligence indicates there is a risk.
- (b) Pursuant to a search warrant based on probable cause. The warrant must be limited to a period of 45 days, renewable by a judge upon showing good cause for subsequent periods of 45 days.
- (c) Upon reasonable suspicion that under particular circumstances, swift action is needed to prevent imminent harm to life, forestall the imminent escape of a suspect, or prevent the destruction of evidence. The use of a UAS under this paragraph is limited to a period of 48 hours. Within 24 hours of UAS initiation under this paragraph, the Chief of Police must report its use, in writing, to the State's Attorney.
- (d) To locate a missing person, engage in search and rescue operations, or aid a person who cannot otherwise be safely reached while not also undertaking a criminal investigation.
- (e) To obtain crime scene and traffic crash scene photography in a geographically confined and time-limited manner. The use of the UAS under this paragraph on private property requires either a search warrant or lawful consent to search.
- (f) To obtain information necessary for the determination of whether a disaster or public health emergency should be declared, to manage a disaster by monitoring weather or emergency conditions, to survey damage, or to coordinate response and recovery efforts.
- (g) To conduct an inspection of the infrastructure of a designated building or structure when requested by a local government agency.
- (h) To locate victims, assist with victims' immediate health or safety needs, or coordinate the response of emergency vehicles and personnel, when dispatched to an emergency.

#### 606.5.1 PRIVATE UAS OWNERS

This policy and its restrictions apply to the department's directed use of a UAS owned by a private third party and information gathered by a UAS voluntarily submitted to the Zion Police Department by a private third party (725 ILCS 167/40).

## Sexual Assault Investigations

### 607.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims (725 ILCS 203/15).

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

#### 607.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any of the following (725 ILCS 203/10):

- (a) Any crime or attempted crime defined in 720 ILCS 5/11-1.20 through 720 ILCS 5/11-1.60 of the Criminal Code of 2012
- (b) Any crime or attempted crime defined in sections 720 ILCS 5/12-13 through 720 ILCS 5/12-16 of the Criminal Code of 1961

- (d) Any act of nonconsensual sexual conduct or sexual penetration as defined in 720 ILCS 5/12-12 of the Criminal Code of 1961

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

### 607.2 POLICY

It is the policy of the Zion Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

#### 607.2.1 WRITTEN GUIDELINES

The Investigations Commander should ensure that written procedures are in place for members responding to reports of sexual assaults or assigned to these investigations. These procedures shall be consistent with the Illinois Attorney General guidelines on response to, and investigation of, sexual assaults (725 ILCS 203/15).

### 607.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

---

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations (50 ILCS 705/10.21).
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with the SART or other multidisciplinary investigative teams as applicable.

#### **607.4 REPORTING**

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

##### **607.4.1 REPORTING REQUIREMENTS**

Written reports shall include to the extent reasonably known to the reporting member the following (725 ILCS 203/20):

- (a) The victim's name or other identifier
- (b) The victim's contact information
- (c) The time, date and location of the offense
- (d) Information provided by the victim
- (e) The suspect's description and name, if known
- (f) The names of persons with information relevant to the time before, during or after the offense, and their contact information
- (g) The names of medical professionals who conducted a medical forensic examination of the victim, and any information provided about the offense
- (h) Whether an Illinois State Police Sexual Assault Evidence Collection Kit was completed, the name and contact information for the hospital, and whether the victim consented to testing of the Evidence Collection Kit by law enforcement
- (i) Whether a urine or blood sample was collected and whether the victim consented to testing of a toxicology screen by law enforcement
- (j) Information the victim related to medical professionals during a medical forensic examination and which the victim consented to disclose to law enforcement
- (k) Other relevant information

##### **607.4.2 THIRD-PARTY COMPLAINTS**

A written report shall be completed even if the information regarding a sexual assault or sexual abuse is reported by a third party, unless the third party fails to provide the following (725 ILCS 203/22):

- (a) His/her name and contact information
- (b) Affirmation that the victim of the sexual assault or sexual abuse gave consent to the third party to provide information about the sexual assault or sexual abuse

##### **607.4.3 JURISDICTIONAL ISSUES**

If the sexual assault investigation determines that the sexual assault occurred outside the jurisdiction of Zion, the Shift Commander should ensure that the report is forwarded to the appropriate agency within 24 hours by fax or email (725 ILCS 203/20).

