## Instructions for BLR 12310 - Page 1 of 3

NOTE: Form instructions should not be included when the form is submitted.

This form shall be used to provide information on projects to be advertised in the Bureau of Local Roads and Streets Contractor's Bulletin. For more information refer to Chapter 12 to the Bureau of Local Roads and Streets Manual. **This form shall be submitted to appropriate district by noon on the Friday before the bulletin it is requested to be advertised in.**

Local Public Agency Insert the name of the Local Public Agency (LPA) the advertisement is for.

County Insert the county in which the LPA is located.

Section Number Insert the section number which covers the project being advertised.

### Information Required Prior to Advertisement

PS & E Approval Date Insert the date of IDOT approval of the plans, special provision and estimates.

ROW Status If applicable insert the status of Right-of-Way. The ROW for a project must be clear before it can be advertised.

11 Day Requirement Check Yes or N/A, a project cannot be advertised less than eleven (11) days prior to bids being received by the letting agency.

21 Day Requirement For Federal projects, a project cannot be advertised less than twenty-one (21) days prior to bids being received by the letting agency. Check Yes or N/A.

Dates to be advertised Insert the dates the project is being requested to be advertised on. Federal projects **must** be advertised for 3 weeks.

3 week non-federal Check this box if the project is not a federal project, and the LPA wants the advertisement to be in the bulletin for 3 weeks.

### Letting Information

Letting Date Insert the date of the letting.

Letting Time Insert the time of the letting, include AM or PM.

Letting Location Insert the location the letting is being held, include the name and address.

### Project Information

Check the applicable boxes.

Pre-qualification Required Check if pre-qualification is or will be required for this project.

Township Bridge Check if this project is funded with Township Bridge funds.

MFT Check if this project is funded with Motor Fuel Tax (MFT) funds.

Non-MFT Check if this project is funded with non-MFT funds.

Apprenticeship & Training Certification Check if this project requires the Apprenticeship and Training Certification. This does not apply to federal projects.

Federal Funds Check if this project is being funded with any type of federal funds.

Re-Advertisement Check if this is for a re-advertisement of a project previously advertised in the Contractor's Bulletin.

Project Description Insert a brief description of the project and list major material quantities. See list following instructions for common abbreviations.

Project Location Insert the location of this project.

### Proposal Information

Proposals Available at Insert the name of the location where proposals will be available at.

Address Insert the address of the location where proposals will be available.

Phone Number Insert the phone number of the location where proposals will be available.

Email Insert an email address where prospective bidders can contact for information regarding proposals.

Proposal Fee Insert the proposal fee cost, if applicable.

Additional information Insert any additional information that would need to be included in the advertisement that is pertinent to the project.

Prepared by Insert the name of the person completing this form.

Phone Number Insert the number of the person completing this form.

Date Insert the date the form was completed.

## Instructions for BLR 12310 - Page 2 of 3

One original must be submitted to the Regional Engineer's office through the District office.
