If the Board believes that the highest rank candidate fails to meet the minimum standards, or if the Board believes a different candidate would better suit the needs of the Department, the Board has the right to pass over the highest ranked candidate. In this event, the Board must appoint:

- 1) Any person ranking in the top 5% of the Final Eligibility Register, or
- 2) Any person who is in the top 5 ranking candidates on the Final Eligibility Register if the number of candidates in the top 5% is less than 5 individuals.

SECTION 11 – CONDITIONAL OFFER OF APPOINTMENT

At the time of a conditional offer of appointment, a candidate must possess a current Illinois EMT-Paramedic license.

Any candidate who receives a conditional offer of appointment is subject to satisfactorily passing the following:

- 1) a background check including criminal history, employment history, and moral character review,
- 2) an Integrity Interview at such time and place as the Board may designate in writing, and
- 3) a medical examination which shall include drug screening, vision and hearing testing, and the presence of communicable diseases.

Medical examinations shall be performed by a Board-selected, licensed physician who has knowledge of NFPA Standards.

Such testing shall be given without expense to the candidate; however, if additional medical evaluations, testing, or treatment are required in order to determine the candidate's fitness for duty, the candidate shall be responsible for obtaining and paying for the additional medical evaluation, testing, or treatment. Such testing shall be done on a pass or fail basis.

A candidate who fails to take or successfully complete such tests shall be eliminated from further consideration and any offer of appointment shall be rescinded. (65 ILCS 5/10-2.1-6)

Candidates have 5 days to accept or reject a conditional offer of appointment. A candidate is allowed to waive an offer of appointment only once without losing his position on the Final Eligibility Register. An eligible candidate who refuses a second offer of appointment or who untimely requests a waiver may be removed from the Final Eligibility Register.

SECTION 12 – PROBATIONARY APPOINTMENT

All original appointments to the Fire/Rescue Department shall be for a probationary period of twelve (12) months, unless the firefighter's responsibilities include paramedic duties, in which case the statutory probationary period may be extended. The probationary period of a newly appointed firefighter/paramedic shall commence as of the first date said individual reports for work with the department.

Probationary employees may be summarily dismissed and are not entitled to the protection afforded to other full-time firefighter/paramedics by statute or these rules and regulations.

SECTION 13 – CERTIFICATION

Probationary employees shall, within 30 days of hire, complete all North Lake County EMS System entry requirements to be certified as a paramedic in the North Lake County EMS System. Inability to successfully complete these requirements shall be grounds for dismissal.

FIREFIGHTER – Promotional Examinations

SECTION 1 – GENERAL

Promotions to the rank of lieutenant and battalion chief shall be conducted in accordance with the provisions of the most current Fire Department Promotion Act and the Rules and Regulations of the Board, to the extent they are not inconsistent with the terms of the bargaining unit contract and other written agreements between the parties.

The Board, by its rules, shall provide for promotion in the Fire Department on the basis of ascertained merit and seniority in service and examination, and shall provide in all cases, where it is practicable, that vacancies shall be filled by promotion. All examinations for promotion shall be competitive among such eligible members of the next lower rank as desire to submit themselves to examination. The method of examination and the rules governing examinations for promotion are specified below. Each weighted component of the examination process shall be based upon a scale of 1 to 100.

The Board shall strike off the names of candidates for promotional appointment after they have remained on the promotional eligibility register for more than three (3) years, provided there is no vacancy existing which can be filled from the promotional register. Probationary fire fighters shall be ineligible to test for promotion during their probationary period.

In the event no candidate from the immediate next lower rank qualifies for promotion, the Board in determining next in order of rank in promotional examinations herewith determines a policy of extending the examination successively through all the orders of rank in the services in an endeavor to qualify suitable eligible or eligibles for the vacancy or vacancies existing before extending the examination to the general public.

Promotions in the City of Zion Fire Department shall be subject to the provisions of the Firefighter's Promotional Act as well as the current collective bargaining agreement, or as amended.

65 ILCS 5/10-2.1-4 provides that a Fire Chief and Assistant Fire Chief (exempt positions) may take promotional examinations for positions below the rank they currently hold, providing the candidate must have been appointed to the higher, exempt rank, while holding a lower, classified rank with the department. A candidate seeking such a promotion shall not be involved in evaluating the other candidates competing for the same position.