Within 24 hours of receiving a report from a law enforcement agency in another jurisdiction regarding a sexual assault that occurred in our jurisdiction, the Shift Commander should ensure that a written confirmation or receipt is sent by fax or email or delivered in person. The written confirmation shall contain the name and identifier of the officer who is confirming receipt of the report and a name and contact phone number that will be given to the victim (725 ILCS 203/20).

In all reported or suspected cases of sexual assault that may have occurred in another jurisdiction, a report should still be written and forwarded to the appropriate law enforcement agency within 24 hours unless the other agency promptly responds to the location of the initiating interview and takes responsibility for the investigation (725 ILCS 203/20). If an agency from the other jurisdiction responds to take responsibility for the investigation, the Zion member who initially responded should report any statements obtained up until that point, relevant observations and the name and contact information of the member of the agency that is taking responsibility for the investigation.

##### **607.5 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to Village of Gurnee Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

No victim shall be compelled or required to submit to an interview (725 ILCS 203/20).

Victims shall not be asked or required to take a polygraph examination or any form of a mechanical or electrical lie detector test (34 USC § 10451; 725 ILCS 200/1).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

#### **607.6 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE**

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim. Victims should be permitted to have an advocate present during the medical evidentiary and physical examination whenever reasonably practicable. Victims may also have an additional person present for support during the examination (725 ILCS 120/4.6).

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be collected.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should still be collected and stored appropriately.

##### **607.6.1 MEMBER RESPONSIBILITIES**

Members investigating sexual assaults or handling related evidence are further required to do the following (725 ILCS 203/30; 725 ILCS 202/10):

- (a) Take custody of sexual assault evidence as soon as practicable. Sexual assault evidence collected from a forensic examination shall be collected within five days after the completion of the exam.
- (b) Document the date and time the sexual assault evidence is picked up from a hospital and the date and time the sexual assault evidence was sent to a lab.
- (c) Prior to submitting forensic examination evidence for testing, obtain the appropriate written consent from the victim or authorized representative (410 ILCS 70/6.5(a)).
- (d) Document the date when consent was given by a victim to have the victim's forensic examination evidence tested.
- (e) Submit any sexual assault evidence for testing within 10 business days of the consent of the victim or authorized representative.
- (f) Not be present in the examination room during a medical examination, unless the victim is in custody and it is determined to be necessary for safety after consulting with the qualified medical care provider and the rape crisis advocate (77 Ill. Adm. Code 545.60; 77 Ill. Adm. Code 545.65).

- (g) Provide the victim with information about the Illinois State Police sexual assault evidence tracking system, including the victim's unique log-in information to access the system (725 ILCS 203/11).

Additional guidance regarding evidence retention and destruction is found in the Evidence Room Policy.

#### **607.6.2 RELEASE PROTOCOL**

The Investigations Commander shall ensure that a procedure is in place for responding to a victim who wants to sign a consent form for the release of sexual assault evidence for testing (725 ILCS 203/30).

#### **607.6.3 DNA TEST RESULTS**

Members investigating sexual assault cases should notify victims of the status and results of any DNA test (725 ILCS 203/35).

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Members investigating sexual assault cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

#### **607.7 DISPOSITION OF CASES**

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigations Commander.

Classification of a sexual assault case as unfounded requires the Investigations Commander to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

#### **607.8 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigations Commander should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

#### **607.9 TRAINING**

Training will be provided to (725 ILCS 203/20; 50 ILCS 705/10.21):

  - 3. Medical and legal aspects of sexual assault investigations.
  - 4. Serial crimes investigations.
  - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).

#### **607.10 CRIMINAL INVESTIGATION OF AN OFFICER**

Any member uncovering or receiving a complaint of a criminal sexual assault involving an officer of the Zion Police Department should as soon as practicable notify his/her supervisor, who should immediately notify his/her chain of command so that the Chief of Police can contact an outside agency to conduct the criminal investigation (5 ILCS 815/10).

