This contract will be in effect for one (1) year, commencing on May 1, 2021 and expiring on April 30, 2022 unless otherwise terminated in accordance with its terms or in accordance with law. This contract, provided the expenditures for the same are appropriated for by the City, may be renewed automatically in accordance with law at the end of each contract year for a maximum of 2 contractual cycles. Any approval for renewal will be evidenced by the written consent of each party or be held to be null and void. The parties acknowledge that the City will bid for services after the termination or expiration of its original or extended term. The contract can and may also be cancelled and terminated with thirty (30) days written notice by either party sent via email and certified mail. Each party reserves the right to provide evidence of and thereafter negotiate price adjustments prior to the end of each contract year to reflect changes in labor and material costs.