SECTION 3 – EXAMINATIONS

For each promotional appointment, the Board shall post a notice ninety (90) days in advance of the date of examinations providing:

Candidates who are eligible for veterans' points shall make a claim in writing, with proof thereof, within 10 days after the date of the Initial Promotional Eligibility Register or such claim shall be waived. An applicant must have a minimum of one full year of active military service in the U.S. military and be honorably discharged. The maximum veterans' points for promotion which may be awarded to a candidate is 3.5 points based on an award of .7 points for each six months of full-time active military service, or part thereof, not to exceed a 30-month period.

Promotional applicants may only receive veterans' preference points for one promotional appointment from a promotional eligibility register.

SECTION 11 – TOTAL SCORE

A candidate's total score shall consist of the combined scores of the written examination, oral interview/assessment center, seniority, ascertained merit, management rating, and veterans' points. Candidates shall take rank upon a promotional register in the order of their relative excellence as determined by their total score.

All outgoing promotional registers shall expire on April 30 of the testing year and all new promotional registers will go into effect beginning May 1 of the testing year. An exception shall be made if the current eligibility register has been exhausted and a special test has been called for under the Fire Promotion Act.

SECTION 13 – PROMOTIONAL VACANCY

Upon notice from the appropriate corporate authority that a promotional vacancy exists, the Board shall appoint the individual with the highest ranking on the Final Promotional Eligibility Register for that rank, except that the appointing authority shall have the right to pass over that person and appoint the next highest ranked person on the list if the appointing authority has reason to conclude that the highest-ranking person has demonstrated substantial shortcomings in work performance or has engaged in misconduct affecting the person's ability to perform the duties of the promoted rank since the posting of the promotion list. If the highest-ranking person is passed over, the appointing authority shall document its reasons for its decision to select the next highest-ranking person on the list. Unless the reasons for passing over the highest-ranking person are not remediable, no person who is the highest-ranking person on the list at the time of the vacancy shall be passed over more than once.

SECTION 14 – REFUSAL OF APPOINTMENT

Any applicant may refuse a promotion once without losing his or her position on the final promotional eligibility register. Any applicant who refuses a promotion a second time shall be removed from the final promotional eligibility register, provided that such action shall not prejudice a person's opportunity to participate in future promotional processes.

CHAPTER VI

The Board shall give public notice of its examination process to create a register of eligible candidates for initial appointment to the Police Department. Examinations shall be held on the dates fixed by the Board and advertised in a local paper in accordance with Section 5.10-2.1-13 of the Act. The notice shall contain:

- 2) The time, place, general scope, merit criteria for any subjective component of the examination.
- 3) Criteria necessary for being awarded preference points.
- 4) Positions that are expected to be filled.

Examinations may be postponed, however, by order of the Board, which order shall state the reason for such postponement and shall designate a new date for said examination. Applicants shall be notified of the postponement of any examination and of the new date fixed for said examination.

SECTION 2 – TYPE OF EXAMINATIONS

All examinations shall fairly test the capacity of the applicant to discharge the duties of the position to which the applicant seeks appointment.

Applicants shall be required to participate in a physical aptitude test, written and oral examinations as determined by the Board and as set forth below. No examination shall contain questions regarding an applicant's political or religious opinions or affiliations. The American Disabilities Act (ADA) is adopted by reference as part of these Rules and Regulations.

SECTION 3 – EXAMINATIONS – MINIMUM SCORES

The following examinations may be conducted by the Board. The sequence of testing may vary at the discretion of the Board. Failure to achieve the minimum passing score in any examination disqualifies the applicant from any further participation. Each weighted component of the examinations process shall be based upon a scale of 1 to 100.

<u>Examinations</u>	<u>% Weight</u>
Physical Aptitude Test	Mandatory/Pass or Fail
Written Exam	70%
Oral Interview / Assessment	30%
Background Investigation / Integrity Interview	Pass or Fail
Conditional Offer of Employment	
Psychological Examination	Pass or Fail
Medical Examination	Pass or Fail

SECTION 4 – PHYSICAL APTITUDE TEST

All applicants may be required to submit themselves to a physical aptitude test. If a Physical Aptitude Test is given, only candidates who have participated in, and successfully completed the “Physical Aptitude Test” will be permitted to participate in the written examinations.