The Chief of Police or the authorized designee may pursue an intergovernmental or interagency agreement to facilitate such an investigation should it be needed (5 ILCS 815/20).

An administrative investigation of the involved officer may be conducted pursuant to the Personnel Complaints Policy and will be conducted in a manner that does not interfere with the criminal investigation (5 ILCS 815/15).

## Warrant Service

### 608.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

### 608.2 POLICY

It is the policy of the Zion Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

### 608.3 DETERMINATION OF RISK

The Patrol Commander or Detective Bureau supervisor (see the Operations Planning and Deconfliction Policy) shall review all risk assessments with the involved supervisor to determine the risk level of the warrant service.

The Patrol Commander or Detective Bureau Supervisor will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

### 608.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete a risk assessment and submit written documentation, along with the warrant affidavit, to the appropriate supervisor and the Patrol Commander or Detective Bureau Supervisor, whichever is appropriate, for review and classification of risk (see the Operations Planning and Deconfliction Policy).

#### 608.4.1 NO KNOCK SEARCH WARRANTS

No Knock Search Warrants, where officers do not knock on an entry point to a privately owned building or structure and announce their presence and purpose prior to entering the privately owned building or structure, are prohibited.

Officers shall not seek a No Knock Order from a judge when seeking a search warrant. Officers shall knock and announce their presence and purpose prior to entering a privately owned building

or structure when serving a legally issued search warrant for a privately owned building or structure.

#### **608.5 ARREST WARRANTS**

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete a risk assessment and submit written documentation to the appropriate supervisor and the Patrol Commander or Detective Bureau Supervisor, whichever is appropriate, for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the appropriate commander. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

#### **608.6 WARRANT PREPARATION**

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime warrant execution.
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched (numerical address, location relative to other buildings, color, unique identifying features), including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).
- (i) Additional information required by 725 ILCS 5/108-8 (e.g., ability to record warrant execution).

##### **608.7 HIGH-RISK WARRANT SERVICE**

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have authority upon approval from the Chief of Police in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is video-recorded when practicable and legal to do so under 720 ILCS 5/26-4. The warrant service may be audio-recorded if done in an open and conspicuous manner or with the consent of all parties (720 ILCS 5/14-2).
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

##### **608.8 DETENTIONS DURING WARRANT SERVICE**

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

# Zion Police Department

## Policy Manual

#### *Warrant Service*

---

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

#### **608.9 ACTIONS AFTER WARRANT SERVICE**

The supervisor shall ensure that all affidavits, warrants, receipts, and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

Officers shall notify a supervisor as soon as practicable if a warrant is executed at a location other than that listed in the warrant. Supervisors should take steps to arrange an internal investigation into the circumstances (725 ILCS 5/108-8).

#### **608.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS**

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Zion Police Department are utilized appropriately. Any concerns regarding the requested use of Zion Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Commander should assume this role.

If officers intend to serve a warrant outside Zion Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Zion Police Department when assisting outside agencies or serving a warrant outside Zion Police Department jurisdiction.

#### **608.11 MEDIA ACCESS**

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

# Operations Planning and Deconfliction

## 609.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

### 609.1.1 DEFINITIONS

Definitions related to this policy include:

**High-risk operations** - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

## 609.2 POLICY

It is the policy of the Zion Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

## 609.3 RISK ASSESSMENT

### 609.3.1 RISK ASSESSMENT

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment.

When completing the assessment, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).

- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

#### 609.3.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the Patrol Commander or Investigations Commander, whichever is appropriate.

The supervisor and appropriate commander shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

#### 609.3.3 HIGH-RISK OPERATIONS

If the Patrol Commander or Investigations Commander, after consultation with the involved supervisor, determines that the operation is high risk, the commander should:

- (a) Notify the Chief of Police.
- (b) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
  - 1. Tactical Response Team (TRT)
  - 2. Additional personnel
  - 3. Outside agency assistance
  - 4. Special equipment
  - 5. Medical personnel
  - 6. Persons trained in negotiation
  - 7. Additional surveillance
  - 8. Canines
  - 9. Evidence Room or analytical personnel to assist with cataloguing seizures
  - 10. Specialized mapping for larger or complex locations
- (c) Contact the appropriate department members or other agencies as warranted to begin preparation.
- (d) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.

