**Meeting Discussion:**

- Recording Secretary Maciareillo advised that the next Police Officer Testing Process will be going live on January 20. She informed the Board that Stanard, the testing company, typically includes wording on the applications that applicants are only allowed to apply once in a 12-month period. She also advised that Ch. 6, Sec. 10 of the City of Zion Board of Fire and Police Commissioners Rules and Regulations allows for applicants to take the test multiple times in an effort to improve their position on the hiring list. The Board discussed and said they did not want to change the Rules to limit applicants to testing once per year. R/S Maciareillo will advise Stanard to remove that line from the application form.
  
- Recording Secretary Maciareillo also advised the Board that Stanard will begin using an AI system to provide online monitoring as a security measure to protect the integrity of the testing process. The system will monitor the test takers and flag any potential misconduct. If misconduct is detected, a test proctor will be alerted to intervene. The test sessions will be recorded and summary reports will be provided identifying validated violations.

**Adjourn:**