SECTION 5 – WRITTEN EXAMINATIONS

All entry-level applicants shall take a written test to measure specific job-related criteria. All examination documents shall be and remain the property of the Board and the grading thereof by the Board shall be final and conclusive and not subject to review by any other board or tribunal of any kind or description. Minimum Scores will be announced by the Board prior to conducting the written examination and may vary based on the examination and may vary based on the testing agency employed by the Board. Candidates who fail to achieve a passing score will be notified and eliminated from all further consideration.

SECTION 6 – ORAL EXAMINATIONS

All Commissioners shall participate in the Oral Examination except wherein one Commissioner is absent due to illness or when matters of an emergency nature preclude his attendance. In no event shall less than two (2) Commissioners conduct the Oral Examinations. Questions shall be asked of the Candidate that will enable the Commissioners to properly evaluate and grade the Candidate on speech, ability to communicate, judgment, self-confidence, social skill and general fitness for the position applied for. On completion of each Oral Examination the Commissioners shall discuss the Candidate’s abilities using the traits listed above. The Candidate’s final score will be an average of the three (3), or two (2), Commissioners’ scores. A final score of 60% or higher shall be considered a passing score on the Oral Examination. Candidates who fail to achieve a passing score will be notified and eliminated from all further consideration.

SECTION 7 – INITIAL ELIGIBILITY REGISTER

- 1) The Board will prepare, certify, and post an “Initial Eligibility Register” not later than sixty (60) days of the candidates successfully completing the Written Test, Physical Aptitude Test, and Oral Interview. Candidates shall be placed on the eligibility register in order of their relative excellence as determined by their final test scores. The Candidates will be listed in order of excellence based on their final score.
- 2) A dated copy of the Initial Eligibility Register shall be sent to each person appearing thereon.
- 3) Candidates who are eligible for veteran, educational or law enforcement certification preference points shall make a claim in writing with proof thereof within ten (10) days after the date of the initial eligibility register or such claim shall be waived.
- 4) All applicants who do not make the initial eligibility register shall be so advised in writing.

SECTION 8 – PREFERENCE POINTS

Under 65 ILCS 5/10-2.1-8 and 65 ILCS 5/10-2.1-9, any person who is entitled to military, education, or law enforcement preference points whose name appears on the Eligibility Register, the Board shall add five (5) points upon request of the applicant. Such preference points shall not be cumulative.

SECTION 9 – FINAL ELIGIBILITY REGISTER

- 1) The Commissioners will prepare, certify, and post a “Final Eligibility Register” which shall include claimed preference points. In the event of a tie score, the placement of the tied candidates’ names on

the eligibility register shall be determined by lot, in the presence of a quorum of the Board in whatever manner the Board deems appropriate.

- 2) A dated copy of the Final Eligibility Register shall be sent to each person appearing thereon. Candidates shall remain eligible on the register for a period of two (2) years. The register shall indicate the date of expiration for the candidates' eligibility.
- 3) Candidates shall be appointed from the eligibility register in descending order, in accordance with 65 ILCS 5/10-2.1-14. Notwithstanding anything to the contrary contained within these rules and regulations, the Board may, at its discretion, choose to appoint a candidate from the Alternative Eligibility Register who has been awarded a certificate attesting to his or her successful completion of the Minimum Standards Basic Law Enforcement Training Course, as provided in the Illinois Police Training Act, ahead of non-certified candidates.
- 4) Appointment from this Final Eligibility Register is subject to satisfactory passing of an in-depth Psychological Examination, Polygraph Examination, Background Investigation, and a thorough Medical Examination (which may include a test of the applicant's vision, hearing, for the presence of communicable diseases as well as a test to detect the use of drugs and/or narcotics) Unless otherwise exempt, applicants must be under 35 years of age at such time as the final eligibility register is posted.

SECTION 10 – EXPIRATION OF REGISTER / MERGER OF REGISTERS

Nothing contained in the Rules under this Chapter shall be deemed to prevent the Board from initiating examinations for original appointments when a current Register has not expired. Any individual on the incumbent Register may elect to re-enter the examination process, provided, however, that said applicant's score from their previous exam will expire at the end of a two-year period and that the score from the more recent examination will remain in effect for a two-year period following the certification of the Final Eligibility Register of the most recent examination. Any person on the original Final Eligibility Register not participating in the subsequent examination shall have their name stricken from the eligibility Register on the two-year anniversary date of their placement on the Final Eligibility Register.