- (e) Coordinate the actual operation.

#### **609.4 DECONFLICTION**

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

#### **609.5 OPERATIONS PLAN**

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

### 701.2 POLICY

The Zion Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received or reviewed on any PCDs issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location detection capabilities (see the Information Technology Use Policy for additional guidance).

### 701.4 DEPARTMENT-ISSUED OR FUNDED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business off-duty in any manner that violates federal, state or local law or the policies of the department. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings or other public records created or received on a member's personally owned PCD should be transferred to the Zion Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

# Personal Protective Equipment

## 705.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well the requirements and guidelines for the use of PPE.

### 705.1.1 DEFINITIONS

Definitions related to this policy include:

**Personal protective equipment (PPE)** - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical or other workplace hazards.

**Respiratory PPE** - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

## 705.2 POLICY

The Zion Police Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

## 705.3 OFFICER RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

## 705.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed the requirements provided in 29 CFR 1910.95, 820 ILCS 219/25 and 56 Ill. Adm. Code 350.700.

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (29 CFR 1910.134; 820 ILCS 219/25; 56 Ill. # Zion Police Department

## Policy Manual

### Policy Manual

- Who?

If the communications operator determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the communications operator determines that the caller is a limited English proficiency (LEP) individual, the communications operator should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in Village of Gurnee Communications Center, the communications operator should immediately connect the LEP caller to the authorized interpreter.

Investigators shall (28 CFR 115.171):

#### **902.5.5 CONCLUSIONS AND FINDINGS**

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the Mayor. The Chief of Police or Mayor shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with prisoners and reported to any relevant licensing bodies (28 CFR 115.177). #### **902.6 RETALIATION PROHIBITED**

All prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of prisoners or members who have reported sexual abuse and of prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of prisoners, such monitoring shall also include periodic status checks.

- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. # Evaluation of Employees

## 1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

## 1001.2 POLICY

The Zion Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to promotion, reassignment, discipline, and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

## 1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

### 1001.3.1 OTHER OFFICER EVALUATIONS

Part-time officer evaluations are covered in the Reserve Officers Policy.

# Anti-Retaliation

## 1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

# Reporting of Arrests, Convictions, and Court Orders

## 1005.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the Zion Police Department. This policy will also describe the notification requirements and procedures that certain retired officers must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

## 1005.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Illinois and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; 720 ILCS 5/24-1.1).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

Officers are prohibited from carrying a firearm if they are currently the subject of a domestic violence protection order (750 ILCS 60/214).

## 1005.3 OTHER CRIMINAL CONVICTIONS

Any person convicted or found guilty, or having entered a plea of guilty or of nolo contendere to any of the offenses described in 50 ILCS 705/6.1 is prohibited from being a peace officer in the State of Illinois (50 ILCS 705/6.1). Any person who has been convicted of a felony is prohibited from possessing a firearm (720 ILCS 5/24-1.1). This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty plea, or nolo contendere plea.

Convictions of certain state or federal violations, including other provisions, such as probation or conditions of bail, may place restrictions on an employee's ability to fully perform the duties of the job or restrict possessing firearms (720 ILCS 550/10; 725 ILCS 5/110-10).

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

## 1005.4 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

#### 1005.4.1 ILLINOIS LAW ENFORCEMENT TRAINING AND STANDARDS BOARD NOTIFICATION

It is the duty and responsibility of every full-time and part-time police officer to report to both the ILETSB within 14 days and also to the officer's Chief of Police of the arrest, conviction, finding of guilty, or plea of guilty, for an offense identified in 50 ILCS 705/6.1, as well as any name change, change in employment, and filing of any criminal indictment or charges against the officer for the offenses (50 ILCS 705/8.1).

Any full-time or part-time police officers who knowingly make, submit, cause to be submitted, or file a false or untruthful report to ILETSB must have their certificate or waiver either immediately decertified or revoked. Members shall notify the ILETSB on the prescribed form within seven days of becoming aware of the following alleged violations by an officer (50 ILCS 705/6.3):

- (a) An act that would constitute a felony or misdemeanor that could serve as basis for automatic decertification, whether or not the officer was criminally prosecuted, and whether or not the officer's employment was terminated.
- (b) Excessive use of force.

### **1007.1 PURPOSE AND SCOPE**

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City's Employee Handbook or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) (29 USC § 2601 et seq.) or the Illinois Employee Sick Leave Act (820 ILCS 191/1 et seq.).

### **1007.2 POLICY**

It is the policy of the Zion Police Department to provide eligible employees with a sick leave benefit.

### **1007.3 USE OF SICK LEAVE**

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

#### *Sick Leave*

---

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days.

#### **1007.5 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with the Administration as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
  - 1. Negatively affected the member's performance or ability to complete assigned duties.
  - 2. Negatively affected department operations.

- (e) Referring eligible members to an available employee assistance program when appropriate.

# Communicable Diseases

## 1008.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

### 1008.1.1 DEFINITIONS

Definitions related to this policy include:

**Communicable disease** - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

**Exposure** - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the Zion Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

## 1008.2 POLICY

The Zion Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

## 1008.3 EXPOSURE CONTROL OFFICER

The Deputy Chief will serve as the Exposure Control Officer (ECO) for the department. The ECO shall develop an exposure control plan that includes:

- (a) Exposure prevention and decontamination procedures.
- (b) Procedures for when and how to obtain medical attention in the event of an exposure or suspected exposure.
- (c) The provision that department members will have no-cost access to the appropriate personal protective equipment (PPE) (e.g., gloves, face masks, eye protection, pocket masks) for each member's position and risk of exposure.
- (d) Evaluation of persons in custody for any exposure risk and measures to separate them.
- (e) Compliance with all relevant laws or regulations related to communicable diseases, including:
  1. Reporting known and suspected cases of reportable communicable diseases to the local health authority (77 Ill. Adm. Code 690.200).
  2. Acting as, or appointing a person as the designated officer to receive reports from the local health authority. The designated officer will be trained to carry out

the duties described in 77 Ill. Adm. Code 690.200 regarding the procedures for follow-up after occupational exposures to specific diseases.

3. The mandates of the Illinois Occupational Safety and Health Act (820 ILCS 219/1 et seq.).
4. Responding to requests and notifications regarding exposures covered under the Ryan White law (42 USC § 300ff-133; 42 USC § 300ff-136).
5. Responding to exposure notifications from hospitals to which members have transported a patient (210 ILCS 85/6.08).
6. Exposure control mandates in 29 CFR 1910.1030 (820 ILCS 219/25; 56 Ill. Adm. Code 350.700).

The ECO should also act as the liaison with the Illinois Department of Labor (IDOL) and may request voluntary compliance inspections. The ECO should periodically review and update the exposure control plan and review implementation of the plan. The Exposure Control Plan (ECP) may be found in the [Zion Police Department Procedures Manual: 1000.1 Exposure Control Plan \(ECP\)](#).

#### **1008.4 EXPOSURE PREVENTION AND MITIGATION**

##### **1008.4.1 GENERAL PRECAUTIONS**

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area of department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.
- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
  1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.

- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

#### 1008.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; 820 ILCS 219/25).

#### 1008.5 POST EXPOSURE

##### 1008.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practical.

##### 1008.5.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Name of the member exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

##### 1008.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; 820 ILCS 219/25):

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

##### 1008.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; 820 ILCS 219/25).

##### 1008.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Contacting the Department of Public Health or local health authority and providing information regarding the circumstances of the exposure to determine if the appropriate authority will request consent from the person to submit to testing (77 Ill. Adm. Code 690.1380).
- (c) In cases of possible exposure to infectious diseases, including HIV, by having a health care provider or health facility test the source of the exposure pursuant to 410 ILCS 305/7 and/or 410 ILCS 312/10.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

#### **1008.6 CONFIDENTIALITY OF REPORTS**

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law) (29 CFR 1910.1030; 820 ILCS 219/25).