SECTION 11 – ALTERNATIVE ELIGIBILITY REGISTER FOR LATERAL APPLICANTS

In accordance with 65 ILCS 5/10-2.1-14, the Board may waive portions of the required examination for police applicants who have previously been full-time sworn officers in any municipal, county, university, state, or federal law enforcement agency, provided they are certified or have the ability to be certified by the Illinois Law Enforcement Training and Standards Board and have been employed as a law enforcement officer within the last two years.

All persons must meet the following criteria to be considered for placement on the Alternative Eligibility Register pursuant to 65 ILCS 5/10-2.1-6:

- 1) State of Illinois Law Enforcement Certification from the Illinois Law Enforcement Training and Standards Board as a law enforcement officer (part time certification as a law enforcement officer does not meet this requirement) or must have the equivalent certification from another state that would be transferable to Illinois; and
- 2) At least 2 years' continuous experience as a full-time sworn, certified law enforcement officer at the date of application, and must be in good standing with the most recent law enforcement agency employer. The Board reserves the right to consider equivalent education and experience; and
- 3) Possess the particular knowledge, skills, abilities, and level of experience required pursuant to the call for qualified lateral appointment applicants. A person currently ranked on an eligible register for entry level Police Officer may apply for a lateral appointment; and

- 4) Eligible to be granted a waiver of basic training from the Illinois Law Enforcement Training and Standards Board.

All applications for lateral appointment will be filed with the Board Secretary. Said Secretary shall provide a copy to the Chief of Police who will review the applications to identify applicants having the requisite knowledge, skills, abilities, or level of experience needed to address special or unique circumstances within the Department. Lateral transfer applicants are exempt from the written examination requirement. However, those applicants will be requested to appear for a pre-screening review performed by the Chief of Police. The pre-screening review will consist of a preliminary background investigation, and an assessment of the knowledge, skills, abilities, and level of experience, education, and training.

The Chief of Police shall present the qualifications of any person eligible for the Alternative Eligibility Register to the Board of Fire and Police Commissioners for approval.

Applicants who have successfully passed all prior elements of the examination shall submit to an oral interview by the Board. A quorum of the Board shall be present to conduct the oral interview. The Board may allow or request the presence of the Chief of Police at the interview. This oral interview will involve questions intended to assist the Board in evaluating the applicant's qualifications, training, and previous experience as they pertain to the duties of the position sought. Based on the oral interview and the recommendation of the Chief of Police or designee, the Board will grade the applicant.

Under 65 ILCS 5/10-2.1-8 and 65 ILCS 5/10-2.1-9, any applicant who qualifies or is otherwise entitled to military or educational preference points shall be awarded five (5) points to their score. Such preference points shall not be cumulative. The Board will automatically add preference points to a lateral transfer applicant's score prior to placement on the Eligibility Register.

Applicants approved for placement on the Alternative Eligibility Register will be listed in order of excellence based on their final score, as determined by the Board.

In the event the Commission decides the Alternative Eligibility Register is no longer necessary or useful to maintain, the Alternative Eligibility Register will be dissolved. The dissolution of an Alternative Eligibility Register does not prevent the Commission from establishing a new Alternative Eligibility Register. The Commission may, at any time, create a new Alternative Eligibility Register.

SECTION 12 – FILLING VACANCIES FROM THE ELIGIBILITY REGISTER

Candidates shall be appointed, in descending order, from the Final Eligibility Register.

If an Alternative Eligibility Register exists, the Board will decide if appointment from the Alternative Eligibility Register is deemed to be in the best interest of the City.

Appointment from the Alternative Eligibility Register shall be made to the most qualified person but not necessarily the first person on the Register. If the top candidate is not selected, the Chief of Police shall provide reasons for such selection. Such selection is subject to final approval of the Board.

SECTION 13 – BACKGROUND INVESTIGATION

Those candidates that are selected from the eligibility register will undergo a detailed character and background investigation. The investigation shall review the applicant's employment history, references, educational background, military record (if applicable), driving record, criminal history, and such other data and information pertinent to a proper review and analysis of the applicant. This shall be a pass/fail examination element.