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

# Smoking and Tobacco Use

## **1009.1 PURPOSE AND SCOPE**

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Zion Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

## **1009.2 POLICY**

The Zion Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy.

## **1009.3 SMOKING AND TOBACCO USE**

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Zion Police Department.

## **1009.4 ADDITIONAL PROHIBITIONS**

No employee shall smoke, even if out of public view in any public place, child/adult day care center, health care facility or within 15 feet of any entrance or any other location described under the Smoke Free Illinois Act (410 ILCS 82/15).

## Personnel Complaints

### 1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Zion Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

### 1010.2 POLICY

The Zion Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report alleged misconduct without concern for reprisal or retaliation.

### 1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or of federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

#### 1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Commander is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints should be investigated by a supervisor of rank greater than the accused member or referred to the Deputy Chief, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Deputy Chief, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

##### 1010.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct by another department member shall immediately notify a supervisor.

- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

##### 1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

###### 1010.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

###### 1010.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

##### 1010.5 DOCUMENTATION

Supervisors shall ensure that all complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

##### 1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action, or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Commander of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Commander or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the [Department/Office] receiving the complaint.
  - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Commander.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Commander and Chief of Police are notified via the chain of command as soon as practicable.
  - 1. This notification is required when there are allegations of a failure to intervene, unreasonable uses of force, perjury, tampering with evidence, or other categories required under state law. The Chief of Police or the authorized designee shall take steps to notify the Illinois Law Enforcement Training and Standards Board (ILETSB) within seven days of the [Department/Office] becoming aware of the allegations. After preliminary review by ILETSB, an investigation should be conducted, if necessary (50 ILCS 705/6.3).
- (e) Promptly contacting the Administration and the Shift Commander for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic, or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Shift Commander, who will determine whether to contact the complainant or assign the complaint for investigation.

- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

#### 1010.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Administration, the following applies to members covered by the Uniform Peace Officers' Disciplinary Act:

- (d) No more than two interviewers should ask questions of an accused member.
- (e) Prior to any interview, a member should be informed in writing of the nature of the investigation (50 ILCS 725/3.2).
- (f) All interviews should be for a reasonable period and the member's personal needs should be accommodated (50 ILCS 725/3.5).
- (g) No member should be subjected to offensive or threatening language, nor shall any promises, rewards, or other inducements be used to obtain answers (50 ILCS 725/3.6).
- (h) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
  - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement and after the investigator has consulted with the prosecuting agency. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. - (j) No member shall be interviewed without first being advised in writing that admissions made in the course of the interview may be used as evidence of misconduct or as the basis for charges seeking suspension, removal, or discharge. In addition, no member shall be interviewed without first being advised in writing that he/she has the right to counsel of his/her choosing, and that counsel may be present to advise him/her at any stage of any interview (50 ILCS 725/3.8).
- (k) All members subjected to interviews that could result in discipline have the right to have representation by counsel of the member's choosing and may request counsel at any time before or during an interview. When a request for counsel is made, the interview shall not proceed until a reasonable time and opportunity are provided to the member to obtain counsel. If a collective bargaining agreement requires the presence of a representative of the collective bargaining unit during investigations, the representative shall be present during the interview, unless this requirement is waived by the member being interviewed (50 ILCS 725/3.9). However, in order to maintain the integrity of each employee's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (l) All members shall provide complete and truthful responses to questions posed during interviews.
- (m) No member may be compelled to submit to a polygraph test, or any other test questioning by means of any chemical substance, except with the member's express written consent. Refusal to submit to such tests shall not result in any disciplinary action nor shall such refusal be made part of his/her record (50 ILCS 725/3.11).
- (n) These provisions do not apply to any member charged with violating any provisions of the Criminal Code of 2012, or any other federal, state, or local criminal law (50 ILCS 725/5).

#### 1010.6.4 DISPOSITIONS

##### **1010.8 ADMINISTRATIVE LEAVE**

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

#### **1010.13 POST-DISCIPLINE APPEAL RIGHTS**

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. ## Seat Belts

### 1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

#### 1011.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 and 625 ILCS 25/4.

### 1011.2 POLICY

It is the policy of the Zion Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle crash.

### 1011.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department, while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

### 1011.4 TRANSPORTING CHILDREN

Child passengers shall be transported using an approved child restraint system in compliance with 625 ILCS 25/4.

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

### 1011.5 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is

not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

#### **1011.6 INOPERABLE SEAT BELTS**

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

#### **1011.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

#### **1011.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

## Body Armor

### 1012.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

### 1012.2 POLICY

It is the policy of the Zion Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### 1012.3 ISSUANCE OF BODY ARMOR

The Deputy Chief shall ensure that body armor is issued to all officers when the officer begins service at the Zion Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice (50 ILCS 712/10).

The Deputy Chief shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to this schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

#### 1012.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform, except as described in (c) above, or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

#### 1012.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

##### **1012.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR**

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

##### **1012.3.4 WARRANTY PERIODS**

All body armor shall be replaced before or at the expiration of the warranty at the Department's expense (50 ILCS 712/10).

#### **1012.4 LEAD FIREARMS INSTRUCTOR RESPONSIBILITIES**

The Lead Firearms Instructor should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates officers about the safety benefits of wearing body armor.

#### **1012.5 FUNDING**

The Deputy Chief should coordinate with other Zion officials as appropriate to ensure grant funding is sought as appropriate (50 ILCS 712/10). The Deputy Chief should also ensure that Department procedures are not in conflict with the terms of any applicable grant.

### 1018.3 LACTATION BREAK TIME

A rest period should be permitted each time the member has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods.

Members desiring to take a lactation break shall notify Village of Gurnee Communications Center or a supervisor prior to taking such a break and such breaks may be reasonably delayed if they would unduly disrupt department operations (820 ILCS 260/10; 775 ILCS 5/2-102).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1018.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall (820 ILCS 260/15). The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207).

Members occupying such private areas shall either secure the door or otherwise make it clear that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

### 1018.5 STORAGE OF EXPRESSED MILK

Any member storing expressed milk in any authorized refrigerated area within the department shall clearly label it as such and shall remove it when the member ends her shift.

# Temporary Modified-Duty Assignments

## 1027.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, and current memorandums of understanding or collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

## 1027.2 POLICY

Subject to operational considerations, the Zion Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

## 1027.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA), Victims' Economic Security and Safety Act, or the Illinois Human Rights Act (820 ILCS 180/5; 775 ILCS 5/1-101 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Zion Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 720 hours (90 days), except for pregnancy (775 ILCS 5/2-102(J)), in any one-year period.

## 1027.4 PROCEDURE

Employees suffering a short-term injury or illness that restricts or limits their ability to perform their assigned duties shall notify the Chief of Police in writing. A certification from the treating medical professional shall be included in the notification and contain:

# Employee Speech, Expression and Social Networking

## 1028.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

### 1028.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file sharing sites.

## 1028.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Zion Police Department will carefully balance the individual employee's rights against the department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

## 1028.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Zion Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

##### **1029.6 HAZARDS**

All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area, except those necessary to correct the existing condition.

Members who are necessary to correct the hazardous condition shall be provided with the necessary protection.

All significant actions taken and dates they are completed shall be documented and forwarded to the Deputy Chief via the chain of command.

The Deputy Chief will take appropriate action to address potential hazards upon such notification.

# Line-of-Duty Deaths

## 1030.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Zion Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

### 1030.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

## 1030.2 POLICY

It is the policy of the Zion Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

## 1030.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, all reasonably available information should be provided to the Shift Commander and Village of Gurnee Communications Center.
  - 1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Chief of Police section of this policy).
- (b) The Shift Commander should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Commander or the authorized designee should assign an officer to respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve

the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

#### **1030.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Commander or the authorized designee should select at least two members to conduct notification of survivors, one of which may be a Police Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.
- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.

- (l) Document the survivor's names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Zion Police Department members may be apprised that survivor notifications are complete.

#### 1030.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

#### 1030.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

#### 1030.6 LIAISONS AND COORDINATORS

The Chief of Police or the authorized designee should select members to serve as liaisons and coordinators to handle responsibilities related to a line-of-duty death, including, but not limited to:

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.