Any candidate for original appointment to the Police Department of the City of Zion, Illinois, may be required to submit to a Polygraph Device Deceptive Test, commonly known as a Lie Detector Test, or

integrity interview, at such time and place as the Board may in writing designate the licensed operator. Such a test shall be given without expense to the candidate. Failure of the candidate to take or successfully complete such test shall consequently disqualify him to enter upon the duties of the office for which the candidate for examination was filed.

SECTION 14 – CONDITIONAL OFFER OF APPOINTMENT

Any candidate who receives a conditional offer of appointment is subject to satisfactorily passing the following:

- 1) a psychological examination performed by a licensed psychologist or psychiatrist. Such examination shall be without expense to the candidate.
- 2) a medical examination performed by a licensed physician. The extent and scope of the examinations shall be determined by the Board and shall be graded on a pass/fail basis. The Board shall pay for the basic required medical examination; however, if additional medical evaluations, testing, or treatment are required in order to determine the candidate's fitness for duty, the candidate shall be responsible for obtaining and paying for the additional medical evaluation, testing, or treatment.

A candidate who fails to take or successfully complete such tests shall be eliminated from further consideration and any offer of appointment shall be rescinded. (65 ILCS 5/10-2.1-6)

Any person whose name appears on the Final Eligibility Register is allowed to waive an offer of appointment once without losing his position on the Final Eligibility Register. An eligible candidate who refuses a second offer of appointment shall be removed from the Final Eligibility Register.

SECTION 15 – PROBATIONARY APPOINTMENT

- 1) All original appointments to the Police department shall be a probationary period of not less than twelve (12) months or as provided in the current collective bargaining agreement. The probationary period of a newly appointed police officer shall commence as of the first date said individual reports for work with the department.
- 2) Probationary employees may be summarily dismissed and are not entitled to the protection afforded to other full-time police officers by statute or these rules and regulations.

SECTION 16 – CERTIFICATION

Final certification of probationary Police Officers shall be subject to successful completion of the Basic Training Course as mandated by the State of Illinois within the prescribed probationary period. Inability to successfully complete this course shall be regarded as grounds for dismissal.

CHAPTER VII

All examinations for promotion shall be competitive among such eligible members of the next lower rank as desire to submit themselves to examination. Probationary police officers shall be ineligible to test for promotion during their probationary period.

In the event no candidate from the immediate next lower rank qualifies for promotion, the Board in determining next in order of rank in promotional examinations herewith determines a policy of extending the examination successively through all the orders of rank in the services in an endeavor to qualify suitable eligible or eligibles for the vacancy or vacancies existing before extending the examination to the general public.

For the purpose of determining that a vacancy exists, the Board must have received notice from the Chief of Police to fill an existing vacancy prior to the date the name(s) are to be stricken from a promotional eligibility register.

There shall be a minimum passing score of 70% on the written examination in order to continue in the promotional process.

SECTION 6 – ORAL INTERVIEW / ASSESSMENT CENTER

Candidates will be evaluated by a qualified assessment center as recommended by the Chief of Police and approved by the Board. The evaluation shall include a variety of exercises to demonstrate a candidate's communication and leadership skills and their ability to perform the requirements of the position to be filled. The exercises are subject to change based on the evolving standards in law enforcement and department policies. The oral interview/assessment score shall be based on a scale of 1 to 100.

There shall be a minimum passing score of 60% on the oral examination in order to continue in the promotional process.

SECTION 7 – VETERANS' POINTS

If two or more individuals are placed on the Final Promotional Eligibility Register with identical scores to two decimal places, the tie shall be broken based on seniority. The individual with the greatest seniority with the Zion Police Department shall be placed ahead of another individual with the identical score.

SECTION 9 – EXPIRATION OF FINAL ELIGIBILITY REGISTER

The Final Promotional Eligibility Register shall be valid for 3 years from the effective date by the Board unless all names have been exhausted. The register will not be allowed to expire if a vacancy exists within the promoted rank prior to the expiration of the register.

SECTION 10 – PROMOTIONAL VACANCY

Upon notice from the appropriate corporate authority that a promotional vacancy exists, the Board shall select the individual to be promoted in the manner specified by statute.
